Executive Summary

Superintendent's Message

As we embark on this new school year and return to in-person learning, we remain relentlessly committed to our Board of Education priorities to provide a rigorous and culturally relevant and responsive education for all children, support our students' social emotional growth, protect the health and safety of our students and employees, and foster a positive and inclusive culture of learning at each of our schools. This year, we are specifically focused on four key areas:

Academic acceleration – Students receive instruction aligned to grade level standards and additional support to ensure they understand underlying concepts in order to master new learning. Opportunities for one-on-one tutoring and personalized support are available for students at every grade level. Our middle and high schools are implementing a block schedule to allow deeper engagement in the content and more opportunities for teachers to target specific student needs.

Health and safety – Since the beginning of the pandemic, we have implemented robust health and safety measures across our district. We continuously update and refine our operations as new state and county public health guidance becomes available. We are pleased to partner with our local healthcare providers to offer opportunities for vaccination, and we continue to utilize strict protocols for testing, quarantine, isolation, contact tracing, notification, and testing in the event of a COVID-19 exposure.

Social emotional wellness – We are proud to offer new and improved mental health services for students and families, and increased professional development and social emotional support for our educators and staff. This includes one-on-one counseling, organized support groups, school-wide wellness campaigns, and training for stress management and positive school culture.

Equitable access to resources – We are committed to addressing the individual needs of all students, including students with special needs, English learners, foster/homeless youth, and historically under resourced and underrepresented student groups. We continue to provide learning technology and individualized support and services for students who need it. Additionally, this year we are pleased to offer free meals for every child and free before- and after-school care for every family.

We remain focused on elevating student voices, supporting our educators and staff, and partnering with our families and community to offer dynamic learning opportunities for every child. We are excelling together to prepare our youth for success in college, career, and life!

Sincerely,

A handwritten signature in cursive script that reads "Vivian Ekchian".

Vivian Ekchian, Ed. D.
Superintendent of Schools

Executive Summary

The following is a list of the District's Governing Board and first level administrative staff:

Board Members	
Jennifer Freemon	Term expires March 2024
Gregory S. Krikorian	Term expires March 2022
Armina Gharpetian	Term expires March 2022
Shant Sahakian	Term expires March 2022
Nayiri Nahabedian	Term expires March 2024

Administrative Staff	
Vivian Ekchian, Ed. D.	Superintendent
Kelly King, Ed. D.	Assistant Superintendent, Educational Services
Darneika Watson, Ed. D.	Chief Human Resources & Operations Officer
Stephen Dickinson	Chief Business & Financial Officer

Executive Summary

In Glendale Unified School District, we are excelling together to provide our youth with endless pathways for success! We focus on maximizing student achievement, fostering students' social and emotional growth and creating a vibrant, inclusive environment where all children can learn and thrive.

Glendale Unified School District serves residents of the city of Glendale, a small portion of the City of La Canada-Flintridge, and unincorporated Los Angeles County Communities of La Crescenta and Montrose with an approximate population of 200,000. The projected K-12 student enrollment for 2021-22 is 24,563. Glendale Unified School District is a diverse school district that welcomes students and families from all over the world. Our students come from a wide range of ethnic, cultural, and socio-economic backgrounds and speak more than 48 languages. On July 14, 2020, the GUSD Board of Education made a decision to start the 2020-21 school year with all students participating in an online distance learning model beginning on the first day of school, Wednesday, August 19, 2020. The District made the decision to provide on-campus childcare during the regular school day called "Technology Learning Pods" for elementary-age students with proper physical distancing. All the "Technology Learning Pods" were prepared with all the precautionary measures in place such as social distancing, providing personal protective equipment and supplies, and following all the guidelines from Los Angeles County Health Department. Whether students report to campus or stay at home, they all participated in the same online curriculum. On May 4, 2021, the Board of Education made a decision to start the 2021-22 school year, with students returning for in-person learning, full-time, 5 days a week, beginning with the first day of school on August 18, 2021. The District has provided an Independent Study program for students who are unable to return for in-person learning. The District will continue to follow all health and safety guidelines and will be prepared to pivot should the need arise. The District is also launching a new innovative Online College and Career Academy to provide students with more opportunities to earn college credit before they finish high school. "In Glendale Unified, we know that every child has different strengths and educational needs. We are committed to providing innovative pathways that enable each of our students to achieve their aspirational goals.," said Glendale Unified Board President, Shant Sahakian. GUSD has adopted the whole child approach that drives the work of the school district. In this effort, the District focuses its efforts on supporting:

- Evidence-based effective instruction
- Comprehensive social emotional learning
- College, career, and life readiness

GUSD strives to ensure that student outcomes reflect success for all students, where every student has access to high quality evidence based core instruction, and is supported through acceleration and intervention strategies based on needs identified through ongoing assessment and monitoring.

Executive Summary

GUSD's comprehensive social emotional learning is a collaborative effort between the District, schools, and the community, to establish a learning environment that is inclusive and culturally relevant and responsive. Through implementation of a multi-tiered systems of support, students learn and thrive academically and social emotionally.

GUSD's commitment to preparing students for college, career, and life readiness is evidenced in the programs offered to students, including the many CTE pathways, the partnership with institutions of higher education, and the dual enrollment opportunities.

The 2021-22 Adopted Budget is presented for the District's 20 elementary schools, 4 intermediate schools, 4 high schools, 1 continuation high school, and 5 specialized programs/sites. In addition, the budget summarizes the cost to provide the necessary services to support the District's school sites.

The 2021-22 Adopted Budget represents the continuation of District educational programs through the Governing Board's priorities. The District's budgeting process is centered on meeting those priorities which are:

- Maximize Student Achievement
- Foster a Positive Culture of Learning
- Ensure the Health and Safety of Students and Employees
- Maintain District Financial Responsibility

The budget is evaluated against the District's priorities and has the following objectives:

- Student Achievement
- Student Engagement
- Student College and Career Readiness
- Student Social, Emotional, and Physical Well Being
- Other Student Outcomes
- School Climate
- Parent Engagement
- Basic Services
- Course Access
- Implementation of State Standards
- Solvency and Financial Responsibility

GLENDALE UNIFIED SCHOOL DISTRICT BUDGET COMPOSITION

The budget process starts in January of each year with the Governor’s January budget proposal and continues through this adopted budget plan for the next fiscal year. Glendale Unified School District, like most districts in California, is dependent upon the State for much of its revenue each year. The District’s Adopted Budget revenue projection is developed based on the State May Revise Budget projections, along with the District’s student enrollment projection for the budget year.

The annual budget is a planning document which translates educational policy into sound instructional programs through the allocation of financial resources. This budget document reflects all expected revenues and planned expenditures for the fiscal year beginning July 1, 2021, and ending June 30, 2022.

Since budgets are rarely self-explanatory, this document contains narratives to explain public education’s unique funding structure, its numerous State restrictions, and current financial trends.

The District’s 2021-22 June budget adoption is considered a “Placeholder Budget” and is based on the information the State, School Services of California, and LACOE provided.

Due to COVID-19, there will be budget adjustments done to both revenue and expenditures for 2021-22.

The comprehensive 2021-22 Budget for the Glendale Unified School District is summarized as follows:

Fund Name	Total Budget (in millions)
Combined General Fund # 01.0	\$ 368.7
Unrestricted General Fund \$306.03m	
Restricted General Fund \$62.68m	
Special Education Pass-Through Fund #10.0	5.7
Child Development Fund - Fund #12.0	3.9
Nutrition Service Fund - Fund #13.0	11.3
Deferred Maintenance Fund - Fund #14.0	5.5
Post-Employment Benefits Fund - Fund # 20.0	-
Measure K Building Fund - Fund #21.0	-
Measure S Building Fund - Fund #21.1	92.4
Clean Renewable Energy Bond - Fund #21.2	0.07
Developer Fee Fund - Fund #25.0	12.0
Capital Projects Funds-County Schools Facilities Fund - Fund #35.0	0.006
Capital Projects Fund - Fund #40.1	21.3
Capital Projects Nutrition Services - Fund #40.2	1.0
Bond Interest & Redemption Fund (County Administered) - Fund #51.0	37.9
Debt Service Fund - Fund #56.0	87.5
Health & Welfare Fund - Fund #67.0	17.8
Workers Compensation Fund - Fund #67.1	7.6
Early Retirement Benefits Fund - Fund #67.2	3.5
McLennan & Other Scholarships Trust Fund - Fund #73.0	0.4
District’s 2021-22 Budget - All Funds	\$ 676.4

Total 2021-22 Budget By Fund (in millions)

GLENDALE UNIFIED SCHOOL DISTRICT BUDGET COMPOSITION

Monies are allocated to the District based upon several criteria. The State requires that various funds be established for the accounting of the revenues and expenditures. The type of fund is very important because it determines how the money may be spent. The following is a brief summary of the various types. The individual funds will be described in more detail, later in this document.

Unrestricted General Fund: This is the District's main operating fund and is relatively free from State restrictions.

Restricted General Fund: This fund must be used to account for a number of specially funded programs within the parameters established by the State and Federal Government. The largest program is Special Education.

Student Activity Special Revenue (ASB) Fund: This fund #08.0 is a new fund for the sole purpose of accounting for the Associated Student Body (ASB) funds. The Governmental Accounting Standard Board Statement No. 84 (GASB84) was established to improve identification of fiduciary activity reporting by state and local governments since CDE has concluded that ASB activities are not fiduciary because they do not appear to meet the criteria established by GASB84, and therefore need to be included in the District's financials.

Special Education Pass-through Fund: This fund #10.0 is for the sole purpose of accounting for the pass-through of SELPA revenue from Glendale as the administrative unit to Burbank USD and La Canada USD.

Child Development Fund: This fund #12.0 is for the sole purpose of accounting for the before and after school childcare and preschool programs.

Nutrition Services Fund: This fund #13.0 is used solely for the accounting of the Nutrition Services Program, which provides student lunches at District campuses.

Facility/Maintenance Funds: The District has six funds which are restricted to various forms of facility construction and maintenance. They are the Deferred Maintenance Fund #14.0, the Measure S Fund #21.1 which accounts for general obligation bond proceeds, Clean Renewable Energy Bonds (CREBS) Fund #21.2, the Developer Fee Fund #25.0, the Capital Projects Fund #40.1 and Capital Projects Nutrition Services Fund #40.2.

State School Building Funds: All construction funding received from the State is deposited into Capital Projects Fund #35.0. This would be for new construction, modernization, and special capital projects.

GLENDALE UNIFIED SCHOOL DISTRICT BUDGET COMPOSITION

Retiree Health Benefit Funds: Federal and State guidelines (GASB 75) recommend that the District pre-fund retiree benefits to help insure financial solvency and the continuance of the retirement program. Early Retirement Benefits Fund #67.2 is for that purpose and for the payment of insurance premiums for current retirees.

Bond Interest & Redemption Fund: This fund #51.0 is managed by the Los Angeles County Auditor's office and is used to process the repayment of the general obligation bonds and the related property tax collections.

Debt Service Fund: This fund #56.0 was established to repay the Certificates of Participation (COP). However, with the passage of Measure S, this reserve will now be utilized by the District to support the Unrestricted General Fund and potentially provide funding for the District's future textbook adoptions.

Self-Insured Health Insurance Fund: There are three self-insurance funds as follows:

Fund	Description	Budget (In millions)
67.0	Dental, Vision & MedImpact	\$8.9
67.1	Workers' Compensation	\$3.6
67.2	Retiree Health Benefits	\$2.5

McLennan Trust and Other Scholarships: This Fund #73.0 is for student scholarships and its primary source of funding is interest earnings and an occasional donation for a scholarship.

These individual funds will be reviewed in detail throughout this document.

UNRESTRICTED GENERAL FUND - #01.0

UNRESTRICTED GENERAL FUND - #01.0

Background

The purpose of this fund is to provide an accounting of the general operations of the District. The primary revenue source is the State of California, and the State provides standardized accounting guidelines to school districts. The following is a very brief background on the evolution of school district funding:

Prior to 1970, school districts levied local taxes to fund their school districts.

In 1973-74, this changed and the State became the primary source for school funding in an effort to equalize school district funding across the State. The primary revenue was called “Revenue Limit” and was based on student attendance – average daily attendance (ADA).

In 1985-86, the State established guidelines to divide the fund into two part: Unrestricted General Fund and Restricted General Fund. The intent was to separate operational monies from “categorical” funds that had specific restrictions.

In 2000-01, the State required all expenditures for the maintenance of buildings be moved to the Restricted General Fund. The District was required to transfer the equivalent of 3% of the General Fund expenditures to this account. In 2008-09, due to the State fiscal crisis, flexibility was given to reduce the transfer through 2014-15.

In 2002-03, the State standardized the account code system, and each account number increased from nineteen digits to thirty digits.

In 2007-08, this was the start of the Great Recession with a 3-year impact loss of over \$150 billion to education.

In 2008-09, the State passed legislation to shift “categorical” programs to the Unrestricted General Fund and remove the spending restrictions. This was referred to as Tier III flexibility and was intended to be a temporary measure to assist districts during the State’s fiscal crisis. The State also began implementing a “deficit factor” on disbursements.

In 2012-13, the last year before the State restructured education funding, the funding was reduced by a 22.27% “deficit factor” and the disbursement of the State funds were also delayed.

In 2013-14, the State completely restructured school funding. The Revenue Limit and most of the categorical programs were eliminated and replaced with a new funding formula – Local Control Funding Formula (LCFF). LCFF was implemented in the fiscal year 2013-14. This funding was connected to the District formalizing a Local Control Accountability Plan (LCAP).

UNRESTRICTED GENERAL FUND - #01.0

In 2014-15, the following were the impacts of the second year of historic LCFF:

- The State Board of Education (SBE) enacted regulation to clarify many of the statutory provisions.
- Local Control and Accountability Plan (LCAP) was required.
- County Offices of Education (COE's) started reviewing LCAPs and districts' budgets; and the Superintendent of Public Instruction (SPI) started reviewing County documents.
- Many local community stakeholder groups were engaged.
- Local Education Agencies (LEAs) started coping with many new pressures:
 - Demands for salary increases that exceed funding provided
 - Demands for program restoral
 - Demands for smaller class size
 - Higher costs for California Employees' Retirement System (CALPERS) and

California State Teachers' Retirement System (CalSTRS)

- Implementation of new services to targeted students

In 2015-16, the third year implementation of LCFF continued with the following highlights:

- Combined LCFF funding implementation in progress covered almost 58% of the gap.
- All remaining outstanding deferral debt has been utilized.
- Prior mandate funds as discretionary one-time Proposition 98 funding were used for investments in the implementation of Common Core.
- One time funding for CTE in each of the next 3 years are to be utilized for Career Technology Education Incentive Grant (CTEIG).
- The SBE approved changes to the LCFF implementing regulations, largely governing the expenditure of the supplemental and concentration grants and the LCAP.
- The State budget does not address the cost of increase for CalSTRS and CalPERS.

UNRESTRICTED GENERAL FUND - #01.0

In 2016-17, the enacted State Budget continued the fourth year implementation of LCFF:

- The administration made significant strides to reach the full-funding targets of the LCFF.
- The Budget Act appropriated \$2.942 billion for continued implementation of the LCFF.
- GAP funding closed at 56.08%.
- The first four years gap closure was at 87%, reaching to almost 96% of target funding.
- No COLA in 2016-17 on the LCFF base grant targets.
- Supplemental and concentration grants, based on the Unduplicated Pupil Percentage (UPP) were also unchanged from 2015-16 because of the absence of COLA applied to the base grants.
- One-time Discretionary funds for prior mandates continued to be funded at \$214 per Average Daily Attendance (ADA).
- The State Budget continued to fund the 2nd year of CTE Incentive Grant programs as adopted in 2015-16 budget. The program contained a matching grant

requirement for 2016-17, \$1.50 per every \$1.00 received under the program.

