## Thanks for choosing AT&T!!

Sponsorship Program discounts: Monthly service discounts are available to qualified employees, students and other authorized individuals associated with eligible sponsoring organizations, such as companies and colleges/universities with a qualified business agreement ("Business Agreement"). Individuals must provide proof of eligibility (valid employee badge/student ID card, paystub or other approved validation method) and subscribe to service as Individual Responsibility Users (IRUs), taking personal liability for their accounts. Discounts are subject to the Business Agreement and may be interrupted, changed and/or discontinued without notice to you. A minimum number of employees, minimum monthly service charge for qualified plans, additional AT&T services or other requirements may apply for eligibility. Under some Business Agreements, the discount can vary monthly depending on your organization's aggregate volume of qualified charges. Discounts apply only to the monthly service charge of qualified plans (unless otherwise provided in your organization's Business Agreement). Discounts are not available with any unlimited voice plans. For Family Talk plans, discount will only apply to the primary line. For Mobile Share plans, discount applies only to the monthly service charge for the data allotment of eligible plans, not to the additional monthly device charge(s). Additional plan and other restrictions apply. Discounts may not be combined. Offer subject to change. If you have a question about available discounts and/or your eligibility, contact your organization's telecom manager or contact us at [att.com/getIRU](http://att.com/getIRU).
