Hispanic/Latino Heritage Month: "Don't build a wall around your suffering. It may devour you from the inside."

~**Frida Kahlo**, considered one of Mexico's best artists. At a young age, she caught polio and it gave her many problems in life. In 1922, she had a tragic accident that caused her to stay in the hospital for a very long time. She tried to kill time by painting and she finished her self portrait in a year. She started from there and became one of the best artists.