- No increase in State funding for Special Education base programs or SPED pre-school.
- College Readiness Block Grant was enacted for new block grant aimed at improving college readiness for students in grades 9-12 who are English learners, foster youth, or eligible for Free & Reduced Priced Meals (FRPM).

In 2017-18, the enacted State Budget included increased funding for public education as the fifth year of LCFF implementation continued:

- The Budget Act appropriated nearly \$1.4 billion for continued implementation of the LCFF.
- New funding was estimated to close the gap between 2016-17 funding levels and LCFF full implementation targets by 43.19%.
- The first five years gap closure was at 93%, reaching to 97% of target funding.
- 1.56% COLA in 2017-18 on the LCFF base grant targets

UNRESTRICTED GENERAL FUND - #01.0

- Supplemental and concentration grants based on the Unduplicated Pupil Percentage (UPP) from 2016-17 increased due to COLA applied to the base grants.
- One time Discretionary funds for prior mandates continued to be funded at \$147 per Average Daily Attendance (ADA).
- The Budget Act provided a \$3.5 million COLA for Mandate Block Grant (MBG).
- With the exception of the 1.56% COLA, the enacted State Budget did not include any measurable funding increase for Special Education programs.
- There was no legislative change for Career Technical Education (CTE) in 2017-18. This was the final installment of funding for the CTE Incentive Grant programs as adopted in 2015-16 budget. The program contains a matching grant requirement of \$2.00 per every \$1.00 received in 2017-18. Commencing with 2018-19, schools will support the full cost of CTEIG programs within their LCFF allocations.
- Statutory COLA was provided to categorical programs which are not included in the LCFF as enacted in the State Budget.

In 2018-19, the enacted State Budget included funding to fully implement the LCFF.

- The Budget Act appropriated nearly \$3.7 billion for continued implementation of the LCFF.
- COLA of 3.7% on the LCFF base grant targets
- 100% gap closure in six years
- One time Discretionary funding of \$184 per ADA
- Statutory COLA was provided to categorical programs which are not included in the LCFF as enacted in the State Budget.
- Decrease in the Statutory benefits cost for CalSTRS and CalPERS
- Supplemental and concentration grants based on the Unduplicated Pupil Percentage (UPP) from 2017-18 increased due to COLA applied to the base grants.

In 2019-20, the enacted State Budget included additional funding for:

- The Budget Act appropriated nearly \$3 billion for LCFF
- COLA of 3.26% on the LCFF base grant
- No One-Time Discretionary Funding for 2019-20

UNRESTRICTED GENERAL FUND - #01.0

- Decrease in statutory benefit cost for CalSTRS and CalPERS
- Increase in the Special Education Local Plan Areas (SELPA) up to the statewide target ratio of \$557.27 per ADA
- Preschool Special Education funding of \$8,975 per pupil, based on the Individualized Education Programs
- Unduplicated Pupil Percentage (UPP) of 54.34%

In 2020-21, the enacted State Budget included the following:

- COLA of 0% on the LCFF base grant
- No One-Time Discretionary Funding for 2020-21
- Multiple multiyear State and Federal CARES Funding, totaling to \$116 million
- Unduplicated Pupil Percentage of 53.45%

Local Control Funding Formula

For several decades, State school financing has been based on the Revenue Limit formula and Other State Categorical funding. However, in 2013-14 the Governor and Legislature made a radical shift and replaced most of these old funding

models with the new Local Control Funding Formula (LCFF). The table on the following page shows a list of the Categorical programs that were folded into LCFF, which became part of the Base Year Funding. The Governor's goals by creating the LCFF are to increase transparency, reduce complexity, reduce State appropriation for LCFF phase in over eight years administrative burden, improve funding equity across school districts, and improve local accountability. To attain these goals, the LCFF eliminates revenue limits and almost all categorical programs (except those established by state initiative or federal statutes), establishes base grants for four grade spans, and establishes supplemental/concentration grants

to provide supplemental services to low income and English learner students.

A school district's LCFF entitlement will be based on three key elements as follows:

- A. Base year funding in 2012-13
- B. Demographics of its student population

In general, a school district is better off under the LCFF if its base funding for 2012-13 is below the statewide average, the proportion of students qualifying for the supplemental/concentration grants is above the statewide average (demographics), and the state provides a significant amount for LCFF growth in a given year.

UNRESTRICTED GENERAL FUND - #01.0

Prior to the enactment of LCFF, annual increases in school district financing were fairly straight forward, with most funding based on per ADA allocations and statutory Cost of Living Adjustments (COLA) which were consistent for all districts. However, the eight-year implementation phase of LCFF poses major challenges. The different demographic composition of student populations will result in vastly different revenues from district to district and the statutory COLA no longer determines future funding increases. In summary, there is no longer a statewide standard for expected revenue growth in the form of an inflationary adjustment. Additionally, State budget priorities can change from year to year with no guarantee that LCFF growth will be provided or that it will be fully funded.

Funding allocated through the LCFF is largely unrestricted, but will be subject to comprehensive accountability requirements

which are established in the Local Control and Accountability Plan (LCAP).

The 2018-19 average funding per ADA was \$9,319 compared to 2019-20 of \$9,622 for an increase of \$303. The projected funding for 2020-21 is \$9,624, an additional increase of \$2.

The 2019-20 average funding per ADA was \$9,622 compared to 2020-21 of \$9,608 for a decrease of \$14. The projected funding for 2021-22 is \$10,084, an increase of \$476.

The COLA for 2021-22 is projected at 5.07%. The 2021-22 LCFF funding will be based on 2019-20 P2 reported ADA.

2012- 13 Base Year Funding

2012-13 Revenue Limit (25,394 ADA)	\$ 133,182,474
2012-13 Categorical Revenue	
Deferred Maintenance	945,873
Instructional Material Block Grant	1,491,942
High School Class Size Reduction	697,772
Community Based English Tutoring	180,494
Continuation High School (add-on)	18,570
Community Day School	34,107
Community Day School (additional)	17,938
Tenth Grade Counseling	61,061
Physical Education Teacher Incentive	264,162
Arts & Music Block Grant	367,190
Supplemental Counseling	820,035
Summer School	2,279,037
K-3 CSR	5,662,377
GATE (SBCP)	195,306
Economic Impact Aid (EIA)	4,116,352
Math & English - Staff Development	104,217
Teachers of English Language Learners	95,196
Principal Training	9,699
Staff Development	98,148
National Board Certification	3,355
Cal-Safe Daily	17,365
Cal-Safe Child Care	65,324
CAHSEE	166,227
Violence Prevention - AB1113	392,769
Advance Placement Grant	9,486
Teacher Credentialing Block Grant	303,313
Professional Development Block Grant	1,112,270
School & Library Block Grant	953,153
School & Library Block Grant (SBCP)	786,524
School Violence Prevention	725,064
Oral Health Assessments	11,827
Alternative Certification Program	8,680
Total Categorical Roll-In	22,014,833
TIIG & Transportation	1,886,214
2012-13 Revenues	\$ 157,083,521

<p>Note: This table displays the 2013-13 base year funding. The LCFF revenue is calculated based on the State release of the 2013-14 LCFF phase-in factor for the fiscal year of an eight year phase-in period.</p>
--

LOCAL CONTROL FUNDING FORMULA (LCFF)

The funding basis under the LCFF shifts from a primarily Average Daily Attendance (ADA) driven model to one that places emphasis on the student population/demographics, in addition to, the District's ADA. **LCFF is a restoration funding model** and full implementation is anticipated to occur by 2020-21.

LCFF - Cont.

The Target Entitlement represents what a Local Educational Agency (LEA) will receive at full implementation. It is calculated annually based on student population (ADA, enrollment, unduplicated pupil percentage (UPP); foster youth, socioeconomically disadvantaged, and English learners). As illustrated below, it contains multiple funding allocations.

UNRESTRICTED GENERAL FUND - #01.0

The GUSD 2020-21 Target Entitlement Calculation displays the per ADA components of the LCFF formula.

LCFF Factors 2020-21

Factors	K-3	4-6	7-8	9-12
Base grant per ADA	\$8,934.00	\$8,214.00	\$8,458.00	\$10,057.00
% Enrollment eligible	53.08%	53.08%	53.08%	53.08%
53.08% of Supplemental	\$948.43	\$872.00	\$897.90	\$1,067.65
(percentage above 55%)	\$0.00	\$0.00	\$0.00	\$0.00
Total 2019-20 LCFF Target Grant per ADA	\$9,882.43	\$9,086.00	\$9,355.90	\$11,124.65
ADA Grade Spans	7,795.18	5,651.19	3,611.33	7,652.47

Appendix VI for historical funding per ADA.

Special Education, Child Nutrition, After School Education and Safety and other federally mandated programs remain outside of the LCFF formula. Transportation and TIIG funding continue as formula add-ons and the funding is frozen at the 2012-13 funding levels (refer to page 9). Additionally, districts must expend no less on transportation than the amount expended in 2012-13.

UNRESTRICTED GENERAL FUND - #01.0

Local Control and Accountability Plans (LCAP)

In 2013-14, the State established a set of new rules relating to “school district transparency and accountability”. Under the new rules, districts are required to adopt Local Control and Accountability Plans (LCAP) that disclose how funds will be spent to provide high-quality educational programs. Districts that do not meet the goals stated in their plans and fail to improve educational outcomes receive assistance through support and intervention.

On or before July 1, 2014, and annually thereafter, districts must adopt a three-year LCAP using a template that will be adopted by the State Board of Education. The State requires the LCAP to include the following items:

- A. Annual Goals – Based on 8 state priorities for all students and numerically significant subgroups.
- B. Specific Actions – Steps the district will take to accomplish the annual goals, including districtwide actions and actions by the school site.

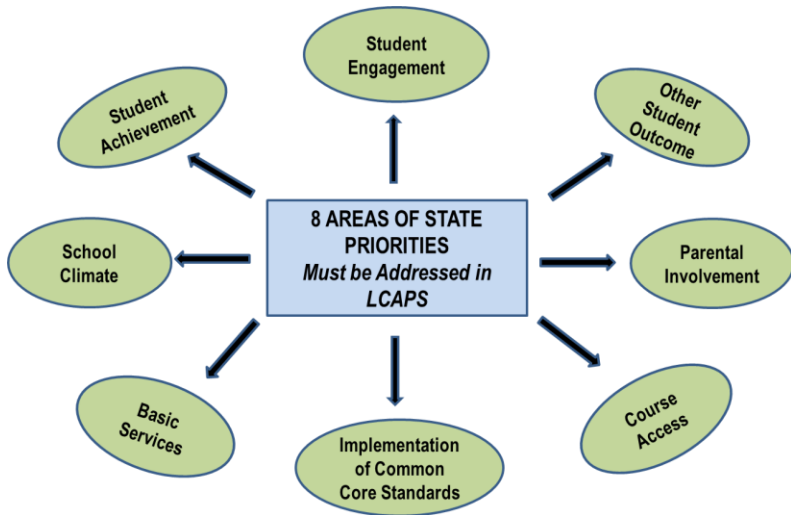

The LCAP provides a description of expenditures for each fiscal year of the plan, and lists and describes expenditures to implement specific actions included in the LCAP. It also lists and describes expenditures serving “unduplicated” students and students re-designated as fluent English proficient.

There was an exception for 2020-21 LCAP reporting and the District approved and adopted a Learning Continuity and Attendance Plan (LCAP) on September 15, 2020. A copy of this plan is available at the District’s website.

For 2021-22, the District adopted its LCAP plan on June 15, 2021. A copy of this plan is available on the District’s website.

UNRESTRICTED GENERAL FUND - #01.0

The eight areas of State priority that must be addressed in the Local Control and Accountability Plans (LCAP) include the following:

The LCAP drives the budget, provides transparency, and promotes community engagement.

The LCAP template includes the Plan Summary, which highlights performance indicators from the California School Dashboard and “30,000 foot” General Fund budget numbers.

The District’s 2020-21 Board Priorities are listed below:

Board of Education Priorities

Maximize Student Achievement

- Close the digital and equity gap
- Offer robust distance, hybrid, and in-person learning programs
- Address learning loss and improve attendance

Foster a Positive Culture of Learning

- Ensure equitable teaching and learning opportunities led by excellence
- Support culturally relevant curriculum that emphasizes inclusion
- Increase parent and family engagement opportunities

Ensure the Health and Safety of Students and Employees

- Strengthen mental health support and programs
- Develop proactive health and safety procedures
- Support physical, social, and emotional wellbeing

Maintain District Financial Responsibility

- Ensure the fiscal health of the district
- Implement a fiscal plan to preserve the district resources
- Plan for the district’s future educational and facility needs

UNRESTRICTED GENERAL FUND - #01.0

Common Core State Standards (CCSS)

In 2013-14, the State Budget provided \$1.25 billion statewide in one-time funds for the implementation of Common Core State Standards (CCSS). This resulted in approximately \$5.26 million in funding for GUSD to develop a spending/implementation plan and spend the funds for the following purposes. This funding was to be utilized over a two year period, 2013-14 and 2014-15.

- A. Professional Development – For teachers, administrators and paraprofessional educators or classified employees involved in the direct instruction of pupils that is aligned to the CCSS academic content standards.
- B. Instructional materials and supplemental instructional materials aligned to CCSS academic content standards.
- C. For the integration of the content standards through technology based instruction for the purposes of improving the academic performance of pupils including the administration of computer-based assessments and providing adequate internet connectivity to support the computer-based assessments.

A detailed expenditure report was submitted to California Department of Education (CDE) before July 1, 2015, and is also available on the District's website (www.gusd.net). There

was no additional funding for Common Core in the enacted Budget.

The District has continued to invest in the implementation of Common Core Standards through the Unrestricted General Fund and solvency transfer from Debt Service Fund.

Historical ADA and Enrollment Analysis

Under LCFF, the District's enrollment and ADA are critical factors in determining State funding as well as the District's staffing and facilities need. The following tables and charts provide a historical view of the District's enrollment and ADA trends. They reflect a declining enrollment trend over time.

Note: In 1998-99, the basis for the ADA changed to "actual attendance" and does not include excused absences as it did in prior years. Therefore, data prior to 1998-99 reflects a higher percentage in student attendance.

ENROLLMENT AND ADA TRENDS

Year	CBEDS/CALPADS ENROLLMENT (October)	P1 ADA (December)	P2 ADA (April)	CBEDS Ratio to P2 ADA
1999-00	30,374	29,244	29,014	95.5%
2000-01	30,329	29,297	29,100	95.9%

UNRESTRICTED GENERAL FUND - #01.0

Other State Revenue

Mandated Costs Revenue

Historically, Mandated Cost Revenue is a reimbursement of school district expenditures required by Federal or State law, court decisions, administrative regulations or initiative measures. The primary reimbursement received by the District is for the cost of collective bargaining; however, the reimbursement rate is not sufficient to cover 100% of the costs incurred. Mandated Cost reimbursements and adjustments often take place several years after the expenditures are made rendering them a very unstable funding source in a normal budget year. However, the statutes require these funds to be paid to the districts, so it is anticipated that when State funds become available in future years, these monies will be paid.

