Clarifications

Question: Regarding the “recommended” paint listed under the Scope of Work within the Bid Project Manual, you have listed your recommended paint as follows:

Burbank Paints Scotch Guard 100% Acrylic

The finish color on trim: Horizon Blue

The main exterior body work: Dusty Taupe

My question is: Will the District accept an equivalent 100% acrylic paint product and color from either Vista Paint Company or from Dunn Edwards paint company in substitution of Burbank Paints? Both Vista Paint and Dunn Edwards have more competitive prices.

If an equivalent paint product is acceptable, what is the procedure for making this substitution official?

Answer: As long as the paint is 100% acrylic, it is acceptable. No need to do a substitution request.
