

# College & Career Division

Glendale Unified School District

## Introducing the College & Career Division of GUSD

The College & Career Division will provide you with information regarding colleges, universities, trade schools, financial aid, and career exploration resources. The Career & Technical Education website will allow you to discover CTE pathways offered at your school and enroll in after-school classes. Find information on our partnerships with Glendale Community College including Dual Enrollment and the Early College Academy with application details.

The College and Career Division homepage includes a calendar of upcoming College Representative visits for students to register and join.

Visit [gusd.net/collegecareer](https://gusd.net/collegecareer) for more information.

**Save the Date**  
**Virtual GUSD College & Career Fair**  
**October 14th, 2020**  
**4-6pm**

## Virtual Events with Colleges/Universities & Career Reps

Stay connected and meet with College/University and Career Representatives while receiving information regarding Applications, Financial Aid, and prospective student resources to all of your favorite schools!

## Career Technical Education

CTE Pathways provide the opportunity for students to gain the knowledge, skills, experience, and attitude to succeed in post-secondary careers and college.

## Early College Academy

Students who participate in the ECA can complete up to two years of college for FREE before graduating from high school!

## Dual Enrollment

Dual Enrollment is an early college enrollment opportunity allowing you to take college classes at your high school!

## Financial Aid

Keep track of FAFSA Deadlines, explore available scholarships, understand available student loans, and utilize COVID 19 Financial Resources.

## College & Post-Secondary Readiness

Explore UC/CSU and Community Colleges, see Graduation Requirements & Articulated Courses, find SAT/PSAT/ACT Information, and access Financial Aid information.

## Career Readiness

Discover various Career Exploration tools including Xello Career Exploration for Middle & High School students, view information on Vocational Schools and Apprenticeships, and strengthen your resume with writing tips.
