## NEWS CONTINUED

### NEW FORMAT, NEW NAME

As you can see, since we've created a new format for Fremont's weekly newsletter we thought it was only appropriate to have a new name for our weekly communication.

Our newsletter's new name, Bear Necessities, may be borrowed from a great Disney classic song, yet it is a straight forward description of Fremont's newsletter contents. Within these pages is all of the necessary information you need to stay current with Fremont's events, programs and announcements that effect your child's school experience.

Best of all, you will be able to easily access the most recent Bear Necessities via Fremont's new website. It will have a page all its own, so no need to find it in your email or open via a webpage link.

### INTEGRATE FREMONT'S HAPPENINGS WITH YOUR DAILY ROUTINE

There are 2 easy ways to stay up to date with Fremont's happenings.

- 1.) Download the GUSD phone App and select to follow Fremont. Not only will you be able to easily see upcoming Fremont events, you will also have easy access to the latest announcements made on Fremont's website.
- 2.) Link Fremont's website calendar directly with your personal digital calendar. Any changes made on the website calendar will immediately be reflected on your own. [Simply click here](#) and follow the directions provided.

### REFRESHER ON MANAGING FREMONT COMMUNICATION

Just in case it still isn't clear...

All school-wide communication will be sent via the contact information from Parent Connection. This is the information you inputted upon registering your child(ren) for school. You may change your Parent Connection information at [parent.gusd.net](http://parent.gusd.net).

[Click here](#) for Instructions on how to access and edit your Parent Connection information.
