Parent and/or Teacher Date: *12/10/71*

Rose is making fine academic progress. She is quite capable of assuming responsibility. She is very helpful to me in the classroom.

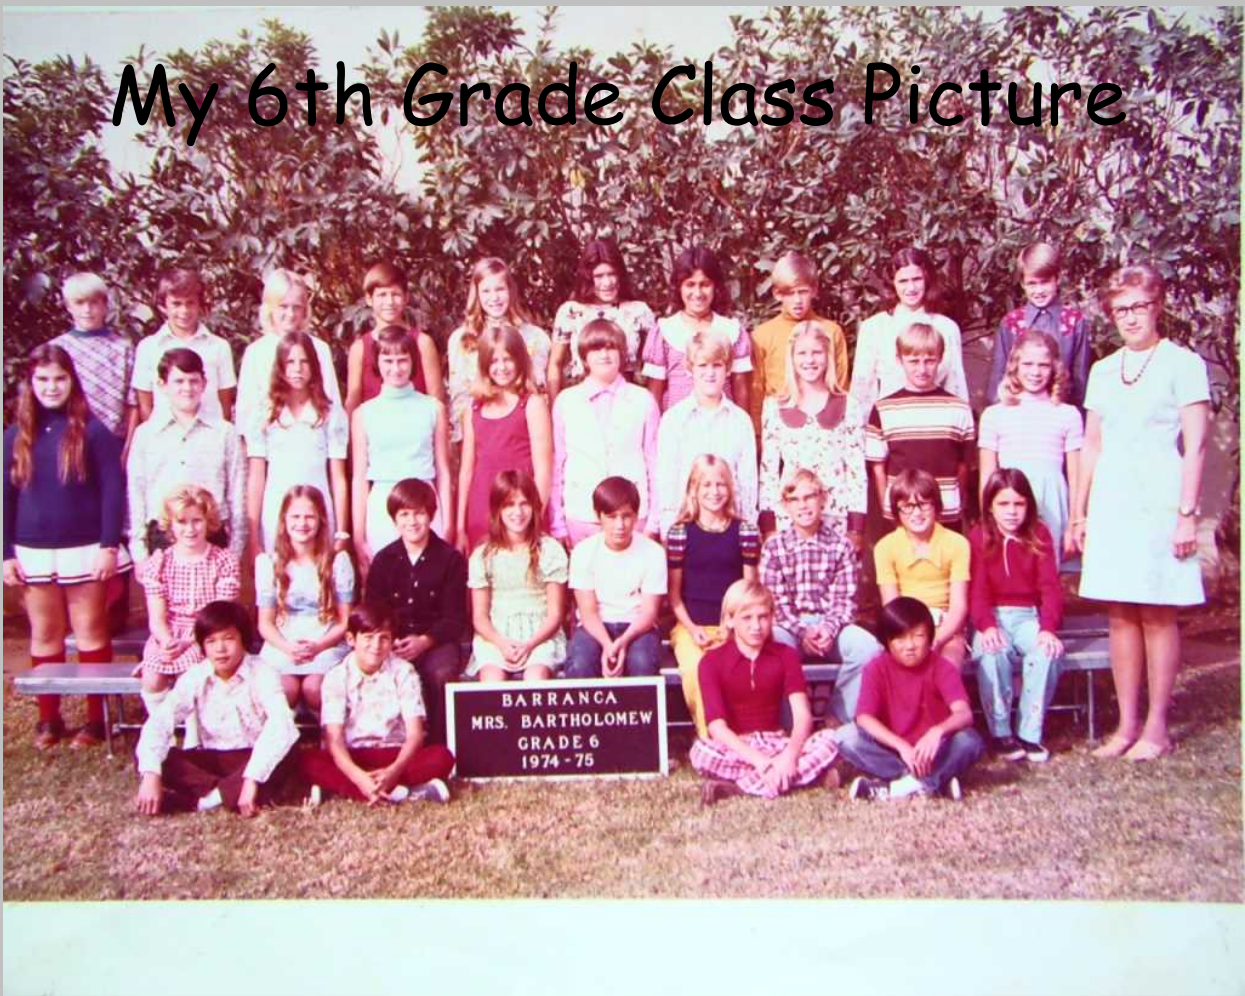

We are very proud of our Rose!

3-16-72
Rose has become rather careless about completing assignments. She has been particularly careless in Math.

6-13-72
I have enjoyed working with Rose this year. In fact, I would have loved to have a whole classroom of Roses!
