

Time to Apply for FLAG Japanese Kindergarten 2018-2019

Dear Parents,

September 2017

Although the 2018-2019 school year seems far off, it's time for our staff to start gathering information about the number of siblings who will be applying for kindergarten next year. According to the FLAG program application process, siblings of students who remain enrolled at _____ for the 2018-2019 school year will receive priority in the random selection process, but a complete program application **must be submitted** for that incoming sibling.

All incoming kindergartners who meet the state age eligibility requirement, **5 years old by Sept. 1, 2018**, may apply for program enrollment for the 2018-2019 school year.

To complete the 2018-2019 **Program Kindergarten Application Process** for your age-eligible child you **MUST**:

1. Fill out the bottom portion of this form and return it to the school main office.
2. Complete an **Online Application***, available online at www.gusdmagnetandflag.com starting November 1, 2017 through January 31, 2018.

*The school is available to provide additional assistance if you need support completing the online application.