Since 2017-18, the State adopted a Mandated Block Grant option of approximately \$30 per ADA for grades K-8, and \$59 per ADA for grades 9-12. This would be in lieu of districts submitting itemized claims, resulting in a reimbursement of approx. \$980,000. The Mandated Block Grant (MBG) is optional and replaces the claiming process for districts that select to participate. Districts opting to receive Block Grant funding must select to participate in the Block Grant by August 31 of each year. However, agencies must continue to perform mandated activities regardless of their participation in the MBG. MBG is less than actual cost but better than waiting 10 years to get paid! Additionally, the 2017-18 one time discretionary funding was \$3.7 million (approx. \$147 per ADA) committed towards funding site computer leases and purchases. Trailer bill language intends that school districts

prioritize these funds for implementation of the Common Core State Standards, though a district can use these funds for any one-time purpose. Glendale USD used \$1.6 million of the Mandated Block Grant to cover a portion of the I-Ready cost. The remaining balance owed to the District for prior Mandated Cost Claims is \$32.4 million. In 2018-19, the State provided \$184 per ADA for one-time Discretionary Funds (\$4.4 million), which will help support District solvency.

Lottery

The California State Lottery first began operations on October 3, 1985. In 2000, Proposition 20 passed requiring a portion of the lottery funds to be restricted to instructional materials. Based upon that law, the revenue is now split between the Unrestricted General Fund and the Restricted General Fund. In 2000-01 and subsequent years, instructional materials expenses were shifted to the Restricted General Fund to match the shift in lottery funding in the Restricted General Fund. In 2021-22, the California Department of Education (CDE) projected the lottery rates of \$163 per ADA for Unrestricted and \$65 per ADA for restricted; however, the revenue projection utilized is \$150 per ADA in the Unrestricted General Fund and \$49 in the Restricted General Fund. Beginning 2015-16, no additional Lottery funding is provided for Adult Education and ROC/P's ADA. The Unrestricted Lottery Revenue is approximately 1.73% of Unrestricted General Fund Revenue. This is a very small but not insignificant percentage of the monies used to operate the District's educational program and facilities.

UNRESTRICTED GENERAL FUND - #01.0

K-3rd Grade Class Size Reduction – This is a program that was established in 1996-97 and provided districts with additional funds to staff grades K-3 at 20 students per classroom. In response to the fiscal crisis in 2008-09, the State relaxed the penalty tiers for K-3 CSR.

Under full implementation of the LCFF, the former K-3 CSR program became TK-3 Grade Span Adjustment (GSA). It's an equivalent of 10.4% augmentation to the LCFF base grant to support lowering class size in grades Transitional Kindergarten through Three (TK-3). While there is a collectively bargained ratio in place, districts must assure all school sites average class enrollment ratios meet the target ratio of 24:1, or that they are making progress to close the TK-3 class size gap in proportion to progress toward closing the LCFF entitlement gap as a condition of apportionment. Districts that fail to maintain an average of 24:1 ratio at each school site will lose 100% of the additional funding. The TK-3 GSA requirement has been included in the 2014-15 Audit guide. In 2015-16, the District hired 18 new teachers to meet the requirement of the 24:1 TK-3 ratio amounting to \$1.8 million ongoing cost. However, with the rectified GTA and GUSD collective bargaining agreement on October 27, 2015 and thereafter, the TK-3rd grade class size average has been 26:1 by school site beginning with the 2014-15 school year. In 2017-18 and 2018-19, the TK-3 GSA program requirements were unchanged. However, the District has budgeted TK-3rd grade class size average at 24:1 by school site beginning 2019-20 school year.

Local Revenue

Lease Revenue – The revenue generated from leasing District facilities is recorded in the Unrestricted General Fund.

Glenfield Lease: The site of Eugene Field School was developed into apartment buildings as part of a long term lease agreement. The term of the lease is 65 years ending December 2050. The rental income of approximately \$1.14 million supports the Unrestricted General Fund for educational activities.

Interest Revenue

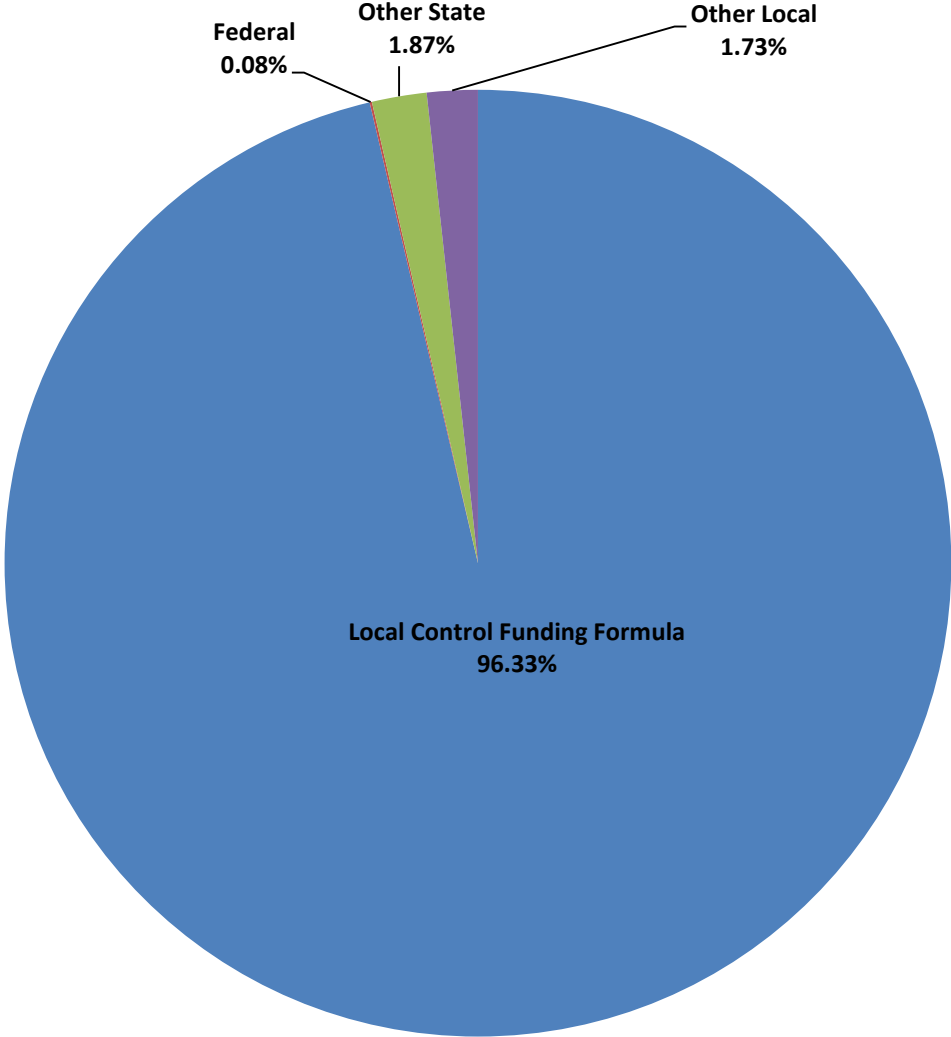

The State requires that all monies (except Food Services) be maintained at the county; therefore, the Los Angeles County Treasurer manages the investment portfolio for the District. Each fund accrues interest on the county pooled rate. Due to the reduction of interest rates, this revenue has dropped significantly in recent years. In 2020-21, the interest rates have dropped significantly.

Donations and Reimbursements

The Glendale Unified School District is very fortunate to have an extremely active and supportive community. The support foundations, clubs, and PTAs are established at school sites and provide crucial support through volunteer work, fund-raising, and field trips. PTAs have also assisted with playground equipment, outside eating covers, computer equipment, and donating time.

