September Famíly Project

Dear Famílíes,

In our classroom, we have been learning about the importance of celebrating Labor Day. We have discussed that many jobs require labor work and therefore, those individuals deserve recognition for their hard work. We have talked about what they want to be when they grow up and how they can achieve that goal. They know that they need to continue their education and go on to college to be able to do any of the jobs they hope for in the future. Please decorate the paper doll with the appropriate attire for the job the student has chosen to do in the future. You may use any means to decorate, color and design the paper doll.

Please return this project anytime before the end of the month. Please write everyone's name on the back that worked on the project for all attached sheets.

Thanks for your help! Ms. Hartonían

When I grow up I want to be a...

How to create your paper doll:

- 1. Color the doll and a create a face.
- 2. Have a parent help cut the doll out.
- 3. Choose a uniform that you want to go on an adventure with first.
- Use your imagination and color the uniform the way you see it.
- Have a parent help cut out the finished outfit. Hint: be careful not to cut off the tabs that will help you attach the uniform to the doll.
- Attach the clothes by folding the tabs toward the back of the doll.
- 7. Have fun!
