Meeting ID: 894 6644 1944 Passcode: 2FZbPF

Sealed bids are still due no later than 2:00 PM on Friday January 22, 2021 in the Procurement & Contracts Department at Glendale USD, 223 North Jackson Street, Glendale, CA 91206.

RESPONSE TO QUESTIONS:

Question: Do you want to see managed routers to be proposed with the solution? Managed routers allow for Nitel to monitor the circuit real time and allows them to troubleshoot more effectively in the event something happens.

Answer: If a managed router is an option you offer, you may provide a bid with and without this option. Please clearly indicate the cost and benefit of the router. Our current WAN service provider provides us with a managed switch.
