

## Toll 8th Grade / Hoover HS 9th '22-23 Music Registration

Greetings Incoming Hoover Students,

Next Fall you have the distinct opportunity to join the award-winning Hoover Instrumental Music program. This year our students have traveled across southern California to perform and compete, winning numerous awards. Our Hoover Tornado Marching Band won 3rd place at the California State Band Championships, the Principal's Own Concert Band achieved straight superiors at the GUSD festival and will travel to Cerritos for the John F. Kennedy festival, and the Hoover Winter Guard and Winter Line programs are actively competing in their seasons. This Spring we have numerous more trips planned for the concert band, indoor groups, jazz band, and orchestra including Knott's Berry Farms. Next year, we will be traveling out of state! *We have a 7-period schedule at Hoover, and marching band is zero period, so you are expected to enroll in 2 music classes. This allows room for other electives that you might be interested in.* Marching Band accounts for your PE credits (!!!) in addition to arts credits. We are thrilled to welcome you to the Hoover Instrumental Music family.

Woodwind and Brass Students Register for:

- 1) **Band A 1-6, Band B 1-6** (0 Period) - Beginners are welcome and encouraged!
