

A special place where you can live life your way, *and* by doing so, benefit our community as a whole

THE Campbell Center

Empowering Adults With Developmental Disabilities

TCC is exploring the concept of creating a Neighborhood custom designed for Adults with Developmental Disabilities

A Sense of Community

We are envisioning a Pocket Neighborhood --- a group of small homes that surround a common area and centralized community amenities.

Our goal is to recognize the intersectionality of home life, work ambitions and community engagement and create an environment that helps each individual thrive.

Lots of Details to Consider

- ▶ Paying for rent and services
 - ▶ Separately or all together
 - ▶ Private pay, subsidized or combo
- ▶ All IDD or integrated
- ▶ What services to offer
- ▶ Staffing needs
- ▶ Amenities to include
