# School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <u>https://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

# A. Conditions of Learning

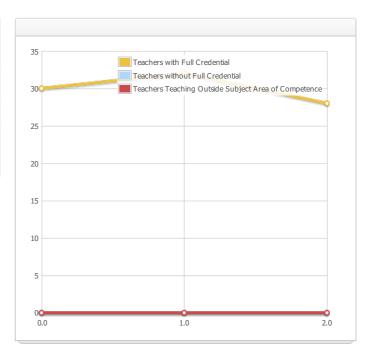

# **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### **Teacher Credentials**

### **School Facility Conditions and Planned Improvements**

Franklin was originally built in 1927 and went through modernization in early 2000. A new 16-classroom building was added in 2016 to replace bungalows. The school is maintained regularly. Work orders are submitted to the district for any problems. Restrooms are cleaned daily and spot checked for cleaning throughout the day. The school's foundation wrote and was awarded a million-dollar Urban Greening Grant which was completed in 2017.

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAS] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	74.0%	79.0%	63.0%	64.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	53.0%	61.0%	53.0%	55.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Students with Disabilities	39	35	89.74%	10.26%	37.14%
Students Receiving Migrant Education Services					
Foster Youth					
Homeless					

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### **Opportunities for Parental Involvement (School Year 2019–20)**

Parents are offered many opportunities to get involved at Franklin Magnet School which include the Parent Teacher Association (PTA), Benjamin Franklin Elementary Foundation (BFEF), School Site council (SSC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), and Gifted and Talented Education (GATE). Parents are encouraged to attend parent-teacher conferences, Parent Education Nights, Coffees with the Principal, PTA and Foundation sponsored events, Back-to-School Night, and Open House. Parents assist with field trips and school activities. Parents may also support teachers in the classrooms, and they can be host families for Franklin's international interns.

### School Safety Plan (School Year 2019-20)

The school Safety Plan is reviewed, revised and approved annually by the School Site Council. The safety team shares the plan with the staff. The teachers share key information with their classes and practice for different scenarios. The Site Team meets several times during the year to address safety concerns. The custodian inspects school grounds on a daily basis and immediately reports problems to the principal. The school emergency plan shared with the Glendale Police and Fire Departments. Police and fire units responding to any incident at Franklin will have immediate information, such as site maps, evacuation plans, and hazards available to them through this system. The school staff has been trained and has developed an Incident Command System for handling any type of disaster or emergency. Depending on the size and scope of an emergency, the school activates teams to conduct search and rescue, triage, supervision, and/or reunification of parents and students. Each month the school conducts an emergency drill (earthquake, fire and lockdown). In addition, a security camera system provides additional safety/security on campus.

### Types of Services Funded (Fiscal Year 2018–19)

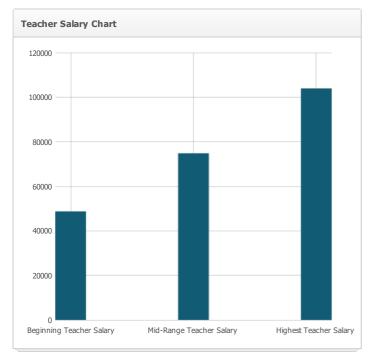

A combination of state and federal funding is used to cover all aspects of our instructional program. Strong PTA and school foundation support is evident in many of the schools' supplemental activities like gardening, music/drama, and the international Intern program. All Glendale Unified schools benefit from the support of the Glendale Educational Foundation, which offers enhanced programs in visual and performing arts, science technology, and health and fitness. The PTA supports the student body by providing assemblies and activities during Red and Yellow Ribbon Weeks.

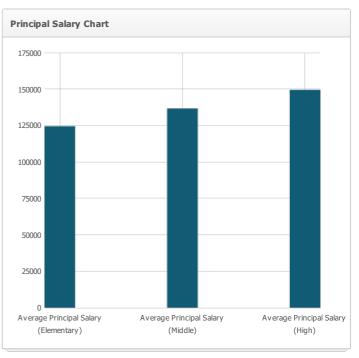

Franklin Magnet School was awarded a three-year federal magnet grant for the 2010-2011 school year. The funding from this grant was used to expand the German, Italian, French, and Spanish immersion programs, develop and purchase curriculum and assessments in German, French, and Italian.
