Franklin EEELP Project Scope

Work Consists of:

All new work indicated on the plans such as

1. Moving one 24 X 60 Bungalow approximately 50 foot on site.
2. Reinstall ramp to meet current DSA requirements.
3. Disconnecting, rerouting and reconnecting utilities as needed to restore fully functioning classrooms including high and low voltage electrical systems, including data, communications, alarms, plumbing and grounding.
4. Remodel restroom to current ADA codes and per plan.
5. Repair or replace wood foundation to a new or like new condition.
6. Repair or replace siding and skirting to new or like new condition and repaint the exteriors of the 24 X 60 and also the 24 X 40 bungalows.
7. 2 new entrances with gates and paving including fire access walls and steps
8. Revise Fire Lane Painting
9. Associated improvements including but not limited to demolition, grading, patching and paving
