

### **Classroom Holiday Party:**

- Room Parents reach out to their teacher to determine if the teacher wishes to have a holiday party. If yes, schedule it.
- Ms. Scott has discouraged serving food. That said, there is an admin regulation that states food must be purchased (not homemade) and served after lunch.
- RPs can work “behind the scenes”, preparing for the party. But they cannot volunteer during the party.
- Volunteering must be outside of the classroom.
- RPs can zoom in to host a game or activity. Schedule with the teacher.
- Volunteering protocol same as before -- proof of covid vaccination (must be "fully" vaccinated), negative TB test, Mtn Ave volunteer agreement, PTA volunteer waiver form, in Raptor system, **notify Ms. Scott (and cc Ms. Davies) at least 48 hours before planned volunteering in person at school.**
