

Dear Parents,

It is important to read every night with your child. You can read the books we send from school or books you have at home. Don't be afraid to read the same book more than once. The optimal amount of time for our students to read is 10-15 minutes every night. Please return the log sheet to school, signed and dated, in the homework folder each Friday. At the end of the month, the student will receive a sticker on his/her homework folder.
