

Join the HILLTOPPER HEROES!

Donate to DESF and help us raise
\$20,000 for Dunsmore!

Dunsmore Elementary School Foundation (DESF)

is a parent, teacher, and staff nonprofit organization that **promotes quality education for Dunsmore students**. Together, we raise funds to subsidize programs, enrichment activities, staff support, and equipment needs that are **not funded by our district**. The ongoing California budget crisis has forced numerous cuts to public education, resulting in class size increases and the elimination or downsizing of many jobs and programs. DESF works to bridge the gap created by these cuts by ensuring students receive the resources they need to achieve academic excellence and thrive.

Each year, we ask Dunsmore parents to become **"Hilltopper Heroes"** by making an **annual contribution** to help us reach our goal. DESF funding supports physical education, music, Chromebooks, arts and crafts, Accelerated Reader, science curriculum, and other special programs that enhance the educational experience at Dunsmore. This year's focus will be campus improvement efforts to provide more grass, shade, and play stations for our kids.

A donation of **\$90 per child** (just 50 cents a day!) entitles your family to a
2017-2018 HILLTOPPER HERO YARD SIGN
so you can proudly display your support for quality public education!

Join the Hilltopper Heroes today and help DESF provide vital support that **benefits every child in our school**.

Any amount helps, so please give what you can. Your donation is 100% tax deductible.