2021-22 Adopted Budget

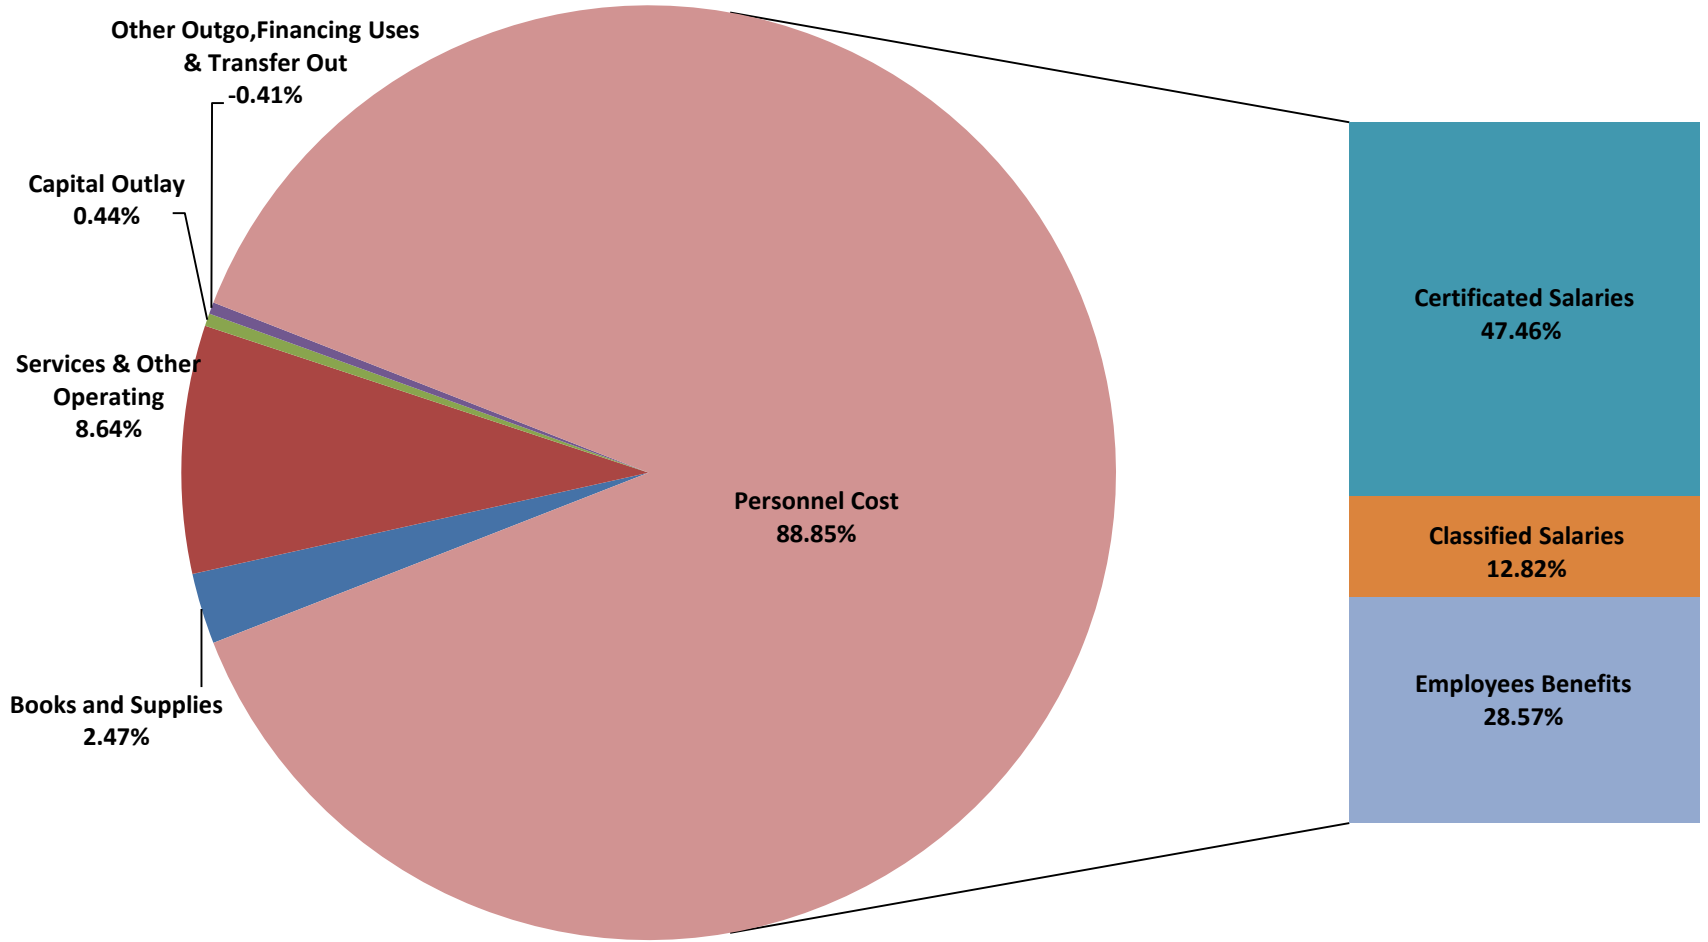

TOTAL REVENUE – UNRESTRICTED GENERAL FUND

Total Revenues = \$258,692,787

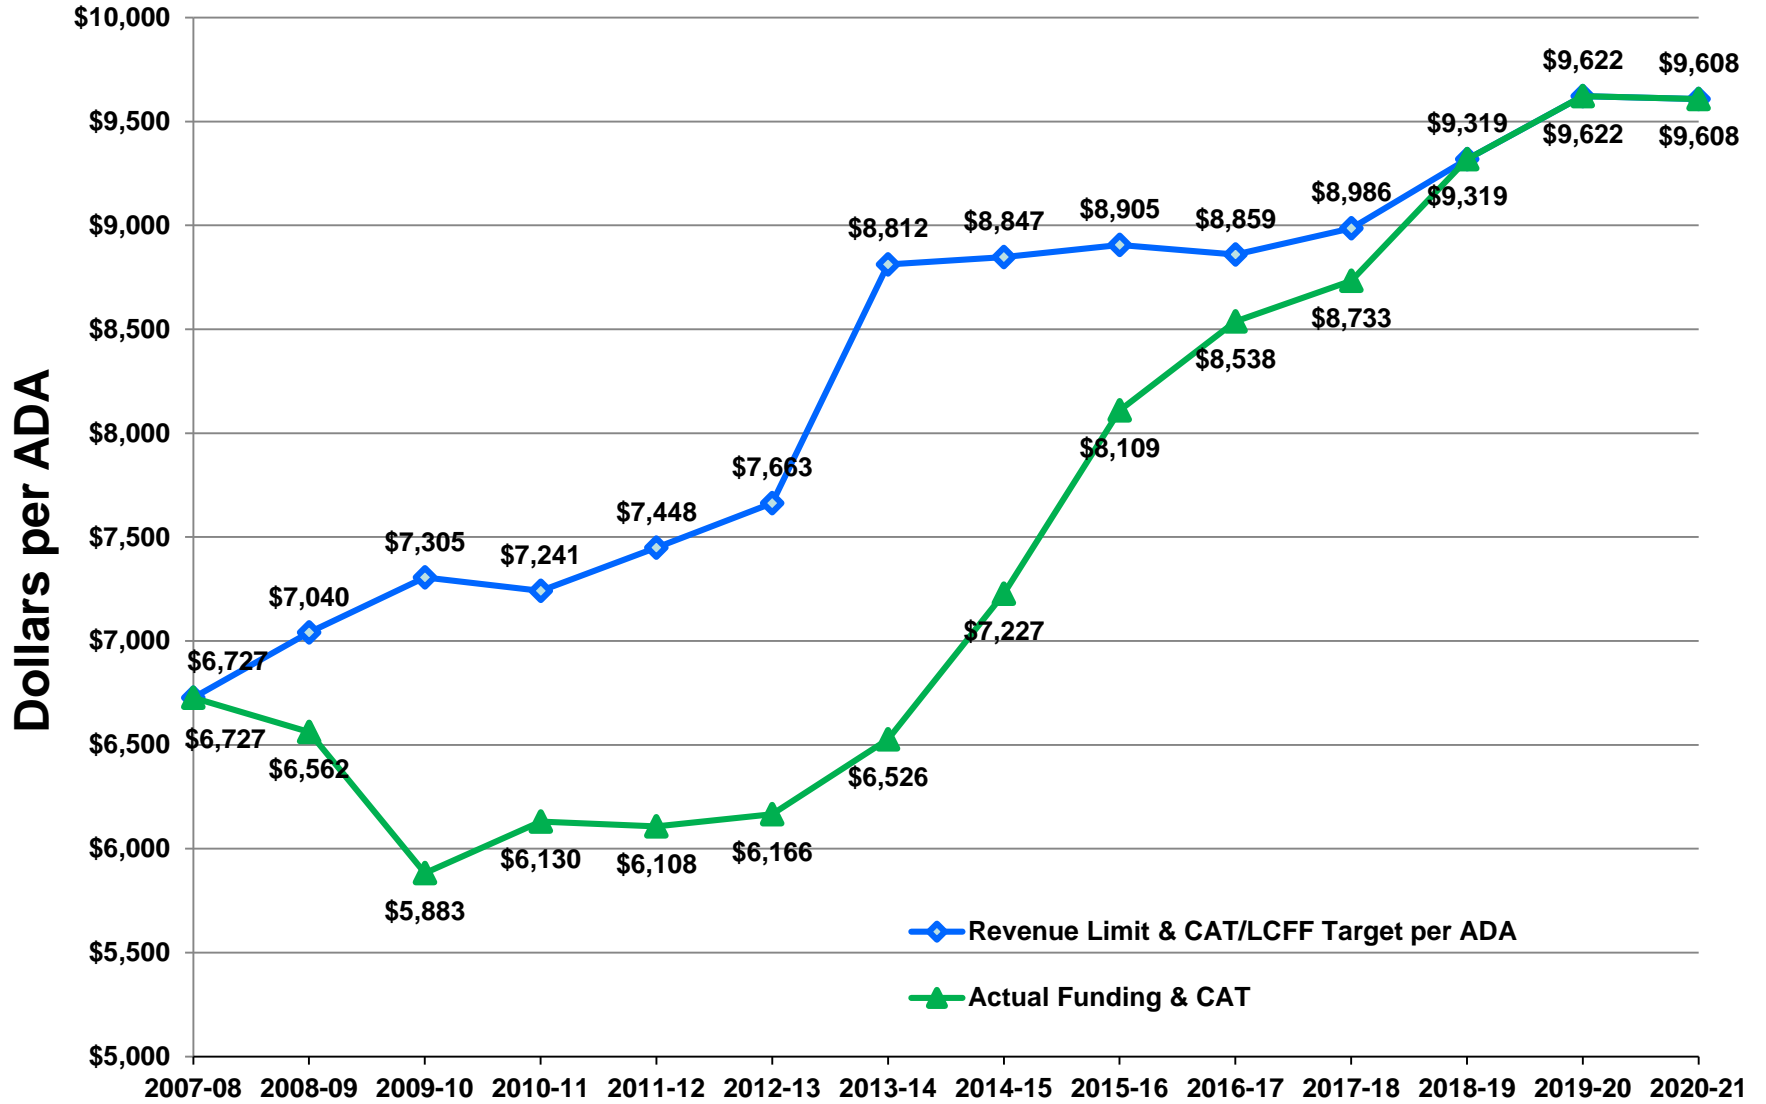

2021-22 Adopted Budget

TOTAL EXPENDITURES – UNRESTRICTED GENERAL FUND

Total Expenditures = \$223,837,735

Historical Funding – Per ADA

UNRESTRICTED GENERAL FUND - #01.0

EXPENDITURES

School Districts are labor-intensive organizations. In the Glendale Unified School District, approx. 88.85% of the 2021-22 budget expenditures of the Unrestricted General Fund are for salaries and employee benefits. The 2020-21 Actuals included the “step and column” and longevity increases. The 2021-22 salaries include “step and column” and longevity increases.

Value of 1% Salary Change in 2021-22		
	Districtwide	Unrestricted & Encroachment
Certificated	\$1,417,339	\$1,332,901
Classified	\$600,061	\$472,143
Management	\$293,580	\$236,316
Cost of 1%	\$2,310,979	\$2,041,360

Certificated Salaries

Certificated salaries include teachers, administrators, counselors, librarians, psychologists, and other employees who maintain credentials with the State of California. All certificated personnel, with the exception of administrators, are represented by the Glendale Teachers Association (GTA) for collective bargaining.

Classified Salaries

Classified salaries include District support staff – clerical, custodial, maintenance, and aides – and those administrators

who are not required to maintain credentials with the State of California. All classified personnel, with the exception of the administrators, are represented by California School Employees Association (CSEA) for collective bargaining. CSEA also participates in collaborative negotiations.

Employee Benefits

Employee Benefits include retirement contributions, Unemployment Insurance, Workers’ Compensation, Social Security (OASDI), Medicare, and Early Retiree Insurance Benefits. The cost of these benefits is determined by State, Federal, and District formulas based upon a percentage of the employee’s salary. Other employee benefits are medical, dental, vision and life insurance. These premiums are determined by the insurance carrier based upon the utilization of the program.

UNRESTRICTED GENERAL FUND - #01.0

Percentage Fringe Benefits (2021-22)		
Fringe Benefits	Certificated	Classified
Retirement	16.920%	22.910%
*Unemployment	0.5%	0.5%
Workers' Comp. Utilizing Fund #67.1 Balance	1.675% 0	1.675% 0
OASDI	N/A	6.20%
Medicare	1.450%	1.450%
Retiree Benefits	1.357%	1.357%
Total Percentage Fringe	21.902%	34.09%
*The 2021-22 unemployment rate is at 0.5%. However, since the increase is due to COVID-19, the increase of 0.45% will be paid out of ESSER II.		

Employee Health Insurance

The 2021-22 Budget currently reflects the District paying the full cost of dental, vision, and life insurance benefits. In addition to this coverage, the District pays up to \$31,586.70 per employee for medical insurance. (See Appendix I – Historical Summary of District Paid Insurance Benefits and Appendix II - Historical Summary of Health & Welfare Insurance Costs).

The 2021-22 Budget was developed assuming the continuation of the Blue Shield and MedImpact Plans. The 2021-22 Budget reflects a 8% increase in cost over the prior year. In 2018-19, in an effort to contribute to the Solvency Plan, ONLY the pharmacy section of the health benefits was carved out and

self-funded by the District. Burnham is the administrator and MedImpact is the prescription Pharmacy Benefit Manager. The employee benefits will be unchanged.

In 2021-22, the District will pay health and welfare insurance coverage ranges from \$9,635 for single coverage in the HMO plan to \$33,578 for family PPO coverage. This is inclusive of medical, dental, vision, and life insurance, and pharmacy.

Books and Supply

The Books and Supply category includes textbooks, library books, postage, and supplies for the classrooms, office, custodial, and maintenance areas. Due to the new California Common Core State Standards (CCCSS) curriculum, the State has delayed new textbook adoptions. However, a significant cost is incurred in aligning a curriculum to the Common Core, a State adopted instructional program and projected to cost ~\$32 million in books alone.

Contracted Services

The Contracted Services category includes items such as utilities, repairs, consultants, transportation, liability insurance, legal fees, printing, and service contracts.

Utility rates continue to increase; however, the District has aggressively reduced consumption through conservation measures and the solar projects in 2015-16 and 2016-17. The following is a chart of the District's utility expenses. In 2016-17, the District opt in to receiving a lump sum amount for the remaining months of Performance Based Incentive (PBI) for four schools. In doing so, the District received a check for \$144,980. This amount was deposited in the Capital Projects

UNRESTRICTED GENERAL FUND - #01.0

Fund 40.1 to be used for Clean Renewable Energy Bond (CREB) projects.

Service	2016-17	2017-18	2018-19	2019-20	2020-21
	Actual	Actual	Actual	Actual	Actual
<i>Electric</i>					
<i>GWP</i>	3,034,618	2,951,877	2,395,957	2,181,609	1,780,702
<i>SCE</i>	509,452	517,426	510,547	461,581	377,345
<i>SCE Incentive Credit</i>	(92,589)	-	-	-	-
<i>Water</i>	573,768	616,421	636,570	641,583	683,563

<i>Trash</i>	359,262	184,856	112,470	207,284	244,138
<i>Total Annual Utility Cost</i>	4,844,325	4,705,088	4,205,960	3,963,513	3,589,793
<i>Change over Prior Year</i>	90,060	(139,236)	(499,129)	(242,446)	(373,720)
<i>Percentage Change</i>	2%	-3%	-11%	-6%	-9%

2020-21 Notes: Decrease in GWP and SCE electricity bills is due to school closures related to COVID - 19.
 Increase in Gas is primarily due to temperature maintenance of the newly constructed GHS swimming pool
 Increase in Water and Sewer is due to 25% increase in rate from prior year
 Increase in Trash is due to the ended credit from Southland Disposal

Capital Outlay

The Capital Outlay category includes the cost of new and replacement equipment and building improvements.

Other Outgo

The other outgo reflects the payment of the Moyses Field Loan at Glendale High School to the City of Glendale.

Other Financing Sources/uses

When expenditures in the Restricted General Fund exceed the revenue provided by State and Federal sources, transfers or “contributions” must be made to offset the difference. This

allows the Ending Fund Balance in the Restricted General Fund to not fall below zero. The two main programs that receive these transfers are described below.

- **Special Education Program**

The Special Education Program is mandated by the State and Federal Government. However, it costs the District more to provide this program than the revenues that it generates. This excess cost is called encroachment and requires the District to fund the shortfall from the Unrestricted General Fund. In 2020-21, Special Education expenditures were approximately \$62 million; but the shortfall was \$33.4 million. A more detailed summary of services is provided in the Restricted General Fund.

- **Routine Restricted Maintenance Account (RRMA)**

In 2000-01, a new requirement was established for all districts receiving construction funding through the State’s School Facility Program (SFP). Districts were required to spend a minimum of 3% of their General Fund budget on the maintenance and operations program, and in 2000-01, all salaries, benefits, supplies, contracts, and other expenses related to the maintenance and operations program were shifted from the Unrestricted General Fund to the Restricted General Fund. Since there are no State or Federal revenues for this program, the entire cost is covered by the transfer. Beginning in 2008-09, due to the State fiscal crisis, the required contribution was decreased from 3% to 1%. This flexibility was set to expire at the end of 2014-15; however, the 2015-16 State Budget extended the

UNRESTRICTED GENERAL FUND - #01.0

flexibility by providing a gradual increase of the required contributions set to expire in 2018-19. The District has assigned 3% of the Actual Unrestricted General Fund expenditures in 2021-22 or \$9.5 million.

Restricted Maintenance Transfer	Should have been 3%	Actual Transfer	Savings
2012-13	\$ 6,600,203	\$ 4,542,959	\$ 2,057,244
2013-14	\$ 6,405,108	\$ 4,676,133	\$ 1,728,975
2014-15	\$ 6,918,747	\$ 5,787,970	\$ 1,130,777

2017-18	\$ 8,541,602	\$ 8,541,602	\$ -
2018-19	\$ 9,483,987	\$ 9,483,987	\$ -
2019-20	\$ 9,665,697	\$ 9,665,697	\$ -
2020-21	\$ 9,547,197	\$ 9,547,197	\$ -
2021-22	\$ 9,574,371	\$ 9,574,371	\$ -

Beginning in 2015-16, as part of the “Solvency Savings”, there will be indirect cost charges to the Routine Restricted Maintenance Account (RRMA) and beginning in 2016-17, there will also be summer floor maintenance charges to this account. The charges will be reflected in the budget for 2021-22 and two out years.

Restricted Maintenance Reserves (In Millions)	
2012-13	\$1.7
2013-14	\$0.7
2014-15	\$0.9
2015-16	\$1.8
2016-17	\$2.5
2017-18	\$2.5
2018-19	\$3.2
2019-20	\$3.7
2020-21	\$3.7
2021-22	\$2.5

In 2021-22, Unrestricted General Fund Budget, the following items are transfers in/out and contribution between resources:

- Contribution to Clark Magnet High School Home to School Transportation Program: \$0.9 million
- Contribution to Special Education Program: \$38 million
- Contribution to Special Education Transportation: \$4.6 million
- Contribution to Teaching and Learning Program (formerly CCSS): \$2.4 million.
- Contribution to CTE/ROP programs: \$2.0 million
- Contribution to Homeless, Foster & Attendance: \$1.1 million

Ending Fund Balance

The Governmental Accounting Standards Board has issued Statement 54 (GASB-54), Fund Balance Reporting and Governmental Fund Type Definitions that alters the terminology used to describe the components of the fund balance. The goal of this new standard is to more clearly define the categories used to report ending fund balances in the governmental funds used by the District and on the financial statements included in the annual audit report. GASB-54 does not change the amount of fund balance reported and does not change most aspects of day-to-day accounting. Beginning in

UNRESTRICTED GENERAL FUND - #01.0

2010-11, the new statement was required for the annual financial statements.

Under GASB 54, the Fund Balance consists of five categories: Non-spendable, Restricted, Committed, Assigned, and Unassigned, which are defined as follows:

Non-spendable Fund Balance consists of funds that cannot be spent due to their form (e.g. inventories and prepaids) or funds that legally or contractually must be maintained intact.

Restricted Fund Balance consists of funds that are mandated for a specific purpose by external parties, constitutional provisions or enabling legislation.

Committed Fund Balance consists of funds that are set aside for a specific purpose by the district's highest level of decision making authority (governing board). Formal action must be taken prior to the end of the fiscal year. The same formal action must be taken to remove or change the limitations placed on the funds.

Assigned Fund Balance consists of funds that are set aside with the intent to be used for a specific purpose by the district's highest level of decision making authority or a body or official (CBO) that has been given the authority to assign funds. Assigned funds cannot cause a deficit in unassigned fund balance.

Unassigned Fund Balance consists of excess funds that have not been classified in the previous four categories.

All funds in this category are considered spendable resources. This category also provides the resources necessary to meet unexpected expenditures and revenue shortfalls.

The State requires that the District maintain a minimum of **3%** of the total expenditures in the Unrestricted and Restricted General Fund in a designated reserve titled Economic Uncertainties for the current year and two subsequent years. At the close of 2020-21, that 3% requirement equaled **\$10.5** million and the District had sufficient reserves.

When the year-end closing process takes place, a number of items are reviewed to determine if there are obligations that need to carry forward into the next fiscal year. If the items have not been received but there is an obligation/commitment that is still outstanding, then that commitment is listed in the section titles "Other Assigned Funds" as one of the components of the Ending Fund Balance.

These include:

- When purchase orders have been issued to vendors, but the products are not received by June 30th, the budget carries over.
- Some school site and program budget balances that were not expended in the current year, will carry over to be expended in the following year. Most of these balances were swept to support District's solvency.
- The Medical Administrative Activities (MAA) reserve is carried over for future year solvency support.

UNRESTRICTED GENERAL FUND - #01.0

- The reserve for future LACOE systems charges
- The reserve for Supplemental Program
- The reserve for One-Time 2017-18 Discretionary funding

The Unrestricted General Fund Balance at the end of 2020-21 was \$47.3 million. It is comprised of the following Reserves and Designations:

2020-21 Unrestricted General Fund Balance	
Designated for Economic Uncertainty (3%)	\$ 10,533,577
Revolving Cash & Warehouse & Prepaid Expenditures	253,810
Reserve for Regular Carry-over, MAA, and LCAP Carry-over	15,315,799
Reserve for One Time 2017-18 Discretionary Funding	771,978
Reserve for future LACOE System Change	280,000
Undesignated Reserve	20,182,887
Total Unrestricted General Fund Balance	\$ 47,338,051

Why did Fund Balance Grow in 2020-21?

