GLENDALE UNIFIED SCHOOL DISTRICT 223 North Jackson Street Glendale, California 91206 (818) 241-3111

BOARD OF EDUCATION AGENDA

March 26, 2019 Meeting No. 25 Special Meeting

223 North Jackson Street Glendale, California 91206 (818) 241-3111

BOARD OF EDUCATION SPECIAL MEETING NO. 25 Administration Center

March 26, 2019 5:00 P.M.

In compliance with Education Code 35144, the presiding officer of the Board of Education is calling a Special Meeting on Tuesday, March 26, 2019 at 5:00 P.M. in Boardroom at the Administration Center, 223 North Jackson Street, Glendale.

In accordance with the Americans with Disabilities Act (ADA) the District will provide accommodations, with reasonable advanced notice, for any individual with a disability needing to access the information herein. Please contact the Glendale Unified School District Public Information Office to request such accommodations.

AGENDA

ITEM

- A. OPENING 5:00 P.M.
 - 1. Call to Order
 - 2. Pledge of Allegiance
 - 3. Certification of Compliance

To accommodate the requirement of Government Code Section 54954.2 in accordance with the Brown Act revisions; the agenda for the meeting was posted on the bulletin board in the Administration Center and the Glendale Unified School District website 24 hours prior to this meeting.

- 4. Approval of Agenda Order
- B. COMMUNICATIONS FROM PUBLIC (On agenda items only)
 - 1. Public Communications

ADDRESSING THE BOARD OF EDUCATION—An individual or group representative may address the Board of Education on any agenda item by completing a request card. Speakers are requested to state their <u>name and address</u> prior to speaking to the Board. Not more than <u>five minutes</u> may be allotted to <u>each speaker</u> and no more than <u>twenty minutes</u> to <u>each subject</u>, except by unanimous consent of the Board of Education. A Speaker's allotted time cannot be deferred to another speaker. Board Members may question the speaker but there will be no debate or decision. The Superintendent may refer the matter to the proper department for review.

C. STUDY SESSION

1. Measure S

4

Staff will lead a discussion on the history of Measure S, review identified priority facilities needs, and provide options to move forward with Measure S project allocations.

D. CLOSED SESSION

1. Instructing designated representative, Dr. Kelly King, Interim Superintendent of Schools, regarding collective bargaining matters pursuant to Government Code §54957.6.

Glendale Unified Agenda March 26, 2019 Page 2

D. CLOSED SESSION - continued

- 2. Personnel matters relating to the discipline, dismissal and release of school-based employees pursuant to Government Code §54957.
- 3. Conference with Legal Counsel Anticipated Litigation Initiation of litigation pursuant to section 54956.9(c): Two potential cases

E. RETURN TO REGULAR MEETING

F. ADJOURNMENT

March 26, 2019

STUDY SESSION NO. 1

TO:

Board of Education

FROM:

Dr. Kelly King, Interim Superintendent

SUBMITTED BY:

Stephen Dickinson, Chief Business and Financial Officer

SUBJECT:

Measure S Project Prioritization

Staff will provide information and lead a discussion to review identified priority facilities needs and provide options to move forward with Measure S Project Allocations.

The agenda for the Study Session includes:

- > Historical Background of Measure S
- > Highlights of Measure S Timeline
- Measure S Budget Update
- Review of Overcrowding Relief Grant (ORG) Projects
- Closeout Process
- > Construction Cost Estimates
- > High School Pool Projects Options
- > Review of Previous Priority Lists
- Summary of Unallocated Funds
- > Next Steps and Direction from the Board

Agenda

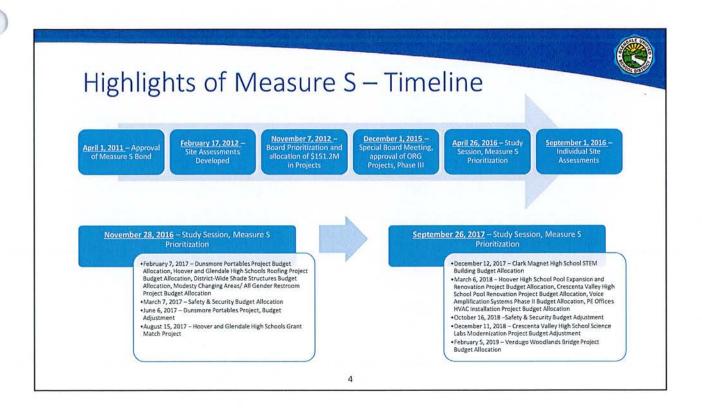

- Historical Background of Measure S
- Highlights of Measure S Timeline
- Measure S Budget Update
 - Completed Projects List
 - Master Program Budget
- Review of Overcrowding Relief Grant (ORG) Projects
 - Project Closeout Process
- Construction Cost Estimates
- High School Pool Projects Options
- Review of Previous Priority Lists
- Summary of Unallocated Funds
- Next Steps for Measure S and Direction

