

Elevate Your Smile

8 ways to make the most of your dental plan

1

Save with PPO.

Visit a dentist from the PPO¹ network to maximize your savings.² These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.³ Find a PPO dentist at deltadentalins.com.

2

Seek preventive care.

Regular exams and cleanings are available at low or no cost. These services help catch problems before they require costly and extensive treatment.

3

Set up an online account.

Get information about your plan anytime, anywhere by signing up for an Online Services account. Available once your coverage kicks in, this free service lets you find a network dentist, view or print your ID card and more. The one-time registration process takes only a minute.

4

Go paperless.

Receive an email when a new dental benefits statement is available. Save time, reduce clutter and preserve environmental resources. To enroll, log in to Online Services and update your settings.

Newly covered?

Visit deltadentalins.com/welcome

¹ In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

² You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist.

³ You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services. PPO dentists won't bill you for any amount over their PPO fees.

5 Try mobile.
Visit deltadentalins.com on your smartphone to access mobile-optimized Online Services on the go — including a helpful dentist locator tool. Or, download the Delta Dental app, available through the App Store or Google Play, to access your plan information and try out the handy toothbrush timer.

6 Coordinate benefits.
Are you covered under a second dental plan? Ask your dentist to include information about both plans with your claim, and we'll handle the rest.⁴

7 Talk to your dentist.
From pregnancy to diabetes, overall health can affect your dental health. Start each visit with a quick Ochat about any issues.

8 Stay informed.
Get tools and tips at our SmileWay® Wellness site (mysmileway.com). Don't forget to subscribe to *Grin!*, our free dental wellness e-magazine.
