## NEWS:

We finished our first full week of school! This week, club and class meetings were held (which will continue). On Wednesday, the PTSA met, and the Board of Education meeting was also held. All community members are encouraged to attend - they always occur on the second Wednesday. Looking ahead, we will be practicing our safety drills. Next week, we have Open House on Wednesday. An informational meeting will be held at 5:30, where community members will hear about a potential Capital Project in the district. At 6:00, Jr./Sr. High School teachers will be in the atrium to visit with parents and families, discussing their programs.
