MODEL UNITED NATIONS

Bridging the Education Gap and Creating Global Citizens

Looking for an opportunity to discuss international issues, discover other cultures, develop life enhancing skills and make new friends for 6th–8th graders?

At Model UN, students step into the shoes of ambassadors of countries that are members of the UN, from Argentina to Zimbabwe. The students, better known as “delegates”, debate current issues on the organization’s vast agenda. This four-month program culminates when participants from across California meet at the Y’s 17th Annual Model United Nations Summit.

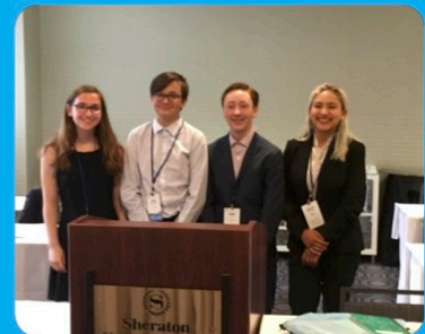

Model UN not only involves young people in the study and discussion of global issues, but also encourages the development of skills they’ll use in school and the workplace: research techniques, writing, public speaking, problem-solving, conflict resolution, compromise, and cooperation.

JUNIOR DIVAS VOICE CLASS!

Do you LOVE to perform and want to learn more solo music and group numbers from the American Musical Theatre Song Book? Junior Divas might be for you!

Junior Divas Spring Term: January 23 - May 15, 2018

Tuesday nights from 7:00pm - 7:50pm. (No class March 20th in observance of Spring Break.) \$240 for 16 weeks includes all materials and supplies, finale performance on Sunday, May 20th and one half hour voice lesson a month!

Our Divas get exposure to a broad range of repertoire through weekly classes, monthly lessons, performances, rehearsals and more! Students come once a week to learn the music together, then sing in solo, duet or trio for each other while their peers watch. They work from sheet music and work with accompaniment for optimal practice abilities. The Junior Divas have also composed monologues, prepared scenes, set moves and choreography and performed one song in a group, duet or trio with solo work in the piece. This reinforces listening to other musicians as well as the accompaniment.

WE ALSO OFFER PRIVATE VOICE LESSONS!
