

Citizenship

We take our citizenship very seriously at Toll. There are a variety of ways to earn an "O" as well as ways to earn a "U". If you take a look in your Binder Reminder you will see that there is a citizenship rubric that shows you how to earn a specific grade. Some of the most important information to know is about your punctuality to P.E. If you are late more than three times to P.E. in one grading period (which is five weeks) or more than ten times in one semester, you will earn a "U" in citizenship. Some other ways you will lower your citizenship grade are: inappropriate behavior during class, talking too much, poor behavior in the locker room, unsafe use of equipment, and any disrespect towards staff. Remember our tenets, that we want to be respectful, provide service, and keep our areas clean.
