RED HOOK ROTARY SEEKS STUDENTS FOR 2021 SCHOLARSHIPS

Rotary International is a volunteer organization of business and professional leaders who provide humanitarian service and help to build goodwill and peace in the world. Rotary International's focus areas include polio eradication, peace, humanitarian projects, literacy, and water management. There are approximately 1.2 million Rotary club members in more than 200 countries and geographical areas in the world. If you could pay a visit to every one of Rotary's 34,000 clubs, you'd see men and women from all different backgrounds, speaking just about one of the world's languages, involved in service projects from the local to the global. Each student selected for an award must successfully complete their senior year and attend an accredited college, university or vocational school of his or her choice. Scholarship awards will be distributed to the winning student to reimburse the student for any educational expense (eg. tuition, required books, computer, required equipment, etc.).