The following page provides a breakdown of the \$96,161,781 million in flexibility and short-term resources that have been used; 2008-09 through 2014-15. There were no short-term resources used in 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, and 2020-21. The \$47.3 million ending fund balance is the result of one-time Actuals vs. Budget Savings, savings in utilities, transportation, Teacher Substitutes, travel & conferences, due to school closures, as well as shifting some

expenditures to the restricted CARES funding due to COVID-19, and recent LCFF funding.

The actions taken over the years by the District include: making staffing reductions, negotiated changes in health insurance, re-structuring the workers' compensation program, implementing energy conservation strategies, retirement incentives, consolidated facilities to eliminate rental fees, and other program modifications to reduce on-going costs; maximizing flexibility options received in Federal ARRA funds, and utilizing reserves in other funds.

In 2016-17 June Budget adoption, the Board approved a fiscal stabilization placeholder for \$8.2 million savings.

In the 2017-18 Adopted Budget, the Board of Education identified specific areas to reduce up to \$7.5 million of ongoing expenditures and identified the remaining \$4.0 million caused by the 2016-17 higher ending fund balance, revised LCFF funding, and revised direct/indirect costs. The identified savings in 2017-18 will carry forward into the out years as well, replacing \$8.2 million placeholders in those years as well. In the 2018-19, the Board of Education identified specific savings up to \$3.6 million of ongoing expenditures and increased revenues.

In the 2019-20 Adopted Budget, the Board of Education identified specific savings up to \$5.0 million in the Fiscal Stabilization Plan of ongoing expenditures and increased revenues.

UNRESTRICTED GENERAL FUND - #01.0

At the 2019-20 First Interim, another Fiscal Stabilization Plan of approximately \$5.0 million for 2020-21 was submitted to LACOE. At the 2020-21 Second Interim, a LACOE required Board resolution was presented for the 2021-22 Fiscal Stabilization Plan of \$4.47 million.

Attached is the summary of Solvency Saving Plan.

How has the District maintained staffing, programs and fund balance during the State fiscal crisis

In addition to the reductions in staffing, changes to health insurance and workers compensation programs, consolidation of facilities, energy conservation, retirement incentives, and program modifications, the following resources have been utilized.

Funding Source	2008-09	2009-10	2010-11	2011-12	2012-13	2013-14	2014-15	Total

Total	\$ 1,919,918	\$ 28,995,064	\$ 20,782,574	\$ 22,403,838	\$ 15,231,412	\$ 3,328,975	\$ 3,500,000	\$ 96,161,781

* The total ARRA received was \$28.3 million. The chart does not include: \$1.4 million Title I or \$0.7 million ETIS ARRA Grants.

This chart only includes the resources that are limited or one-time in nature. These reserves as well as other reserves will be depleted in the next couple years and not available to supplement the General Fund. Under LCFF, Tier III, K-3 CSR. Deferred Maintenance revenues are all replaced by the new funding formula. Restricted Maintenance funding is currently based on at least 1% of the General Fund budgeted expenditures. However, in 2015-16, this will raise up to at least 3% of budgeted General Fund expenditures.

Appendix II has a comprehensive list of budget reductions.

.....Reserves and options are being depleted and will soon be unavailable

GLENDALE UNIFIED SCHOOL DISTRICT 2020-21 Fiscal Stabilization Plan
Pre-COVID-19 = \$5,000,000 Needed

Dept	Program	Est. Savings/Rev
1. LCFF Funding	2020-21 LCFF above current COLA projection of 3% (Jan/May 2020 Gov proposals); 1% = \$2.4m	\$ 0
2. T&L/Funding	Restructure funding source for professional development to LPS Block Grant (Yr2 of 2)	\$ 500,000
3. LCFF Funding	ADA% increase of 0.25% (could begin in 2019-20) – need specific plans and actions; 1% = \$2.4m	\$ 600,000
4. DO Cert Mgmt	Eliminate Exec. Dir. Of Secondary Ed position – vacant	\$ 200,000
5. DO Non-personnel	3% reduction in all non-site department budgets – supplies, consulting services, conferences (Yr2)	\$ 750,000
6. DO Benefits budget	Reduce annual increase in projected H&W rates from +8% (May 2020); 1% = \$300,000	\$ 0
7. Elem	Adjust Teaching positions due to declining enrollment from 2019-20	\$ 900,000
8. Middle	Adjust Teaching positions due to declining enrollment from 2019-20	\$ 200,000

RESTRICTED GENERAL FUND - #01.0

RESTRICTED GENERAL FUND - #01.0

The State and Federal governments recognize that there are special student populations. Therefore, districts are granted additional funds to meet their needs. These funds are often referred to as “Categorical” or “Restricted” to ensure that they are spent on the students for the special purpose for which they are granted. This budget document reflects estimated entitlements, and the budget will be adjusted when the District receives final allocations from the State and Federal governments. Examples of major State and Federal categorical aid programs in the Glendale Unified School District include:

Tier III Swept Categorical Programs: In response to the State’s fiscal crisis, the legislature passed SBX3-4 to allow districts flexibility to sweep certain Tier III categorical programs into the Unrestricted General Fund for any educational use. This flexibility was allowed from 2008-09 to 2012-13. In 2013-14, many of these programs were eliminated and replaced with LCFF (refer to page 8).

Economic Impact Aid (EIA/LEP): Until 2012-13, the EIA Program consisted of two components. Funding used to provide additional educational opportunities to pupils from low-income families and from homes in which a language other than English is primary. The program also provided services to Limited English Proficient (LEP) students to aid them in gaining this proficiency as quickly and efficiently as possible. From 1994-95 to 2012-13, ESL salaries were charged to this program. In 2013-14, EIA was eliminated and replaced with LCFF in the Unrestricted General Fund.

No Child Left Behind (NCLB): The basic purpose of NCLB is to ensure that all students have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on the State Board-adopted content standards and statewide academic assessments. The Federal programs included in NCLB are Title I, Title II, and Title III.

On December 10, 2015, President Obama signed the Every Student Succeeds Act (ESSA). ESSA is the successor of the No Child Left Behind Act (NCLBA). Every Student Succeed Act represents a four-year authorization and an initial appropriation in 2017 that maintains current budget caps. ESSA will provide states greater flexibility to design and implement a multiple measures accountability system that promotes continuous improvement in instructional practices and delivery to improve student learning and achievement. The District has been transitioning to ESSA since 2015 and was fully transitioned with all the rules and requirements in 2018-19.

Title I: This program provides supplemental funds to be used to narrow the educational gap between disadvantaged and other children in those areas where the highest concentration of children from low-income families attend school. The District has 17 Title I schools (10 elementary, 3 middle, and 4 high schools). Funding is distributed based on prior year’s October CALPADS percentage of free reduced lunch eligible students.

Title II: This program provides grant to Local Education Agencies (LEAs) to increase students’ academic achievement by improving teacher and principal quality.

RESTRICTED GENERAL FUND - #01.0

Title III: This program provides services to immigrants and Limited English Proficiency (LEP) students. Funds may also be used for a variety of instructional support, curriculum development, parent involvement, and related program activities.

Restricted Lottery: Proposition 20 requires 50% of the State's lottery revenue increase over 1997-98 levels (\$41/ADA estimated for 2018-19) must be spent on "Instructional Materials", defined as "all materials that are designed for use by pupils and their teachers as a learning resource and help pupils to acquire facts, skills, or opinions or to develop cognitive processes".

Routine Restricted Maintenance Account (RRMA): As stated earlier, the RRMA was established in 2000-01. This is fully funded through a transfer from Unrestricted General Fund; categorical funds are not received for this program. The law (Education Code Section 17070.75) requires all school districts receiving State funds under the School Facility Program to establish a restricted account within the District's General Fund for the exclusive purpose of providing funds for ongoing and major maintenance of school buildings.

On September 16, 2003, the Legislative Counsel drafted an opinion that the 3% must be calculated on all general fund expenditures including those in restricted accounts.

In 2008-09, this rule was relaxed in response to the State fiscal crisis, and the rate lowered from 3% to 1% for five years. This flexibility was set to expire at the end of 2014-15; however, the 2015-16 State Budget extended the flexibility by providing a

gradual increase of the required contributions. The District has assigned 3% of the Unrestricted General Fund expenditures since 2016-17. Beginning in 2015-16, as part of the "Solvency Savings", the indirect charges to the Routine Restricted Maintenance Account (RRMA) became ongoing. Beginning 2016-17, the summer floor maintenance charges to the program became ongoing as well.

Redevelopment Agency Revenue: The District receives redevelopment agency revenue from the San Fernando Corridor Project area and Central Development Project area. Due to legislative changes, this funding in 2012-13 and future years will be from the L.A. County Treasurer's Office. It was previously received through the City of Glendale. The District is projected to receive approximately \$2,984,000 in 2021-22. These funds are deposited into the Restricted General Fund and then transferred to the Capital Projects Fund #40.1 for capital outlay uses. A small portion of the payment becomes a reduction to the District's State Revenue Limit Funding, now LCFF. Prior to 2017-18, these funds were deposited into the Unrestricted General Fund and then transferred to the Capital Projects Fund #40.1.

Other Programs: The District receives additional funds for the following programs: California Career Pathways Grant; CREATES Project; Refugee Child Supplemental Program; Educator Effectiveness; Healthy Start; and Vocational and Technical Education.

RESTRICTED GENERAL FUND - #01.0

The following table re-caps the funding utilized over these years.

ARRA/Jobs Program Summary	In Millions
<u>2009-10</u>	
Special Education	\$4.95
Title I	2.93
State Fiscal Stabilization Fund (SFSF)	9.35
ROP SFSF	0.35
<u>2010-11</u>	
Title I	1.46
State Fiscal Stabilization Fund (SFSF)	2.35
ETIS Competitive	0.50
ETIS Formula	0.17
Jobs Program	4.96
Homeless Children	0.02
<u>2011-12</u>	
State Fiscal Stabilization Fund (SFSF)	1.21
Jobs Program	0.07
Total	\$28.32

The \$28.32 million in ARRA funds were completely spent by June 30, 2012.

SPECIAL EDUCATION

Public Law 94-142 is Federal legislation mandating that all handicapped children between the ages of 3 and 21 be provided with a free and appropriate education. Every school district is charged with the responsibility of developing programs to meet the educational needs of these exceptional students. The Glendale Unified School District offers the following services and programs:

Special Day Classes: Full-time special education classes are provided for students with identified learning disabilities.

Resource Specialist Program: This is a “part-time” program whereby learning-disabled students receive specialized instruction, both within their regular classroom and in small groups, to remediate specific learning problems.

Non-Public Schools: The District contracts with private (non-public, non-sectarian) schools to provide appropriate special educational facilities and programs required by an individual with exceptional needs when no appropriate educational program is available.

Designated Instructional Services

- **Speech and Language Program:** Students receive individual and small-group instruction in speech articulation and/or help with language development disabilities.
- **Adaptive Physical Education:** This specially designed physical education program accommodates students with physical limitations and/or special health needs.
- **Counseling:** This is a service specifically designated for students who have been identified on an Individual Educational Plan (IEP) as needing psychological support/advice for a limited time. Many students receiving this service are also involved in other Special Education services.

RESTRICTED GENERAL FUND - #01.0

The District is part of a Special Education Local Plan Area (SELPA) program that includes Burbank Unified School District and La Canada Unified School District. The SELPA enables these districts to better meet the unique needs of the special students. The SELPA is funded by contribution from each participating district.

Special Education Funding Model: In the 1998-99 school year, there was a significant change in the Special Education allocation formula. Funding would no longer be calculated based on instructional personnel service units (IPSU), or by the State on a district by district basis. Instead, the new model, established by AB602 and AB598, bases funding on total K-12 actual Average Daily Attendance (ADA) excluding excused absences for the SELPA.

In 2009-10, the District received additional one time IDEA ARRA funding of approx. \$4.5 million. This was done to save jobs in response to the nation's fiscal crisis.

Special Education Encroachment: The Special Education program is mandated by the State and Federal Government. It costs the District more to provide this program than the revenues which it receives. This excess cost is called encroachment.

The process used to project the revenue for the 2020-21 Special Education budget was based on the income received for the 2019-20 school year. Special Education receives relatively flat

funding including 0% COLA per the final 2020-21 State Budget.

Starting in 2013-14, the LCFF revenue related to Special Education ADA is no longer transferred to the Special Education program, but will remain in the General Fund. This results in an ongoing increase of Special Education encroachment, thereby making a comparison to prior years difficult. To make a comparison possible in the table on the next page, the "Special Education – ADA – LCFF" line was inserted resulting in the encroachment net of the LCFF Revenue Transfer.

In 2019-20, the District received \$2.4 million for the one-time Preschool Special Education Funding which was deposited in the Unrestricted General Fund and it was part of the District's Unassigned balance.

In 2020-21, Special Education funding was moved to a new funding formula and received a significant ongoing increase. Funding will now be calculated at the LEA level. Funds will continue to flow through the SELPA structure. GUSD received \$625 per ADA for a total increase of approximately \$1.7 million.

MULTI YEAR PROJECTION

2021-22 BUDGET AND MULTI-YEAR PROJECTION

Unrestricted General Fund

Each year when the District budget is developed, we utilize allocations and ratios for school sites, historical trend data, on-going contractual obligation information, account analysis, and State funding projections. Historically, the most significant variable in the budget has been enrollment. However, this year, as in the last six years, the most significant variable is the State funding that will be available in future years.

In June 2021, when the 2021-22 Budget and multi-year plan was adopted, the Local Control Funding Formula (LCFF) methodology was utilized. The LCFF funding model establishes base grants for four grade levels and provides supplemental and concentration grants to low income and English learner students.

**LCFF Factors
2021-22**

Factors	K-3	4-6	7-8	9-12
Base grant per ADA	\$8,934.00	\$8,214.00	\$8,458.00	\$10,057.00
% Enrollment eligible	53.08%	53.08%	53.08%	53.08%
53.08% of Supplemental	\$948.43	\$872.00	\$897.90	\$1,067.65
(percentage above 55%)	\$0.00	\$0.00	\$0.00	\$0.00
Total 2019-20 LCFF Target Grant per ADA	\$9,882.43	\$9,086.00	\$9,355.90	\$11,124.65
ADA Grade Spans	7,795.18	5,651.19	3,611.33	7,652.47

LCFF funding can increase or decrease based on the following four major variables:

- Grade Level ADA – Base grant per ADA at the elementary level generates approx. \$1,000 less per ADA in funding in comparison to funding for secondary level.
- Unduplicated Pupil Count Percentage – The unduplicated pupil count percentage impacts how much Supplemental and Concentration funding is received. Every 1% change results in a \$.4 million change in Target funding.
- COLA – The cost of living adjustment increase. COLA only years beginning 2019-20.

In light of the above, it is important to note that a significant amount of the funds utilized to obtain a 3% reserve in the three year projection is one-time funding and/or transfers from sources that are not on-going.

As of 2016-17, the District does not receive any Concentration funding due to having less than 55% Unduplicated Pupil Count.

2021-22 BUDGET AND MULTI-YEAR PROJECTION

Budget Assumptions

There will be some additional changes as we move through the alignment of the LCAP implementation process and the budget.

Primary Budget Components and Multiyear Budget Assumptions include:

- The net impact of COLA, UPP, and ADA changes, results in projected net revenue increase of \$11.8 million in 2021-22 and a decrease of \$3.6 million in 2022-23.
- The District's estimated Unduplicated Pupil Percentage (UPP) for 2021-22 supplemental and concentration funding has decreased from 53.10% in Second Interim (March 2021) to 53.08%, and it is estimated at 52.59% for 2022-23.
- The District's multi-year enrollment is projected to decrease 361 students in 2021-22 based on agreed upon assumption of 1.5% decrease. However, this assumption must be reviewed each year.

