

Early College Academy, Cloud Computing & Computer Science Academy & Dual Enrolment Programs

Meg Chil-Gevorkyan, Manager, Student Outreach Services, Glendale Community College, meg@glendale.edu

Dr. Narineh Makijan, Coordinator, College and Career Division, nmakijan@gusd.net

Equity & Access

GUSD is providing innovative programs to ensure students are prepared for college, career and life success.

Early College and dual enrollment programs provide students who are underrepresented in higher education to achieve college and career readiness.

EARLY COLLEGE ACADEMY

Early College Academy

Early College Academy (ECA) is an innovative way for high school students to earn both a high school diploma and complete two-years of college in the time it takes to go to high school – saving the student both time and money. The Early College Academy is an opportunity for students who may not already be college bound or who are underrepresented in higher education to achieve college and career readiness.

ECA Benefits

- Upon completion of the program, students will be:
 - A high school graduate
 - A-G Certified
 - IGETC Certified
 - Transfer prepared
- Opportunity to build community with embedded study hall
- Combined GUSD and GCC Resources
- Student Support Services
- Social Emotional Learning Supports

Classroom & Study Hall Supports
