(9th) English 9 Advanced Course Overview:

“This class integrates writing, reading, vocabulary development, research skills, listening, speaking, and technology application to help you prepare for life outside of high school. This year we will read and discuss a variety of genres and topics of human nature and identity in order to develop communication and analytical skills. By using these skills, we will be preparing students to meet college and career level expectations. This course is designed to prepare you for the pace and rigor of the honors and AP pathway in English at CVHS. Please come with a willingness to learn and rise to the challenges.” - CVHS English Department

**In a student survey, 69% of students reported that the average time spent on homework or studying outside of the classroom for English 9 Advanced is 1-3 hours per week and 31% of students reported an average time of 4+ hours per week.

(Both student and parent must read and initial each statement.)

____/____ We understand AP courses are college level classes and that all AP, Honors, and Accelerated courses are rigorous and taught at an extremely fast pace.

____/____ We understand that AP, Honors, and Accelerated courses should not be taken to try to improve my/my student's GPA and that these courses require maturity, commitment, and perseverance.