- The Budget reflects categorical COLA's at 1.70% for 2021-22 and 2.48% for 2022-23.
- The workers compensation rate was at 1.693% in 2020-21 and it is budgeted at 1.675% for 2021-22 and 2022-23.
- Health and Welfare cost increase from the prior year is \$0.4 million for 2021-22. Health and Welfare projected increase is estimated at 8% for the future years.

2021-22 BUDGET AND MULTI-YEAR PROJECTION

Budget Assumptions

Local Control Funding Formula (LCFF)

The 2021-22 enacted budget appropriates 5.07% for continued implementation of the LCFF. Due to COVID-19 and distance learning, the 2020-21 LCFF funding was based on 2019-20 P2 reported ADA. In 2021-22, based on greater of current or prior year ADA, the LCFF will again be funded based on 2019-20 P2 ADA. In 2021-22, there will not be any cash deferrals of LCFF funding.

California State Teachers' Retirement System (CALSTRS)

The final State Budget 2021-22 employer rate is set at 16.92%. The overall impact of CalSTRS employer rate increase on the District budget are cost increases of \$0.6 million for 2014-15, \$2.9 million for 2015-16, \$5.2 million for 2016-17, \$7.3 million for 2017-18, and \$9.9 million in 2018-19, \$10.9 million in 2019-20, \$9.7 million in 2020-21, and \$10.8 million in 2021-22.

California Public Employees' Retirement System (CALPERS)

The final State Budget includes a CALPERS employer contribution rate of 22.91% for 2021-22. The overall impact of CalPERS employer rate increase on the District budget are cost increases of \$2.3 million in 2018-19, \$2.9 million in 2019-20,

\$3.4 million in 2020-21, and \$4.4 million in 2021-22. There will be increases each year to the employer rate that will add to the squeeze on the base revenue.

Mandates

For K-12 districts, the State will provide one-time funding towards prior mandate claims. Trailer bill language intends that school districts prioritize these funds for implementation of the Common Core State Standards, though a district can use these funds for any one-time purpose. Glendale USD will use a portion to cover some of the I-Ready cost.

Mandated Block Grant (MBG)

In 2020-21, the State Budget provides approximately \$33 per ADA for Grade span K-8 and \$63 per ADA for Grade span 9-12. The 2021-22 estimated Budget is approx. \$1,000,000.

2021-22 BUDGET AND MULTI-YEAR PROJECTION

COVID-19 Expenses & CARES ACT Funding

For 2020-21, there are one-time Federal and State CARES ACT funding available such as Learning Loss Mitigation Funding (LLM), SB117, and Elementary & Secondary School Emergency Relief (ESSER) fund that will be utilized to claim related expenditures. The total one-time CARES Act funding for Glendale Unified School District is approximately \$116 million. As of June 30, 2021, we have received \$33.6 million income and the total expenditures including contribution to other programs as of June 30, 2021 are equal to \$41.8 million. There will be ongoing budget adjustments to 2021-22 and out years to record the additional expenses and revenues.

2021-22 BUDGET AND MULTI-YEAR PROJECTION

Budget Assumptions

Local Control and Accountability Plan - Due to the State requirement, school districts are required to produce and adopt a district LCAP plan aligned with their annual budget and spending plan. In 2014-15, Glendale USD generated new account codes to monitor the LCAP transactions. The 2018-19 Budget reflected new account codes for LCAP. The 2019-20 LCAP budget included the “LCFF Budget Overview for Parents”. The requirement for the LCAP Plan has been waived for 2020-21 and instead districts are required to adopt a Learning Continuity and Attendance Plan (LCAP) by September 30, 2020. For 2021-22, the District Board of Education approved a 3-year plan on June 15, 2021, as well as the “LCFF Budget Overview for Parents”.

K-3 Grade Span Adjustment (GSA) - Unless there is a collectively bargained alternative ratio in place, districts must ensure all school site average class enrollment ratios meet the target ratio of 24:1 average for the grades TK-3. Districts that fail to meet this requirement at each school site will lose 100% of this additional funding in that fiscal year. GUSD had a collective bargaining alternative ratio in place for 2018-19. However, the District has budgeted TK-3rd grade class size average at 24:1 by school site beginning 2019-20 school year.

Reserves - As a result of the passage of Proposition 2 in November 2014, a requirement was added that would place limits on the level of reserves school districts can maintain when certain conditions exist. Based on the 2020-21 State

Budget Act, not all the conditions of those limitations were met; therefore, the cap will not be triggered. However, starting in 2016-17, the State required school districts to adopt a budget that includes a combined, assigned and unassigned ending fund balance in excess of the minimum recommended Reserve for Economic Uncertainties (REU) to provide the ending balance components resulting in the excess and reasons for the excess in a public hearing.

Projected Reserve Balances and Flexibility Available Outside of Unrestricted General Fund at the End of 2020-21:

<u>Reserve Balances – End of 2021-22</u>	<u>In Millions</u>
• Special Education Reserve	\$0
• Retiree Health Benefits Fund 20.0	\$0
• Early Retirement Benefits Fund 67.2	\$1.08
• Restricted Major Maintenance Reserve	\$2.31
• Deferred Maintenance Fund 14.0	\$5.53
• Debt Service Fund 56.0	\$2.58
Total Remaining to Budget	\$11.50

Tier III Flexibility Options – These options were eliminated in the final 2013-14 State budget and replaced by the LCFF.

OTHER FUNDS

Student Activity Special Revenue Fund #08.0

The California Department of Education (CDE) has required a special revenue fund for use to account for all the revenue and expenses for all the Associate Student Body (ASB) funds. The Governmental Accounting Standard Board Statement No. 84 (GASB84) was established to improve identification of fiduciary activity reporting by state and local governments. CDE has concluded that ASB activities are not fiduciary and therefore need to be included in the District's financials.

As of 2020-21, the District has 16 elementary, 4 middle, and 5 high school ASBs. The following financial statement is to recognize the revenues and expenditures for all ASBs.

Special Education Pass-Through Fund #10.0

The California Department of Education (CDE) has required a special revenue fund for use by the Administrative Unit (AU) of a Special Education Local Plan Area (SELPA) to account for Special Education inter-district pass-through revenues outside the General Fund.

As **background**, over the past several years the CDE noticed that reporting special education pass-through revenues in the General Fund of a SELPA AU impairs meaningful comparisons of the AU with otherwise-similar local educational agencies. Additionally, in one instance, the SELPA pass-through balance masked an unrelated fiscal solvency issue that otherwise would have been apparent. To

minimize these issues, the CDE established Fund 10.0 to separately account for special education pass-through revenues.

Since Glendale is the Administrative Unit for the Foothill SELPA, a new fund needed to be established. Glendale receives all the SELPA revenues and then distributes these pass-through revenues to the other member agencies of Burbank Unified School District and La Cañada Unified School District. However, any revenues retained for use within the Administrative Unit are accounted for in Glendale's General Fund and not the new Fund 10.0. The fund was established in 2011-12.

Note:

According to our Auditors, since the monies we receive in Fund 10.0 belongs to La Canada and Burbank USDs, we must not accrue it as receivable to avoid overstating our assets. We will record the income in the year it is received and pay in the same year. In 2016-17 we won't have fund 10 as a reclassification item in our audit report. The plan is to record the in and out in the year it occurred.

The State Revenue (interest) is being transferred to Fund 01.0. If we don't receive the income before the year end closing from LACOE, we will end up with a state revenue balance in our books for that particular year.

CHILD DEVELOPMENT FUND - #12.0

Child Development and Childcare Department (CDCC)

This fund is utilized to account for the various programs that support early education and extended learning programs. It contains both Federal and State programs. The following is a summary of the major programs within this fund:

Child Development:

Name: General Child Care and Development Programs
School: 15 elementary schools and one center – targeted at 388 School-Age Students
Operate: Full-day program is offered Monday through Friday, from 6:30 a.m. to 6:00 p.m. for 246 days.

State Preschool:

Name: California State Preschool Program

Part Day:

School: Three elementary schools – targeted at 136 Preschool Students
Operate: Three-hour State Preschools are open from 8:30 to 11:30 a.m. or 12:30 to 3:30 p.m. for 180 days.

Full Day:

School: Two elementary schools and two centers – targeted at 157 Preschool Students
Operate: Full-day program is offered Monday through Friday, from 6:30 a.m. to 6:00 p.m. for 246 days.

Due to COVID-19 and distance learning in 2020-21, there were no preschool and before and after school programs offered. In

2020-21, the District was able to provide Technology Learning Pods at the elementary schools for students who needed to be at the school for distance learning. The following narrative outlines the goals and objectives for the preschool and school age students in the various programs that are offered:

Preschool: Our preschool programs promote age-appropriate educational experiences that include exploration and learning in literacy, mathematics, science, and physical/social-emotional development. These programs prepare students for Kindergarten.

School-Age: The EEELP School-Age Programs (elementary schools) incorporate Common Core State Standards in a student-centered stimulating environment that meets the individual needs, interests, and differences of each student. These center-based activities are aligned with the California's Child Development Division's Desired Results for Children and Families, which is an evaluation process. Students receive assistance with homework and study skills in a group setting. Parents/guardians are provided opportunities for education and parent involvement which serves as a bridge between home and school.

CHILD DEVELOPMENT FUND - #12.0 Child Development and Childcare Department (CDCC)

Ending Fund Balance: The California Department of Education (CDE) advised districts to have three months of operating capital to operate their program during the contract period prior to receiving their first State apportionments in the event that State apportionments are withheld, delayed, lost in the mail, and so forth. According to CDE, a contracted district is responsible for paying their bills regardless of any interruption in the flow of State funds. The State swept these reserves by decreasing the funding.

Due to COVID-19 and school closure in 2020-21, the CDCC department was not able to collect parent fees; meanwhile, incurring the expenditures such as salaries and benefits of their employees. This shortfall of the revenue was covered by Elementary & Secondary School Emergency Relief (ESSERII) Funds. This was for a total of \$1.6 million.

NUTRITION SERVICES FUND – #13.0

The **Nutrition Services Fund**, with a budget of approximately \$10 million, is the operating account for the Nutrition Services Department, which provides lunch and at most sites breakfast and snacks to our students. This program does **not** receive financial support from the General Fund; it must generate enough revenue to sustain the program. This is especially challenging when the costs continue to rise for food, paper goods, gasoline, salaries, and benefits at the same time that our student population is decreasing and legislative changes are occurring. In response to this challenge the following has occurred:

- More efficient and effective methods are being utilized to prepare and serve the food.
- In 2007-08, a new on-line student payment system was implemented.
- A concerted effort has been made to increase student participation and sales. In 2018-19, approx. 2.8 million meals were served, an average of 15,856 meals per day.

The District assessed the Nutrition Services Department for indirect costs. This is a reimbursement to the General Fund and is based on a State formula.

Meal Prices

Breakfast: Prior to 2007-08 the price of breakfast for elementary and secondary schools had not increased in 17 years. In 2007-08, the price went from \$0.75 to \$1.00 and in 2008-09 it increased to \$1.25.

Lunch: Prior to 2007-08 lunch prices had not increased in 11 years. *Elementary:* In 2007-08 the price went from \$1.50 to

\$1.75 and in 2008-09 it increased to \$2.00. In January 2014, it increased to \$2.25; and on June 1, 2015, the price increased to \$2.50, and in 2016-17, it increased to \$2.60. *Secondary:* In 2007-08 the price increased from \$1.75 to \$2.00 and in 2008-09 it increased to \$2.25. In 2011-12, it increased to \$2.50. In 2016-17, it increased to \$2.60 to comply with the Healthy Hunger Free Kids Act. In January of 2018, it increased to \$2.75. The District participates in federal and state meal programs including the National School Lunch Program, which provides nutritionally balanced, low-cost or free meals to children each school day.

At the start of 2020-21 school year, due to distance learning, Nutrition Services has been providing lunch at the Learning Technology Pods. Also, Nutrition Services provided “grab and go” meals for all the GUSD students. As of September 1, 2020, the daily average of meals provided to our students was 4,500. In 2021-22 school year, the Nutrition Services still provides free meals to all students.

Legislative Changes: **SB 965 “Beverage Bill”** banned sodas from being served in schools. The District can only serve water, milk, and juice. Secondary schools may serve electrolyte replacement beverages. **SB 12 “Snack Bill”** banned the sale of snacks that exceed calorie, fat, saturated fat, and sugar maximums set forth in the legislation. The **Healthy Hunger Free Kids Act** went into effect July 2012. This new law requires the District to serve more fruits, vegetables, and whole grains, while decreasing calories, fat, saturated fats and sodium.

Nutrition Education: In the 2012-13 school year, the District implemented the new lunch regulations.

DEFERRED MAINTENANCE FUND - #14.0

The **Deferred Maintenance Fund** was established to conform with **Education Code Section 17582**. The guidelines and funding were created by the State Legislature to assist school districts with the tremendous financial burden of maintaining school facilities. The funding model was built on the concept that the State would provide an amount based on a formula that utilizes state-wide data. The State funding would then be contingent on the District providing matching funds.

In 2006-07, the auditors required the accounting for the revenue in this fund to change from an accrual basis to a cash basis. This change was necessary due to the delays in State funding.

In 2008-09, in response to the State fiscal crisis, the funding was decreased from \$1,291,090 to \$965,191, and flexibility was given to districts.

The State Deferred Maintenance Revenue became “unrestricted” and was deposited directly into the Unrestricted General Fund to be utilized for general fund purposes. The required matching funds from the Unrestricted General Fund for the Deferred Maintenance Program were also eliminated.

In 2009-10, the District transferred the \$4.76 million fund balance into the Unrestricted General Fund and back to the Deferred Maintenance Fund. The transfer process reserved the District’s flexibility to utilize \$4.76 million as needed in future years.

In 2010-11, to meet the requirements of GASB 54, the entire ending balance of \$4.89 million was committed for deferred maintenance activity. This can be un-committed by the Board at any time for General Fund use.

In 2011-12, projects previously listed as Deferred Maintenance were charged to Capital Projects Fund #40.1. This preserved the Deferred Maintenance monies to be utilized for General Fund purposes if they are needed in a future year.

In 2012-13 and 2013-14, the Deferred Maintenance Projects are charged to the Measure S Bond Fund #21.1. In 2013-14, the State permanently eliminated Deferred Maintenance funding. The balance of \$5.4 million in 2020-21 has been committed to meet the requirement of GASB54. This can be un-committed by the Board at any time for future textbook purchases.

POST EMPLOYMENT BENEFITS FUND - #20.0

The **Post Employment Benefits Fund #20.0** was originally established to create a reserve for the future retiree health insurance liability as defined by GASB 45. However, in the State software this fund only allows lump-sum monies to be transferred into the fund and does not provide for the utilization of a percentage benefit in the payroll system. Utilizing a percentage in the payroll system is a preferable methodology since it allows all programs to contribute towards the GASB 45 liability.

To accommodate this change in methodology, a new Early Retirement Benefit Fund #67.2 was created in 2008-09 to conform to the State accounting system.

Unfortunately, even though there is a significant future liability for retiree health insurance premiums, Fund #20.0 is no longer being reserved for that purposes. As a result of the State fiscal crisis, it is being used for “solvency transfers” to the Unrestricted General Fund. The only revenue generated in Fund #20.0 since 2008-09 is interest income.

The “solvency transfers” were made to the Unrestricted General Fund in the following manner: \$3,750,000 in 2011-12, and \$2,761,008 in 2012-13. This fund was depleted and closed at the end of 2012-13 (See Appendix IV –Reserve Balances and Designations).

MEASURE K BUILDING FUND - #21.0

This **Building Fund** was created to record the expenditures that were made from the \$186 million Measure K General Obligation Bond that was passed in 1997. The funds from Measure K were restricted and could only be used for major repairs, the renovation of school campuses, and new school construction.