2

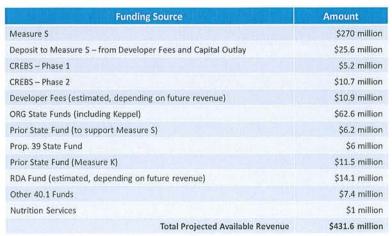

Historical Background of Measure S

- Passage of Measure S Bond in April 2011 (see Attachment A)
 - o No defined project priorities or Facilities Master Plan developed
- Facilities Assessments began in 2011
 - o Individual Site Needs were developed
 - Site Assessment Reports were generated
- Board Prioritized 5 Categories
 - Safety & Security
 - o Instructional Programs
 - Cafeteria/Auditorium/Athletic Field Renovations
 - Functional Assessments
 - Technology Updates

Measure S Budget Update

Total Revenue Resources - Through 2023

Measure S Budget Update (cont.)

Remaining Revenue Resources

Funding Source	Amount
Measure S	\$17.1 million
Deposit to Measure S – from Developer Fees and Capital Outlay	\$13.7 million
CREBS – Phase 1	
CREBS – Phase 2	
Developer Fees (estimated, depending on future revenue)	\$10.4 million
ORG State Funds (including Keppel)	
Prior State Fund (to support Measure S)	\$1.7 million
Prop. 39 State Fund	\$289,000
Prior State Fund (Measure K)	
RDA Fund (estimated, depending on future revenue)	\$3.6 million
Other 40.1 Funds	
Nutrition Services	
Total Remaining Revenue Resources	\$47 million

6

Measure S Budget Update (cont.)

- Developer Fees School Districts have been authorized by law to impose Developer Fees
 - Fees are to mitigate the impact created by new development within a school district's boundaries on district's current facilities
 - Fees collected may only be expended to accommodate students generated from new development
 - Developer Fees generally cannot be used for the regular maintenance or routine repair of school buildings or facilities; asbestos work other than incidental to regular construction or reconstruction; or deferred maintenance (California Education Code 17620)
- Review of Bond Payment Schedule (see Attachment B)
- Review of Master Program Budget (see Attachment C)

Measure S Budget Update (cont.)

- Board Approved Projects In Progress
 - o Glendale High School Aquatic Center Plans have been approved by DSA
 - Verdugo Woodlands Bridge Plans pending submittal to DSA (see Attachment D)
 - o Cloud Pre-School Portables Construction contract has been awarded by the Board
 - District-Wide Projects Shade Structures, Voice Amplification Systems, PE Office HVAC, Small Non-Tech Projects, Modesty Changing Areas and Restrooms
 - Deferred Maintenance Summer Projects and District-Wide Deferred Maintenance
 - Proposition 39 Projects
- Board Approved Future Projects
 - o Clark Magnet High School STEM Building Pending grant application results
 - Hoover High School Pool Expansion and Renovation
 - Crescenta Valley High School Pool Renovation
 - Balboa Portables

8

Review of ORG Projects (cont.)

- Ten (10) ORG projects were separated into three (3) phases
 - o Phase 1: Balboa, R.D. White, and Verdugo Woodlands Elementary School
 - o Phase 2: Glendale and Hoover High Schools, and Muir Elementary School
 - o Phase 3: Fremont, Jefferson, Lincoln, and La Crescenta Elementary Schools
- Staff is in the process of closing out all projects
 - Projects need to be audited by the Office of Public School Construction (OPSC)
 because of matching State funds
 - o Projects will be presented to the Board for closeout
 - Savings of State funds must be allocated for Capital Projects only
 - Savings of Measure S funds will be returned to Program Reserve to be allocated to future projects
 - No set date for when OPSC audit will be complete

1:

