VERDUGO WOODLANDS ELEMENTARY SCHOOL School Accountability Report Card

Reported Using Data from the 2011–12 School Year

Published During 2012–13

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <u>http://www.cde.ca.gov/ta/ac/sa/</u>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <u>http://dq.cde.ca.gov/dataquest/</u> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2011–12)

Verdugo Woodlands Elementary School, a dynamic, diverse and safe community-based learning environment, ensures the development of academically and socially successful individuals by implementing effective programs which promote academic achievement, understanding, and respect among students, staff, family, and community.

Opportunities for Parental Involvement (School Year 2011–12)

Verdugo Woodlands has a very involved parent community. Parents are welcome to volunteer in all classrooms every day. Every classroom has a parent representative that coordinates the individual classroom parent volunteer schedule. Parents participate in all field trips as chaperones to help support the teachers and ensure student safety. Our PTA is an active group of parent volunteers that meet monthly under the direction of the PTA president. Throughout the year different sub-committees of our PTA meet to plan special activities for our school community including our Fall Festival, the Howdy Coffee for new parents, Arts and Technology programs, the Father-Daughter Valentine's Day Dance, the Mother-Son Dinner, Sixth-Grade Activities, and our annual Putting on the Ritz for the Arts gala fund-raising dinner-dance.

Verdugo Woodlands also has an active Foundation, Woodlanders Are Volunteers for Education (WAVE) that is guided by the leadership of parent volunteers. WAVE raises funds to pay for additional support staff including our librarian and our care counselor. WAVE has also raised funds to purchase additional playground equipment, sun-shade canopy for the playground, indoor and outdoor furniture, supplemental student intervention support resources, and new computers and technology equipment for classrooms and our computer lab.

III. School Climate

School Safety Plan (School Year 2011–12)

The safety of all Verdugo Woodlands students is a priority at our school. The campus is secured daily at the beginning of the instructional day. In 2007 the district installed automatic locking security doors at our main entrance. All visitors to our campus now must be "bussed-in" to our main lobby area. Visitors are required to sign in at the office and wear a visitor's pass. Our Safety Plan is reviewed and revised annually, as needed, with all staff and by our School Site Council.

Each month all students and staff participate in an emergency drill. This may be a fire drill, earthquake drill, or a lockdown drill. Throughout the year, staff members participate in mock safety drills that may include a "walk-around" drill to become familiar with our safety equipment and emergency assignments and "mock-safety" drills when students are present on campus. The PTA and Foundation (W.A.V.E.) have provided funding to purchase new emergency walkie-talkie radios for our campus. The PTA completes an annual review of all classroom emergency backpacks and replenishes the safety supplies.

Suspensions and Expulsions

Suspensions	1	0	2	24	6	6
Expulsions	0	0	0	0	0	0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2012–13)

Verdugo Woodlands was established in 1926 and in 2006 we celebrated our 80th anniversary. Over time, much of the original structure has been modified and modernized. In 2002-2003 our school was modernized with funds from the Measure K bond. All restrooms have been modernized. Our campus, including classrooms, is kept clean and safe for all student and staff by our outstanding custodial team. Over the past few years, our PTA and Foundation (W.A.V.E.) have collaborated on various beautification projects around our campus including a garden, a mosaic fountain for our main lobby, and a mosaic wall mural above the garden. Thanks to the recent passage of Glendale's Measure S bond, Verdugo Woodlands is currently in the planning stages for additional facility and infrastructure upgrades including a new two-story classroom facility and upgraded technology resources.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2011–12)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: <u>http://www.cde.ca.gov/nclb/sr/tq/</u>

Location of Classes	Percent of Classes In Core Academic Subjects Taught by Highly Qualified Teachers	Percent of Classes In Core Academic Subjects Not Taught by Highly Qualified Teachers

All Schools in District	99.45%	0.55%
High-Poverty Schools in District	99.77%	0.23%
Low-Poverty Schools in District	98.69%	1.31%

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

VI. Support Staff

Note: Cells shaded in black do not require data.

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012–13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: November 2012

Core Curriculum Area	Textbooks and instructional materials/year of adoption	From most recent adoption?	Percent students lacking own assigned copy
Reading/Language Arts	Houghton Mifflin-Reading- California/2003 McDougall Littell-The Language of Literature/2003	Yes	0%

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010–11)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$4,914	\$869	\$4,044	\$71,679
District			\$4,101	\$70,145
Percent Difference – School Site and District			-1%	2%
State			\$5,455	\$68,835
Percent Difference – School Site and State			-26%	4%

Note: Cells shaded in black do not require data.

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. **Basic/unrestricted** expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the *CDE Current Expense of Education & Per-pupil Spending* Web page at <u>http://www.cde.ca.gov/ds/fd/ec/</u>. For information on teacher salaries for all districts in California, see the CDE *Certificated Salaries & Benefits* Web page at <u>http://www.cde.ca.gov/ds/fd/cs/</u>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <u>http://www.eddata.org</u>.

Types of Services Funded (Fiscal Year 2011–12)

A combination of state and federal funding is used to cover all aspects of our instructional program. Strong PTA and school foundation support is evident in many of our schools' supplemental activities. All Glendale Unified schools benefit from the support of the Glendale Educational Foundation, which offers enhanced programs in visual and performing arts, science and technology, and health and fitness.

Category	District Amount	State Average For Districts In Same Category				
Beginning Teacher Salary	\$42,451	\$41,455

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at http://star.cde.ca.gov.

California Physical Fitness Test Results (School Year 2011–12)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE *PFT* Web page at <u>http://www.cde.ca.gov/ta/tg/pf/</u>.

Grade Level	Percent of Students Meeting Fitness Standards

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page at* <u>http://www.cde.ca.gov/ta/ac/ap/</u>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The *statewide API rank* ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The *similar schools API rank* reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2009	2010	2011
Statewide	10	10	10
Similar Schools	8	10	10

Academic Performance Index Growth by Student Group – Three-Year Comparison

Group	Actual API Change 2009–10	Actual API Change 2010–11	Actual API Change 2011–12

Socioeconomically Disadvantaged	39	5	7
English Learners	-3	30	15
Students with Disabilities			

Note: "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

Academic Performance Index Growth by Student Group – 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API at the school, LEA, and state level.

	2012 Growth API

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- · Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE AYP Web page at <u>http://www.cde.ca.gov/ta/ac/ay/</u>.

Adequate Yearly Progress Overall and by Criteria (School Year 2011–12)

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate - English-Language Arts	Yes	Yes
Met Participation Rate - Mathematics	Yes	Yes
Met Percent Proficient - English-Language Arts	Yes	No
Met Percent Proficient - Mathematics	Yes	No
Met API Criteria	Yes	Yes
Met Graduation Rate	N/A	No

Federal Intervention Program (School Year 2012–13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web* page: <u>http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp</u>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

3 school days are dedicated for staff development.