In addition to the annual audit, the projects and expenditures in this fund had additional oversight from a committee. This oversight was provided by the Advisory Bond Committee (ABC). The ABC was formed on June 25, 1997 and comprised of public volunteers to provide oversight to the bond projects. The ABC Committee completed its work in August 2010.

The Measure K bond proceeds provided the matching funds needed for the District to access approx. \$180 million in State construction funding. The State monies were initially deposited into Fund #35.0 and then transferred into Building Fund #21.0.

The Measure K funding was fully expended in 2010-11 with the completion of the Glendale High School Project. In 2011-12 and 2012-13, this Building Fund was expanded additional level to reflect Measure S General Obligation Bond Fund #21.1 and Clean Renewable Energy Bonds Fund #21.2.

MEASURE S BUILDING FUND - #21.1

Measure S Building Fund #21.1 is utilized to record the expenditures made from the \$270 million Measure S General Obligation Bond that was passed in April of 2011 by 69.9% of the voters. The funds from Measure S are restricted and can only be used for major repairs, the renovation of school campuses, technology, new school construction, furniture, and equipment. This fund reflects the first issuance of \$54 million Measure S General Obligation Bond. In 2017-18, a total of \$1.7 million was transferred in from Developer Fee Fund (25.0) to fund Dunsmore ORG Project.

Additionally, in 2014-15, the “Series B” bonds were issued for the amount of \$70 million and in the denomination of \$5,000 principal amount each. The \$6.5 million of the proceeds from the sale of the bonds was utilized in 2014-15 to pay off the remaining balance of Certificates of Participation (COPs).

The “Series C” bonds for \$70 million was issued in August 2016. A \$38 million General Obligation Bonds “Series D” was issued in September 2018. In 2020-21, a total of \$0.74 million was transferred in from Capital Improvement Fund (40.1) to support the GHS chiller replacement project. Also, in 2020-21, a total of \$3 million was transferred in from County School Facilities Fund (35.0) to support State, Career Technical Education Grant funding for Clark Magnet High School.

There are currently three citizen committees assisting the District with the implementation of this program:

- Citizen’s Bond Oversight Committee (CBOC) - The Measure S Bond is subject to Proposition 39 guidelines and requirements. The CBOC was established to perform the audit oversight outlined in Education Code Section 15278.
- Superintendent’s Facility Advisory Committee (SFAC) was formed to provide advice on matters related to selection and implementation of Measure S and Facilities Projects.
- Superintendent’s Facility Advisory Technology Sub-Committee (SFATS) was formed to advise the SFAC in matters related to the technology infrastructure and the implementation of emerging technologies.

A listing of current CBOC, SFAC, and SFATS committee members is available on the District’s website under the “Measure S Update” link.

A complete list of the projects authorized with budget assignments and expenditures through June 30, 2020 is in Appendix VII. A more detailed report is available on the District’s website.

Notes to Inter-Fund Transfer Out

2020-21 Transfer of \$216,954 to Fund 40.1 for expenses that should have been charged to Fund 21.1 instead.

CLEAN RENEWABLE ENERGY BONDS – FUND #21.2

Clean Renewable Energy Bonds (CREBs) are federal bonds used to finance photovoltaic and water heating installations at rates lower than most tax-exempt municipal bonds. The federal government subsidizes the financing by lowering the borrowed interest rate (Net Effective Rate) in the form of federal tax credits.

The District applied for CREBs in 2009 and received authorization to issue the bonds at 12 school sites. The initial \$4.3 million of CREBs were issued as part of the first series of Measure S bonds (\$54 million) in 2011, and is reflected in the Measure S Building Fund #21.1. Crescenta Valley High School, Rosemont Middle School, Monte Vista Elementary, and Mountain Avenue Elementary solar projects were financed with this initial issuance of CREBs.

CREBS Fund #21.2 was established to account for \$5.38 million in the second series of CREBs issued in October 2012. Due to the nature of tax-exempt bonds, the proceeds are held with a banking entity serving as the “Custodian” and the funds are disbursed to the “District” upon a reimbursement request. Deutsche Bank National Trust Company serves as the “Custodian” for Glendale Unified School District.

The second series of CREBs have been fully utilized for the District solar projects and the proceeds were fully claimed from the Custodian.

The second series of bonds will mature in 17 years and are expected to be re-paid using redevelopment agency proceeds transferred from Unrestricted General Fund. The annual principal and interest payment for 2021-22 is estimated at \$437,118. This payment will be made from the Capital Projects and Improvement Fund (40.1). Glendale High School, Roosevelt Middle School, Marshall Elementary, Fremont Elementary, Balboa Elementary, and Franklin Elementary solar projects were financed with this second series of CREBs.

In October 2016, the third series of CREBs was issued for \$10.7 million. The District is the sole “Custodian” of this series. These bonds will mature in 17 years and are expected to be paid using redevelopment agency proceeds transferred from Unrestricted General Fund. Solar Projects at Cerritos, Jefferson, Mann, Muir, and R.D. White Elementary Schools; and Toll and Wilson Middle schools; and Glendale and Hoover High Schools were funded with this series of CREBS. The annual principal and interest payment for 2021-22 is estimated at \$872,703. This payment will be from the Capital Projects Fund (40.1).

In 2020-21, total expenditures in this fund was \$0 and the ending balance on June 30, 2021 was \$74,412.

Notes to Inter-Fund Transfer Out

2020-21 Transfer of \$216,954 to Fund 40.1 for expenses that should have been charged to Fund 21.1 instead.

DEVELOPER FEE FUND - #25.0

Education Code Section 17620 authorizes the governing board of a school district to levy a fee established by the State for development within its borders. The **Developer Fee Fund** income must be used for the rental or purchase of modular classrooms, the purchase of property, and/or for other major classroom facility needs as approved by the Board of Education.

In the spring of 2012-13, this fee was increased from \$3.20 per square foot of residential construction to \$3.36 per square foot. The increase for commercial construction was \$.51 per square foot to \$.54 per square foot. The fee is assessed on new construction that is over 500 square feet and there are some exemptions to the fee that relate to buildings for religious purposes and senior citizen housing.

The amount of the fee is established by the State Allocation Board and is revised every two years. However, due to the State recession the State Allocation Board did not increase the fee allowance in 2009-10 and 2010-11.

Government Code Section 66001 and 66006 require the District to provide an annual report to the public regarding the fee collection and usage, this report is provided to the Board in December. Currently the City of Glendale collects the developer fee for the construction that occurs within the Glendale City limits. This relieves a significant burden from the District and provides a more streamlined process for the individuals obtaining the various permits required for construction. The District's Business Services Division collects fees for the areas that are outside of City limits. In 2016-17, the District received approx. \$1.6 million. In 2017-18, the budget is \$1.0 million of anticipated fee revenue.

In December 2009, the District utilized this Fund to purchase three properties that are contiguous to the District Administration building. The cost of the purchase was \$2.35 million.

In May 2013, the District transferred \$4,316,777 to the Measure S Projects Fund (21.1) for the Keppel Elementary School project.

In May 2014, the District transferred \$4,000,000 to the Measure S Projects Fund (21.1) to support Measure S project activities.

In May 2016, the District transferred \$1 million to the Measure S Projects Fund (21.1) for the Muir ORG Project and \$650,000 to Capital Projects and Improvement Fund (40.1) for the installation of portable buildings at Cloud Preschool.

In March 2017, the District transferred \$1.25 million to the Measure S Projects Fund (21.1) for R.D. White ORG project; \$1.0 million for Glendale High School ORG Project; and \$0.7 million for Dunsmore ORG Project.

In December 2017, the District transferred \$1.7 million to the Measure S Projects Fund (21.1) for Dunsmore ORG Project.

In 2018-19, \$850,000 was transferred to Fund 40.1 for the Cloud Preschool portable project.

In December 2019, the District transferred \$0.5 million to the Capital Projects Fund (40.1) for Cloud Preschool portable project.

CAPITAL PROJECTS FUNDS – COUNTY SCHOOLS FACILITIES FUND - #35.0

This **Capital Projects Funds – County Schools Facilities Fund** was established to receive allocations from the State Building Program. The revenues that are recorded in this fund are for modernization projects, new construction projects, and the Overcrowded Relief Grants (ORG) which is also known as the portable classroom replacement program.

The fund is for projects that meet a complex series of requirements. The project applications and various support documents must be approved by the California Department of Education (CDE), Office of Public School Construction (OPSC), Division of State Architect (DSA), and the State Allocation Board (SAB). The funding always requires matching dollars from the District to go towards the cost of the project. During the 2011-12 year-end closing process, there was a transfer of \$2,474,951 from the Capital Projects Fund 40.1 to this fund. This amount represents the unspent portion of the State match for the Roosevelt Project. A payable has been set up in this fund to return the unspent monies back to the state. The State projects have generally aligned with the District's Measure K and Measure S construction projects to supplement those resources. On August 8, 2017, almost all of the fund balance in this fund for \$145,179 was transferred to Measure S Building Fund #21.1. In 2016-17, we received no

income from Office of Public School Construction (OPSC). In 2018-19, \$2.5 million was transferred from this fund to Fund 40.1 as a refund from State ORG funds for Roosevelt Middle School ORG project. In 2020-21, \$3 million was transferred from this fund to Measure S Building Fund (21.1) to support State Career Technical Education Grant Funding for Clark Magnet High School. The income for qualifying construction projects has all be received and there are no qualifying construction projects for the future either.

The following is a summary by year of the monies received and the related transfers since 2007-08.

CAPITAL PROJECTS FUND - #40.1

The District maintains two capital outlay funds (40.1 and 40.2). The monies in these funds have been designated for capital expenditures, which could be construction projects and/or major equipment purchases.

Capital Projects Fund #40.1 - The primary revenue source in this fund is interest earnings, litigation, and transfers in from other funds. It is a combination of the following:

- **Construction Litigation Proceeds:** The District was involved in litigation for the remediation of construction defects at the Crescenta Valley High School. The District received \$2.2 million in 2008-09, \$756,945 in 2009-10 and \$1,080,000 in 2010-11.
- **Community Redevelopment Agency (CRA) Monies:** These monies were received from the Los Angeles County and are generated by the projects in the San Fernando Tax Corridor Project Area and the Central Redevelopment Project Area. The funds are restricted to capital improvements. The redevelopment monies are deposited into the Unrestricted General Fund and then transferred into Fund #40.1.
- **One-time Funds:** The Board of Education can designate monies to be utilized for capital items. An example of this was in 2006-07 when the District received a \$3.15 million payment from the Mandated Cost Program. The Board allocated these one-time funds to Fund #40.1 and originally designated them to assist with the Columbus Elementary School construction project.
- **State Construction Funds:** Beginning in 2009-10, this fund was utilized to account for construction projects that are partially funded by the State. In 2011-12, \$2,474,951 was transferred back to the Fund #35.0. These monies will be returned to the State and reflect the excess State funds on the Roosevelt Middle School Project.

CAPITAL PROJECTS FUND - #40.1

Summary of Revenue for 2020-21 Fund #40.1	
Interest Revenue	\$100,868
Community Redevelopment Agency	\$3,625,966
Palmer Property Leases and Rentals	\$144,121
CREBS Subsidy Payments	\$345,422
Other Local Revenue	\$92,049
Other Transfer in, to cover Prop. 39 & Cloud Preschool	\$362,326
Total Revenue	\$4,670,752

Expenditures: Historically, this fund has been used to provide additional funding for Measure K projects, furniture and equipment for sites undergoing construction, and technology. In 2007-08 through 2009-10, this fund was utilized to pay for the Crescenta Valley High School remediation projects. In 2009-10 and 2010-11, this fund was utilized for the construction costs related to the Roosevelt Middle School Overcrowded Relief Grant Project, the Glendale High School Modernization Project, and other capital projects.

Components of Ending Fund Balance	
State and Local Funds:	
Palmer Property Swap and Rentals	\$4,328,487
GHS Aquatics	110,583
CVHS Appeal*	406,469
CA Clean Energy – Prop 39	354,291
Community Redevelopment Agency	13,582,072
Cloud Preschool Portables	112,916
High Priority Capital Projects	93,165
Interest & Other **	1,615,837
Total Ending Fund Balance	\$20,603,820

*Includes \$400,000 for future field turf projects.

**Includes \$200,000 for future field turf projects.

In 2010-11, this fund was utilized for Measure S construction projects as a bridge until Measure S bond funds become available.

In 2011-12, these were re-paid and are reflected in the “Inter-fund Transfer In” account. The fund was also used for the completion of the Glendale High School project, the Roosevelt Middle School project and the Summer Deferred Maintenance projects. Additionally, in 2011-12, there was a transfer of \$2.5 million from this fund to County Schools Facilities Fund 35.0. This amount represents the unspent portion of the State match for the Roosevelt Project. A payable has been set up in Fund 35.0 to return the unspent match back to the State.

In 2012-13, the State funds for Hoover High School, \$4.4 million, were transferred to the Measure S Bond Fund 21.1 and utilized for the renovation of the athletic field.

CAPITAL PROJECTS FUND - #40.1

In 2013-14, \$11.5 million was transferred to the Fund 21.1 to support Measure S projects.

In 2013-14, 2014-15, and 2015-16, Proposition 39 funds were spent on energy efficiency projects in the District.

In 2014-15, the rental income from the Palmer properties offsets property repairs, as well as the Wilson and Church property rentals. Sales of the PDC/Palmer Property Swap was \$7.2 million; however, the net proceed was \$3.8 million.

In 2015-16, \$0.65 million was transferred to Fund 40.1 for the installation of portables at Cloud Preschool. Additionally, the increase in other local revenue was due to solar energy incentive from the City of Glendale and sales proceeds of surplus properties.

In 2017-18, \$3 million was transferred to Fund 40.1 from Unrestricted General Fund. In 2018-19, \$0.85 million was transferred in from Fund 25.0 for the Cloud Preschool portables project. Also, in 2018-19, \$2.5 million was transferred in from Fund 35.0 for Roosevelt Middle School ORG project refunding.

In 2019-20, \$2.3 million was transferred to the Measure S Projects Fund (21.1) for GHS Pool project.

In 2020-21, \$0.73 million was transferred to the Measure S Projects Fund (21.1) for GHS chiller replacement project.

Bond Interest and Redemption Fund - #51.0

The **Bond Interest and Redemption Fund #51.0** is administered by L.A. County. This fund was established to record the monies collected through property taxes and utilized to repay the \$186 million general obligation bond that was approved by the voters in 1997. The fund will also be utilized to repay the \$270 million General Obligation Bond that was approved by the voters in 2011.

L.A. County Tax Assessor determines the tax rate needed each year to provide sufficient revenues to make the payments to the bond holders. The County collects the property tax monies, makes the payments, and maintains the records.

The financial detail provided on the following pages was supplied by the County.

Glendale Unified School District Tax Rate History

DEBT SERVICE FUND - #56.0

In 1994, the District entered into a long-term lease agreement to provide the financing of the acquisition and installation of equipment and capital improvements. The debt financing methodology was to issue Certificates of Participation (COP). The original Certificates were re-funded/re-financed in 2003 which resulted in a lower interest rate for the District. The annual repayment of principal and interest on the COP was approximately \$1.3 million.

The Debt Service Fund has been utilized by the District to accumulate a reserve that is sufficient to retire the debt. It has also been considered a reserve that could be utilized to assist the District if there are cash flow needs resulting from the State's inability to pay the District revenues in a timely manner, or if there are urgent needs that require an immediate short term funding source. Due to the State fiscal crisis and resulting reductions in General Fund monies, the payment for the COP in 2008-09 was made directly from the Debt Service Fund.

