

# August Family Project

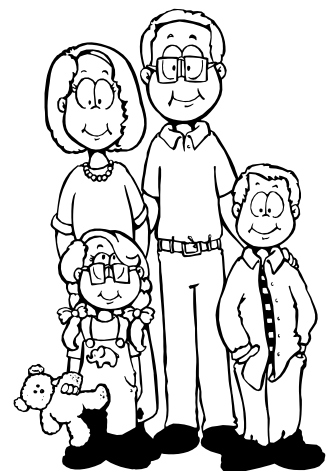

*Dear Families,*

*In our classroom, we talk about our school family and our home families. Home families are the people who care for us and keep us safe at home (they can include critters too!) Our school family is the people who care for us and keep us safe at school. Attached is paper for your home family album. Please use the pages to add photographs or drawings of your family. You can add your own stickers, decorations, and/or blurbs to each page. Each child will have the opportunity to share his or her album. Please also include a few sentences about what makes your family so special.*

*Please return your album pages anytime before the end of the month. Please write everyone's name on the back that worked on the project for all attached sheets.*

*Thanks for your help and happy albuming!*

*Ms. Hartonian*
