Attendance Fact: The most important way you can impact your child's academic success is to make sure they attend school all day, every day. Please reach out if you would like assistance.

NEWS:

Welcome back! Before break, students in Ms. O'Connor-Sadler's art class worked on creating artwork related to fictional food businesses that they came up with (logo, illustrated menu, packaging). Then, students, faculty and parents were invited to judge the results. Some of the students made the food that their business would sell. Congratulations to our December Athletes of the Month, Sophia Speenburgh and Shawn Lyons. On Wednesday, the Girls' JV team won 23-18 and the Boys' JV team won 77-7 against Pine Plains. Looking for something to do in the evening? Our basketball games are open to any member of the community. Please check the schedule [here](#). As we finish the first semester, please continue to check in with your child and on the Parent Portal to monitor their progress.
