## NEWS:

This week, 8th grade students finished the NYS Science 8 Exam, and Earth Science students took the practical portion of the Regents. Jr/Sr High Awards Night was held on Monday. The Science Research students presented on Tuesday, and the annual awards ceremony for students in the CTE program was held. On Wednesday, the Spring Sports Banquet was held. On Thursday, there was a Spring Concert. For its community service project, the Class of 2028 exceeded its goal of blood donations- collecting enough blood to save nearly 100 lives- including first time donations from GCS students, staff, and community members. The following students were recognized for displaying The Positivity Project's character traits and making our community a more positive place: Abby Lent, David Schmitz, Tyler McCagg, Deandrea Edwards, Sophia Kelsey, Gretchen Yoli, Marrin Ludwig, Elisha Smith, Gabriela Potes, Emerson Brown, Sarah Shaffer, McKayla Colwell, and Max Leipham.
