4. The English Language Proficiency Assessments for California (ELPAC), which is administered to students designated as English Learners. There are three versions of the ELPAC:
 - a. Initial ELPAC—an initial identification of students as English learners (ELs).
 - b. Summative ELPAC—an annual summative assessment to measure an ELs progress in learning English and to identify the student's English language proficiency level.
 - c. Alternate ELPAC—consist of an Initial Alternate ELPAC and a Summative Alternate ELPAC for students with the most significant cognitive disabilities.

In addition, the Superintendent or designee may administer the California Spanish Assessment (CSA) to English learners. Administration of this test shall not replace the administration of the above tests, administered in English, to English learners. (Education Code 60640)

(Education Code 60640)

Throughout the school year, schools may use Smarter Balanced interim assessments and formative assessment tools at any grade level to provide timely feedback regarding students' progress toward mastery of the skills measured by the summative assessments in English language arts and mathematics and to assist teachers in continually adjusting instruction to improve learning. The Superintendent or designee may determine the timing and frequency of the administration of such assessments.

B. Exemptions

Each year the Superintendent or designee shall notify parents/guardians of their child's participation in the CAASPP and of the provisions of Education Code 60615 related to exemptions from testing. (5 CCR 852)