In 2009-10 and 2010-11, the payment for the COP was made from Capital Outlay Special Reserve Fund #40.1.

In 2011-12, 2012-13, and 2013-14, the payment was made from Measure S funds. The COPs was fully retired with Measure S funds in 2014-15 by the proceeds from the sale of new bonds (the Series B bonds).

In 2015-16, a solvency transfer of \$1.4 million was utilized to continue funding Common Core State standards math program in lieu of a book adoption as no high quality materials aligned with the new standards exist. In 2016-17, a solvency transfer of \$1.5 million was utilized for the same purpose.

In 2017-18, a solvency transfer of \$1.2 million was utilized for textbook adoption.

In 2018-19, a solvency transfer of \$600,000 was utilized for textbook adoption.

In 2019-20, a solvency transfer of \$4.5 million was utilized for textbook adoption.

In 2020-21, a solvency transfer of \$4.5 million was utilized for textbook adoption.

Due to the uncertainty of State funding, this fund will be utilized as necessary to maintain solvency of the General Fund in future years and purchase textbooks adopted under California Common Core State Standards.

HEALTH AND WELFARE FUND - #67.0

The purpose of this fund is to account for the dental and vision insurance plans that are self funded by the District. This includes the **Delta Dental coverage** that is provided through a Joint Powers Authority (JPA). In 2012-13, the District changed from Alliance of Schools for Cooperative Insurance Program (ASCIP) to Alameda County Schools Insurance Group (ACSIG) as a participating member of the Education Dental Group Enterprise (EDGE).

In 2012-13, ASCIP refunded \$1.8 million to the District. This was the District's equity in the ASCIP JPA.

The CIGNA and Safeguard dental coverage provided by the District are not self funded and not recorded in this fund, direct payments are made from the General Fund to these vendors. The **VSP vision coverage** is self funded and recorded in this fund; the vision program is administered directly by VSP. The payroll system allocates the expense for the coverage to the various programs in all the funds. Then, an offsetting transfer is made to the revenue account Fund #67.0. The cost

of the claims and transfers to the third party administrator are the only expenses in this fund.

The exception to this was in 2006-07 when \$1 million was transferred to the Post Employment Benefits Fund #20.0 to set aside monies to cover the GASB 45 liability. Due to the State fiscal crisis, these monies have since been transferred to the Unrestricted General Fund.

Additionally, for 2017-18 school year, the District "carved-out" the pharmaceutical services from the incumbent health care provider and is now self-funded, based on the decision and recommendation of the District's Benefits Committee.

Pharmaceutical services were administered by MedImpact effective October 1, 2017. Expenses and revenues of this program is allocated the same way as the vision and dental. The budget to fund this expense is \$5.3 million.

WORKERS' COMPENSATION FUND - #67.1

In 2007-08, the District made a determination that it would be more cost effective to obtain workers' compensation coverage outside of the School Linked for Insurance Management (SLIM) JPA. The change of coverage was to be effective for 2008-09. In preparation, the District established Fund #67.1 in 2007-08. The sole function of the fund is to account for costs related to the **workers' compensation program**. In 2007-08, \$6.6 million was received from the SLIM JPA representing a portion of the District's equity in the JPA. The balance of the District's equity and claims liability was to be determined over the next two years. The rate charged for workers' compensation coverage by the SLIM JPA for 2007-08 was **3.9% of payroll**.

In 2008-09, the District bid the program and Liberty Mutual was selected as the carrier for a rate of **2.27% of payroll**. This reduction from 3.9% to 2.27% resulted in a savings to the District of approx. \$2.4 million.

In 2009-10, the program was again evaluated and it was determined that coverage should be transferred to Alliance of Schools for Cooperative Insurance Program (ASCIP) JPA. ASCIP is a large JPA that provides workers' compensation coverage, property and liability coverage, as well as medical coverage. Their rate of **2.46%** was less than the renewal rate proposed by Liberty Mutual. Additionally in 2009-10, the District received \$5.6 million from the SLIM JPA. This represented the final payment of equity. Along with that transfer of funds, the District accepted all outstanding workers' compensation claims occurring prior to 2005-06. This means the District accepted the claims management responsibilities,

as well as the fiscal obligation for approx. 100 claims. A portion of the funds received from the SLIM JPA have been reserved for that purpose.

In 2010-11, the District continued its coverage through ASCIP at a rate of **2.6%**. However, due to the State's fiscal crisis and the need for monies in the General Fund, a rate of 1.3% was applied to payroll and the 1.29% balance (approx. \$1.8 million) of the payment to ASCIP was made from the reserves in Fund # 67.1. The District's ex-mod was 1.372.

In 2011-12, the District continued its coverage through ASCIP at a rate of 2.919%. However, due to the State's fiscal crisis and the need for monies in the General Fund, a rate of 1.619% was applied to payroll and the 1.30% balance (approx. \$1.8 million) of the payment to ASCIP was made from the reserves in Fund #67.1. The District ex-mod for 2011-12 was 1.441.

In 2012-13, the District continued its coverage through ASCIP at a rate of 2.919%. There was no utilization of fund reserves in 2012-13. The District ex-mod for 2012-13 was 1.467.

In 2013-14, the District continued its coverage through ASCIP at a rate of 3.21%. There was no utilization of fund reserves in 2013-14. The District ex-mod for 2013-14 was 1.507.

WORKERS' COMPENSATION FUND - #67.1

In 2014-15, the District continued its coverage through ASCIP at a rate of 3.338%. The District ex-mod for 2014-15 was 1.567.

In 2015-16, the District continued its coverage through ASCIP at a rate of 3.003%. The District ex-mod for 2015-16 was 1.410.

In 2016-17, the District continued its coverage through ASCIP at a rate of 2.743%. The District ex-mod for 2016-17 was 1.288.

In 2017-18, the District continued its coverage through ASCIP at a rate of 2.399%. The District ex-mod for 2017-18 was 1.159%.

In 2018-19, the District continued its coverage through ASCIP at a rate of 2.232%. The District ex-mod for 2018-19 is 1.105%.

In 2019-20, the District continued its coverage through ASCIP at a rate of 1.940%. The District ex-mod for 2019-20 is .995%.

In 2020-21, the District continues its coverage through ASCIP at a rate of 1.693%. The District ex-mod for 2020-21 is 0.896.

In 2021-22, the District continues its coverage through ASCIP at a rate of 1.675%. The District ex-mod for 2021-22 is 0.886.

It should be noted that there was a \$6 million audit adjustment for 2009-10 to establish the liability associated with the pre 2005-06 claims. At the close of 2012-13, an actuarial analysis was again performed and the liability level was adjusted. The budgeted expenditures in 2012-13 include the coverage payment to ASCIP, claims management and expenses related to the pre- 2005-06 claims, and other related contract services and expenses.

At the end of 2020-21, an actuarial analysis was completed and liability level was adjusted. The District's estimated liability for unpaid loss and allocated loss adjustment expenses at June 30, 2021 is \$1.6 million and that is funding at the 90% confidence level.

EARLY RETIREMENT BENEFITS FUND - #67.2

Fund #67.2 is restricted to accounting for the health insurance premiums the District pays for retirees. This fund was established to set aside monies for the current and future liability resulting from the District providing medical insurance to retirees. The Government Accounting Standards Board established the reporting standards for this insurance liability, and it is commonly referred to as "the GASB #75 liability".

The insurance benefit level varies based upon the employee's job placement/category at retirement i.e., GTA, CSEA, or Management. The following is a summary of the eligibility requirements:

- **GTA:** Employees age 55 to 65; retiring from active service with CALSTRS or CALPERS benefits with 10 or more continuous years of service. For retirements commencing prior to July 1, 2000, the service requirement is 9 years.

Employees retiring on or after July 1, 2014 will have all medical plans currently provided to active employees made available to the retiree and their dependents. The District will contribute \$22,216.25 for 2021-22 toward the retiree's choice of medical benefits and the contribution shall increase yearly by the same percentage increase given to active employees. The dental and vision plans are paid for the District on behalf of the retiree only. The retiree is subject to pay any excess beyond the District contribution amount.

- **CSEA:** Employees age 55 to 65; who are a regular employee 9 out of the last 10 years immediately prior to retirement; the last 2 years of the 10 year period must be consecutive.

For full-time employees retiring after July 1, 2014, the District will provide medical insurance allocation equal to the then-current HMO 2-Party rate to be used towards the cost of the retiree's and dependent medical insurance plan. The District will provide dental insurance for the retiring employee only if covered by the Delta Dental Service (DDS) until he/she reaches the age of sixty-five (65), or until his/her death prior to age sixty-five (65). Such coverage shall be the same as that provided to active employees under the then-current plan. The participant shall be entitled to continue District health plan coverage for their eligible spouse/dependent(s), subject to the retiree contribution for any excess amount beyond the District's contribution at the HMO 2-Party rate established above, at their own expense.

- **GSMA:** Employees age 55 to 65; retiring from active service with CALSTRS or CALPERS benefits with 10 or more continuous years of service; for retirements commencing prior to July 1, 2000, the service requirement is 9 years.

Employees retiring on or after July 1, 2014 will have all medical plans currently provided to active employees made

EARLY RETIREMENT BENEFITS FUND - #67.2

available to the retiree and their dependents. The District will contribute \$23,993.55 for 2021-22 toward the retiree's choice of medical benefits and the contribution shall increase yearly by the same percentage increase given to active employees. The dental and vision plans are paid for the District on behalf of the retiree only. The retiree is subject to pay any excess beyond the District contribution amount.

This fund was created in 2007-08 to comply with changes in the State accounting system and differs from the Post-Employment Benefits Fund #20.0 in that it allows a percentage rate to be calculated and applied to salaries through the payroll system. This produces a charge to each program for the retiree insurance expense and creates a transfer of monies into Fund #67.2 from the various programs. The insurance payments to the carriers are then paid from Fund # 67.2.

This methodology allows the cost of the insurance to be shared by all programs vs. the previous methodology which resulted in the full cost of the premiums to be charged to the Unrestricted General Fund. The initial 2007-08 contribution of \$1.89 million to establish the fund was based on a percentage of payroll in all District programs.

The revenue in 2008-09 and 2009-10 was based on a 2% rate applied to all salaries, and approximately 50% of the rate was

to fund the current liability and the remaining monies were to be set aside to fund the future liability which is currently projected to be \$52.7 million. The future liability is based on an actuarial report that is updated every two years.

In 2010-11, the rate increased to 2.21%; however, monies generated were primarily for the 2010-11 premium costs, and not for future years. The annual cost of the program has increased dramatically due to the increase in insurance premiums and the number of retirees in the program. The increased number of retirees is the result of an early retiree incentive program offered by the District in 2009-10. Another retiree incentive program will impact 2013-14.

In 2012-13, the rate was 1.88%, with all monies generated needed to pay for 2012-13 premium costs. In 2013-14, the rate was 2.17%. However, due to the State's fiscal crisis and the need for monies in the General Fund, a rate of 0.909% was applied to payroll and the balance of the payment was made from the reserves in Fund 67.2.

In 2013-14, \$1.6 million and in 2014-15 \$2.4 million was transferred to the Unrestricted General Fund. This almost eliminated all reserves that were established to address the \$125 million liability.

EARLY RETIREMENT BENEFITS FUND - #67.2

In 2014-15, the rate was 1.684%. However, the rate of .094% was applied to payroll and the balance of the payment was made from the reserves in Fund 67.2 due to State's fiscal crisis and the need for monies in the General Fund.

In 2015-16, the rate was 1.344%. All monies generated were needed to pay for 2015-16 premium costs.

In 2016-17, 2017-18, and 2018-19 the rate of 1.298% was applied to payroll. Funds generated were used to pay premium costs for respective years.

In 2019-20 and 2020-21, the rate of 1.357% was applied to payroll and funds were used to pay premium costs.

MC LENNAN TRUST AND OTHER SCHOLARSHIPS FUND - #73.0

This fund was established in October 1992 from a bequest of two former District teachers, **Ian and Edna McLennan**, leaving a portion of their estate to Hoover High School student body fund. This donation was later placed in a trust account.

This fund's primary source of funding is interest earnings and an occasional donation for a scholarship. Typically, the scholarship donations are managed through the ASB accounts at the high schools. However, if there is a donation that is not directly linked to a school site, it may be deposited into this fund. The only expenditures out of this fund are for student scholarships.

\$328,545 of this fund is for the McLennan Scholarship program. Each year, the interest generated is provided to Hoover High School graduates that qualify to receive this scholarship. To qualify for this scholarship, students must meet the two Basic Criteria plus two of the Additional Criteria as listed below:

Basic Criteria

- Students who have taken 3 or more business courses with a passing grade of C or higher
- Students who make a commitment to pursue a higher education (AA, BA, BS, Trade School) in a Business Career

Additional Criteria

- Business community service of at least 40 hours
- 2-3 years participation in Future Business Leaders of Am., Inc. (FBLA)
- Students who have demonstrated academic improvement via tutoring and mentoring from the Business Department.
- Satisfactory attendance in all classes
- Critically thinking and strong interpersonal skills

APPENDIX III

HISTORICAL BUDGET REDUCTIONS DURING STATE FISCAL CRISIS

	Total
2007-08 Reductions	
Freeze Vacancies (one-time)	2,200,000
Freeze Supplies & Services (one-time)	500,000
Reallocate 20 positions to Categorical	763,000
Sub-total	3,463,000
2008-09 Reductions	
Savings from 5 FTE	358,282
Savings from Special Education	800,000
Workers Compensation Savings	2,891,400
Maintenance Workers 2 FTE	91,000
End-Of-Year Tier III Sweeps (one-time)	5,423,553
CPI Adjustment On Supplies and Services	383,000
Sub-total	9,947,235
2009-10 Reductions	
Admin. & Cont. HS Restructure (9.2 FTE)	670,000
Teacher Staffing Ratio Changes (one-time)	2,000,000
On-going Tier III Sweeps - Includes some staff reductions and Counseling reductions.	4,922,478
Sub-total	7,592,478
2010-11 Reductions	
Administration Reorganization 10 FTE	1,100,000
FASO Staff 7 FTE	450,000
Special Education 7.4 FTE	500,000
School Safety Grants Sweep (one-time)	1,200,000
Restricted Lottery Utilization	500,000
Charge Food Service Indirect Cost	350,000
MS reduce 1 FTE per 1,000 students (3 FTE)	300,000
HS reduce 1 FTE per 1,000 students (9 FTE)	900,000
Clark MHS adjust to 6 periods (4 FTE)	400,000
Daily HS reduce counseling 1 FTE	100,000
Summer School Cost Reduction	700,000
Class Size K-3 to 24.9:1 Ratio	3,400,000
Sub-total	9,900,000
2011-12 Reductions/Savings	
Measure S Savings	517,000
ReConnected Savings	80,000
Consolidated EELLP/Categoricals	150,000
Sub-total	747,000
2012-13 Reductions/Savings	
PIO Position (1 FTE)	112,000
Energy Manager Position (1 FTE)	120,000
ES and MS Assistant Principals (2 FTE)	255,000
Shift Dental to ASCIG / Blue Shield Plan Changes	240,000
Sub-total	727,000
2013-14 Reductions/Savings	
Elementary School Reduction of 1 FTE Assistant Principal	120,000
PARS savings comprised of 5 FTE Elementary School Teachers, 3 FTE Middle School Teachers, 14 FTE High School Teachers, 1 FTE Assistant Principal, 1 FTE Duplicating Center, and 16 FTE Classified Staff.	3,506,561
Sub-total	3,626,561
Grand Total	\$36,003,274

Note: PARS early retirement offered in 2009-10 and 2012-13.
Ret. Plans effective 7/1/10 & 7/1/13 respectively

Appendix IV
