Painting at Various School Sites

Bid Number 164-17/18

Question: Is the gym interior the entire scope of work to be performed re Hoover High School? Is the exterior being painted at Hoover High School as well, as indicated on the Invitation to Bid, Item No. 3? It is my understanding that the gym exterior is NOT being painted; and the exterior of Hoover High School is NOT being painted. Is that correct?

Answer: Hoover High School – only the interior of the Gym.

Question: Have you conducted a professional investigation of the existence of lead or asbestos at the elementary school sites? Do you have reports re asbestos or lead found?

Answer: Please see the AHERA Report posted online.

Question: In what years were the elementary schools constructed?

Answer: Year of establishments:

Valley View – 1959

Monte Vista – 1948

Franklin – 1926

Question: Please advise if there is a specific product you want used and if there will be any substitutions allowed.

Answer: Please check the specifications for the paint. No substitutions.
