## California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Facility Conditions and Planned Improvements - Most Recent Year

The main building housing the administrative offices, several classrooms, the computer lab, and staff work areas, was constructed in 1930. The annex building, which houses four classrooms, was completed during the 1940's. The auditorium and cafeteria areas were finished in the 1950's and the two-story building, containing 10 classrooms, was completed in the 1960's. Since 1980, we have added twelve additional bungalows to our campus. The facility underwent modernization in the period of 2004-2006.

There are four major playground areas on the campus. The "Tan Mat" area has two play structures that were finished in 2006. The Middle Terrace, which is primarily used by students in grades one through four, was resurfaced in the summer of 2007. Concurrently, the Glenoaks Elementary School Foundation funded the expansion of the grassy area on the Middle Terrace. The Upper Terrace is used primarily by students in grades five and six and our kindergarten students utilize the play structure in front of the kindergarten classrooms.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

#### California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

| Subject  | Percent of Students Meeting or Exceeding the State Standards |          |       |
|--|--|----------|-------|
|  | School   | District | State |
| English Language Arts / Literacy (grades 3-8 and 11) | 47.0%  | 58.0%    | 44.0% |
| Mathematics (grades 3-8 and 11)                      | 46.0%  | 49.0%    | 33.0% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes students that did not receive a score; however the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

- \* Level 1 = Standard not met
- Level 2 = Standard nearly met
- Level 3 = Standard met
- Level 4 = Standard exceeded

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement - Most Recent Year

We encourage parent involvement in all areas of the school program. Parents regularly volunteer in the classroom, library, and computer lab. Each classroom has at least one room captain who is the liaison between the classroom parents and the teacher planning the student activities. The PTA and Glenoaks Elementary School Foundation (GESF) are active in fund-raising activities to support the school. Our PTA supports our students' instructional programs in a variety of ways. Field trips, assemblies, library, and classroom supplies are just a few examples. GESF has had a focus on the arts the past year and fund a ceramics teacher to do projects with all students twice a year and a music teacher who works with all Kindergarten, 1st grade and SDC classes. GESF also provides funding for an outside agency to provide a physical education program for T/K through 3rd grade classes. The school, PTA and GESF work together to provide numerous activities outside of the school day that encourage parent participation.

## School Safety Plan - Most Recent Year

Safety is a top priority on our campus. We look to the physical well-being of our students, as well as their emotional and social well-being. For instance our full-time school psychologist provides counseling groups for students to develop skills to make friends as well as for strategies to self-manage behaviors.

Glenoaks is a closed campus. The campus is completely fenced and gates are locked each morning after the arrival of the students. The main office is the only entrance to the campus. All visitors must sign in and take a visitor's badge before gaining admission to the campus during the school day. School staff supervises students from the time of their arrival until their departure. Teachers supervise during morning recess, while noon duty assistants supervise the students during lunch time and after school. Students are not allowed on campus until 7:45 a.m., and unless they are engaged in an afterschool activity or program, they must be picked up 15 minutes after dismissal.

Our School Safety Plan is revised every year. Staff and parents participate in this process. Our students practice scheduled monthly drills (fire, earthquake, lockdown). Students understand expectations for behavior as they go through the appropriate practice steps. Students are encouraged to inform staff of major issues that occur on the playground. This information is dealt with immediately by the staff.

## Types of Services Funded (Fiscal Year 2014-15)

A combination of state and federal funding is used to cover all aspects of our instructional program. Strong PTA and Foundation support is evident in many of our schools' supplemental activities. All Glendale Unified schools benefit from the support of the Glendale Educational Foundation, which offers enhanced programs in visual and performing arts, science and technology, and health and fitness.

## Professional Development – Most Recent Three Years

The District-wide staff development has been focused on the implementation of the Common Core State Standards, adopted by the California Department of Education in 2010. In the past three years over 100 professional development opportunities have been available to teachers, and/or administrators to support the Common Core State Standard implementation.

Professional development has been delivered in various formats that include; Elementary grade-level trainings, Secondary content specific trainings, Staff and/or faculty meetings, Community/parent information meetings, Principal meetings, New Teacher Trainings, Teachers' Summer Academy workshops and Principal Summer Institutes.

Teacher Leaders were recruited to lead professional development efforts supporting the implementation of the new standards. Teachers have been supported through Grade-level and content-specific trainings by site based Teacher Leaders, Staff and/or faculty meetings, District-wide collaboration training days by grade-level or content area and Teachers' Summer Academy Workshops.
