MODEL UNITED NATIONS

Bridging the Education Gap and Creating Global Citizens

Looking for an opportunity to discuss international issues, discover other cultures, develop life enhancing skills and make new friends for 6th-8th graders?

At Model UN, students step into the shoes of ambassadors of countries that are members of the UN, from Argentina to Zimbabwe. The students, better known as “delegates”, debate current issues on the organization’s vast agenda. This four-month program culminates when participants from across California meet at the Y’s 17th Annual Model United Nations Summit.

Model UN not only involves young people in the study and discussion of global issues, but also encourages the development of skills they’ll use in school and the workplace: research techniques, writing, public speaking, problem-solving, conflict resolution, compromise, and cooperation.

Registration is now open!

Meetings begin January 10th, 2018 every Tuesday
At Rosemont Middle School

Training Conference March 23rd-25th, 2018
At California Army National Guard Camp Roberts

Model United Nations Summit April 26th-29th, 2018
At the Sheraton Gateway LAX Hotel and Hyatt Regency LAX
