

December Family Project

It's that time of year again where we say goodbye to the old year and move forward with the New Year. It is during this time that we all have family traditions and celebrations that we share with our families.

We are thrilled about our winter family project! Attached you will find a tree to decorate any way you would like. You may add ornaments, family pictures, glitter, and other creative items to make your tree unique. Please feel free to incorporate your family traditions and celebrations into your decoration of the tree. As you decorate the tree talk about your family traditions growing up that you now share with your children. Help your child write a few sentences about your special family tradition or celebration.

Please return the finished project before we go off to winter break. Please write everyone's name on the back that worked on the project for all attached sheets.
