

Time to Apply for FLAG Kindergarten 2019-2020

September 27, 2018
Dear Parents,

Although the 2019-2020 school year seems far off, it's time for our staff to start gathering information about the number of siblings who will be applying for Kindergarten next year. According to the FLAG program application process, siblings of students who remain enrolled at Thomas Jefferson School for the 2019-2020 school year will receive priority in the random selection process, **but a complete online program application must be submitted on time** for the incoming sibling.

All incoming Kindergartners who meet the state age eligibility requirement, 5 years old by Sept. 1, 2019, may apply for program enrollment for the 2019-2020 school year.

To complete the 2019-2020 Program Kindergarten Application Process for your age-eligible child, you **MUST**:

Fill out the bottom portion of this form and return it to the school main office.

Complete an Online Application*, available online at www.gusdmagnetandflag.com starting **November 1, 2018 through January 31, 2019.**

*The school is available to provide additional assistance if you need support completing the online application.
