## NEWS:

This week, we were off on Monday and Tuesday. On Wednesday, students received academic awards and scholarships at our annual awards ceremony. Congratulations to all of our high achievers. Today, our music students are on their trip to Six Flags. Next week, we will have the Sports Banquet and the Science Symposium. Students from the middle and high school have been meeting once a week during Flex for rugby club, learning the rules and concepts of the sport while playing flag-rugby games outside. Students in Algebra II, as well as in all Regents courses, have been working hard to prepare for their exams. As a reminder, only students in grades 7-8 and those taking the Algebra I regents will be attending on Tuesday, 6/4. On 6/14, only those students who have a Regents exam will be attending.
