

Locks and Locker room

Both locker rooms have brand new lockers this year and our intention is to keep them in outstanding condition. We do our best to make sure every student has a locker that is accessible and in working order.

Lockers

1. Every student will be issued one locker and the combination that goes with that locker. No locks are required for these new lockers.
2. Do not share your combination with other students. This is how items go missing.
3. Do not leave any items out of your locker during P.E. class.
4. When you close your locker, please spin the dial a couple times to make sure it is closed.
5. Do not share lockers! If you are having a problem with your locker or your combination please see a P.E. teacher and we will help you.

Locker room

1. Backpacks are not allowed in the P.E. locker room, please leave them in your hallway locker.
2. No aerosol cans are allowed. This includes hairspray, spray deodorant, body spray, or any Axe type products.
3. No glass containers are allowed in the locker room or to be stored in your lockers.
4. Be on your best behavior. We understand that there might be a couple other students near you changing, but please try to keep your items and hands to yourself.
5. Walk when you enter and exit the locker room. Walk when you are inside the locker room.
6. Do not throw any items inside the locker room. Anyone caught throwing anything will be punished.
7. Never write on the lockers or in the locker room. Since everything is brand new this year we want to keep it as clean as possible and I am sure you do too.
8. If you bring your own athletic equipment it should be able to fit inside the lockers as they are larger than they have been in the past. If it does not, please place it inside the P.E. office. The P.E. staff is not responsible for any equipment left in their office.
9. Please write your name on any valuable item, and that includes your own personal athletic equipment.

Restrooms

1. Shut off the water after washing your hands.
2. Do not waste paper towels or toilet paper.
3. Please put all trash into the trash cans.
4. Always flush the toilet after using it.
