About This School

At Mountain Avenue we continue our tradition of providing excellent academic instruction with an added emphasis on the arts and technology. Our rigorous academic program is balanced with expectations that promote respect, cooperation, courtesy, and acceptance of others. In addition to the regular classroom instruction, we have specialized instructors that provide music (primary music instruction is for all Kinder-3rd grade students and, in grades four to six, students can opt to participate in Instrumental Music). Classrooms visit the library and computer lab once a week. Science Lab and Art is taught throughout the year. We recognize one exemplary student from each class at our weekly Flag Ceremony, a celebration that brings parents, staff, and student together.
