i-Ready Online Instruction will again be available for your students over the summer. Here is a quick list of details regarding at-home summer use to help your students get the most out of i-Ready:

### **What Will Be Accessible?**

Only Online Lessons will be available. No testing should occur during the summer months in an un-proctored environment. If your student has the option to start a test, please contact Richelle Bailon ([rbailon@gusd.net](mailto:rbailon@gusd.net) or 818-241-3111 x1273) to remove the test assignment. For instructional support over the summer, please contact Dr. Stepan Mekhitarian ([smekhitarian@gusd.net](mailto:smekhitarian@gusd.net) or 818-241-3111 x1557).

### **When Will We Have Access?**

Access to Online Instruction will be available until August 1, 2018, at which time the system will update to 2018-19 information. Students will not have access to instruction after this date until after they return to school in the fall.

In late July (exact dates TBA), i-Ready will be implementing a major update to its platform. During the deployment of the update, there may be periods where students cannot access i-Ready. This will typically be over a weekend timeframe. After the update, students should experience no disruption or changes to the student experience. However, teachers and administrators will see significant changes.

### **Technical Requirements**

To ensure that the device(s) that will be used at home is supported for use with i-Ready, please [Run system check](#) to ensure compatibility and please see the [System requirements](#) for supported devices, operating systems and browsers. Please contact Richelle Bailon ([rbailon@gusd.net](mailto:rbailon@gusd.net) or 818-241-3111 x1273) for technical issues.

### **How to Access**

Go to <https://login.i-ready.com/> and enter your username and password. The username is the student's 10-digit state ID number with "CA-" in front. For example, for ID number 1234567890, the username would be CA-1234567890. The password is the student's 6-digit local ID number. You can contact Richelle Bailon ([rbailon@gusd.net](mailto:rbailon@gusd.net) or 818-241-3111 x1273) for support logging in.
