MONTE VISTA ELEMENTARY SCHOOL
School Accountability Report Card

Reported Using Data from the 2011–12 School Year

Published During 2012–13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2011–12)

Ensure that all students succeed academically and socially, acquiring the ability to expand and utilize knowledge through coordinated curricula, varied teaching strategies, application of advanced technology, and multicultural appreciation within a dynamic, diverse community where parents, staff, and students share high expectations for excellence.

Opportunities for Parental Involvement (School Year 2011–12)

Parents, relatives, and community members form a strong volunteer corps organized by our PTA. Over 1,000 volunteer hours are logged in each month. Volunteers assist in classrooms, provide one-on-one tutoring, drive and/or accompany student on field trips, read aloud to classes, and prepare classroom materials. Volunteers bring many skills and abilities to Monte Vista. Each June our school staff organizes an elaborate volunteer breakfast to honor our many volunteers.

The Monte Vista PTA is a large, active organization. Regular association, board, and committee meetings are held throughout the year. Another major site organization is our Foundation. This group of parents and staff fund-raise to benefit the students and enhance the overall school program. There is a major fall campaign and several smaller fund-raisers scheduled during the year. Typically, about $50,000 is raised during the year. Annual grants provide for increased staff for our media center and library, a musical theater program, living history assemblies, a primary music program, and individual classroom grants. At the end of the 2011-2012 school year, it was voted to merge the Monte Vista PTA and Foundation.

III. School Climate

School Safety Plan (School Year 2011–12)

Safety of students and staff is a primary concern of Monte Vista Elementary School. Parent volunteers, noon year supervisors, teachers, and our administrator supervise students at breaks, lunch, and before and after school. All visitors to campus must report to the front office, sign in, and obtain a visitor's pass which must be displayed at all times.

Safety information, rules, procedures, etc. are disseminated to students, parents, and staff members in a variety of ways and formats including a district behavior packet, school rules and information as primary packets or in upper grade agendas, PTA handbook, assemblies, parent meetings, automated phone messages, and our Web site postings. The School Safety Plan is evaluated and revised annually by members of the Site Safety Committee and then shared with staff and the School Site Council. The Emergency Plan is also updated annually and emergency supplies checked. The PTA has strengthened this process by helping to inventory emergency bin items. PTA funds, district resources, and donations filled in needed items. Our PTA also sells individual emergency kits at cost in the fall.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and earthquake drills are conducted on a regular basis throughout the school year.

Suspensions and Expulsions

Rate*	School 2009–10	School 2010–11	School 2011–12	District 2009–10	District 2010–11	District 2011–12
Suspensions	0	2	1	24	6	6
Expulsions	0	0	0	0	0	0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2012–13)

Originally constructed in 1948, Monte Vista Elementary is situated on 7.09 acres and has 25 classrooms, a library/media/computer center, a cafetorium, a lunch shelter, grassy fields, a blacktop playground, and administrative offices. Measure K funding made it possible for Monte Vista Elementary to add accessible paths of travel throughout the campus and to renovate all rest rooms, classrooms, administrative areas, and the library/computer lab. The buildings and campus are part of the excellence that is Monte Vista. Beautiful plantings and a small park add to the welcoming atmosphere. In the fall of 2010 backpack racks were installed outside of classrooms, funded by our PTA and Foundation. During the 2011-2012 school year, Smart Boards, interactive white boards, were installed in all classrooms.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011–12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: http://www.cde.ca.gov/nclb/sr/tq/

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers
This School	100.00%	0.00%
All Schools in District	99.45%	0.55%
High-Poverty Schools in District	99.77%	0.23%
Low-Poverty Schools in District	98.69%	1.31%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Note: Cells shaded in black do not require data.

2011-2012 School Accountability Report Card for Monte Vista Elementary School

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. ***Basic/unrestricted*** expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the *CDE Current Expense of Education & Per-pupil Spending* Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE *Certificated Salaries & Benefits* Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.

Types of Services Funded (Fiscal Year 2011–12)

A combination of state and federal funding is used to cover all aspects of our instructional program. The school site council provides annual guidance for this funding. Combined funding with our foundation supports personnel for our library and media(computer) center. Strong PTA and school foundation support is also evident in many of our schools' supplemental activities. Grants and funds for specific purposes are also utilized. Monte Vista provides a variety of enrichment and GATE programs. Gifted And Talented Education students receive differentiated instruction in the classroom. In addition, there is an array of GATE afterschool classes throughout the year. Classes have included topics such as human body/science, tangrams/math, and robotics. Math Club meets during lunchtime for a portion of the year. All Glendale Unified schools benefit from the support of the Glendale Educational Foundation, which offers enhanced programs in visual and performing arts, Science and technology, and health and fitness.

Teacher and Administrative Salaries (Fiscal Year 2010–11)

Note: For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/.

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.

- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at http://star.cde.ca.gov.

California Physical Fitness Test Results (School Year 2011–12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE *PFT* Web page at http://www.cde.ca.gov/ta/tg/pf/.

Grade Level	Percent of Students Meeting Fitness Standards

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page at* http://www.cde.ca.gov/ta/ac/ap/.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The ***statewide API rank*** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The ***similar schools API rank*** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	10	10	10
Similar Schools	6	7	8

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change 2009–10	Actual API Change 2010–11	Actual API Change 2011–12

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE *AYP Web page at* http://www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Overall and by Criteria (School Year 2011–12)

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate - English-Language Arts	Yes	Yes
Met Participation Rate - Mathematics	Yes	Yes
Met Percent Proficient - English-Language Arts	Yes	No
Met Percent Proficient - Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate	N/A	No

Federal Intervention Program (School Year 2012–13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web* page: http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