Construction Cost Estimates

- Staff will present information on estimated costs per square foot of various construction types:
 - Standard/Conventional Construction wood or steel frame buildings
 - Modular Construction portable buildings
 - Pre-Fabricated Construction "Pre-Fast" buildings
 - o Reference Attachment E

14

High School Pool Projects Options

- Three pool projects approved by the Board
 - Glendale High School Board approved to proceed with Option 3 on March 7, 2017 with a budget of \$11 million (\$9.4 million Measure K funds, \$1.6 million Measure S funds)
 - Hoover High School Board approved the Expansion and Renovation project on March 6, 2018 with a budget of \$5 million (\$3 million Measure S funds, \$2 million Developer Fees funds)
 - Crescenta Valley High School Board approved the Renovation project on March 6, 2018 with a budget of \$4 million (all Measure S funds)

Hoover High School Pool Project - Three Options

- Option 1 Basic Upgrade to Existing Facility
 - Estimated budget of \$2.1 million
 - o Structural concrete repair to existing chemical and equipment room ceiling and walls
 - Expansion of new chemical room (required due to current code requirements)
 - Construction of a new retaining wall
- Option 2 Mid-Level Improvement to Existing Pool and Facility
 - Estimated budget of \$4.4 million
 - Removal and replacement of existing concrete pool decking
 - Structural concrete repair to existing chemical and equipment room ceiling and walls
 - Expansion of new chemical room (required due to current code requirements)
 - Re-plaster current pool
 - o Installation of new plumbing and drainage system to existing pool
 - Purchase and installation of all new pool equipment, plumbing, and electrical as necessary (continued on following slide)

High School Pool Projects Options (cont.)

Hoover High School Pool Project - Three Options (cont.)

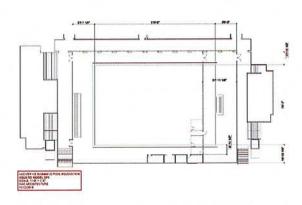

- Option 2 Mid-Level Improvement to Existing Pool and Facility
 - o Complete renovation to existing coaches' office, storage, and shower building
 - Construction of new retaining wall
- Option 3 Construct New CIF Water Polo Pool and Aquatics Area
 - Estimated budget of \$10 million
 - o Demolition of existing pool and supporting equipment buildings
 - o Demolition of existing retaining wall and construction of new retaining wall
 - Structural underpinning along north side of pool adjacent to existing football bleacher and shower building
 - Expansion of pool area to provide CIF water polo and swimming
 - o Construction of new offices, team room, storage, and shower area
 - Construction of shade structure over spectator seating area
 - Expansion of new chemical room (required due to current code requirements)

24

Review of Previous Priority Lists

- Initial Assessments began in 2011
- In 2016, staff distributed Assessments from 2011 and sought input from principals
 - o List of top 5 priorities for each site was complied
- In 2017, staff reviewed and revised the assessments from 2016 (see Attachment F)
- Staff has also obtained a current Master Plan from Facilities and Support Operations (FASO) staff which includes Deferred Maintenance projects from all schools and District support sites (see Attachment G)

Summary of Unallocated Funds

Next Steps and Direction

- Consideration of Unfunded District Needs
- Board Discussion and Direction

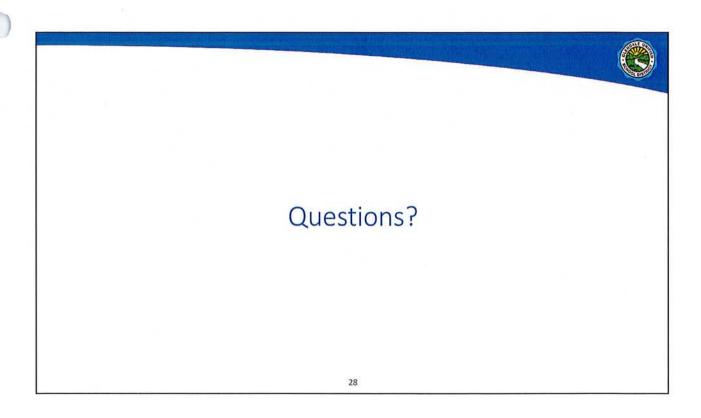

EXHIBIT A-1 BOND PROJECT LIST

Every school campus within the Glendale Unified School District will receive Measure bond funds. Bond funds, in conjunction with State matching funds as may become available, will be used to make necessary repairs and upgrades to existing school campuses, as well as replace old bungalow classrooms, and upgrade the technology infrastructure to support student learning. The campuses and support facilities listed below will receive the following repair, upgrade and construction projects as necessary:

Elementary Schools

Balboa Elementary School Cerritos Elementary School Columbus Elementary School **Dunsmore Elementary School** Edison Elementary School Franklin Elementary School Fremont Elementary School Glenoaks Elementary School Jefferson Elementary School Keppel Elementary School La Crescenta Elementary School Lincoln Elementary School Mann Elementary School Marshall Elementary School Monte Vista Elementary School Mountain Ave. Elementary School Muir Elementary School Valley View Elementary School Verdugo Woodlands Elementary School R.D. White Elementary School

Middle Schools

Roosevelt Middle School Rosemont Middle School Toll Middle School Wilson Middle School

High Schools

Clark Magnet High School Crescenta Valley High School Daily High School Glendale High School Hoover High School

Specialty Schools and Support Facilities

College View School
Cloud Pre-School
Pacific Avenue Education Center
Verdugo Academy
Facility and Support Operations
Professional Development Center
District Administration Building

- Complete health and safety improvements required to comply with current student safety standards and codes, including removing hazardous materials, upgrading automatic fire alarms, and communication and security systems
- 2. Improve student access to classroom computers and modern technology by upgrading electrical and technology infrastructure and distribution, as well as replacing systems as necessary to include energy conservation
- Complete major repairs, renovations and upgrades to school sites including replacing outdated electrical systems, sewer, water, gas, paving, walkways, fencing, and drainage systems
- 4. Complete major upgrades and renovations to building exteriors and interiors, such as walls, painting, lighting, roofing, floor coverings, doors and hardware

Exhibit A-1

- Upgrade science labs at middle and high schools as necessary to support instructional programs and provide advanced courses now required by colleges and universities for admission
- 6. Provide facilities and equipment necessary to effectively implement career and technical programs so students can compete for today's in-demand jobs
- Update and improve building systems including heating, ventilation and plumbing systems to reduce energy bills and qualify the District for energy incentive funds
- 8. Upgrade the technologies and systems in school facilities to support arts and music programs
- Improve access to classrooms, science labs and other school facilities for students with disabilities in compliance with Federal and State mandated Americans with Disability Act (ADA) requirements
- Evaluate and implement solar, wind, and other energy generation systems to improve environmental sustainability and effectively reduce on-going energy and utility costs incurred by the District
- 11. Construct, furnish and equip new classrooms to replace outdated/aging portable classrooms
- 12. Renovate, expand, and construct student support facilities throughout the District as needed
- 13. Acquire and install instructional, maintenance, and operational equipment including but not limited to: desks, computers, printers/reprographic equipment, computer stations, smart boards, whiteboards, tack boards; science, art, and instrumental program equipment; window coverings, cafeteria tables, and maintenance equipment to the extent permitted by law
- 14. Modernize College View School with expanded facilities as needed to support the programs for students with special needs
- 15. Increase student safety by improving drop-off/pick-up areas, parking and traffic circulation
- Upgrade and replace as necessary outdoor play equipment, protective play surfaces, and fields as needed to meet new safety standards and keep our children healthy
- 17. Provide adequate shade structures and lunch shelters to protect students
- 18. Expand and upgrade multi-purpose rooms, cafeterias and kitchen areas as needed to efficiently prepare food and serve students in a safe and sanitary environment
- Refinance or retire existing debts and leases in order to secure more favorable terms for taxpayers and/or free up funding for classroom instruction

Priority of Projects

The listed projects will be prioritized and completed as needed with the following projects being prioritized first: items with immediate impact on instruction; projects dealing with safety and security; items which can be easily addressed and have an equity focus; projects that maximize additional funding resources or that generate ongoing funding or expense reduction and the initiation of architectural plans for future construction projects.

Project Costs

Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; installation of signage and fencing; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; repair and replacement of heating and ventilation systems; upgrade of facilities for energy efficiencies; repair and replacement of worn-out and leaky roofs, windows, walls, doors and drinking fountains; installation of wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrades or construction of support facilities, including administrative, physical education and performing arts buildings and maintenance yards; repair and replacement of fire alarms, emergency communications and security systems; resurfacing or replacing of hard courts, turf and irrigation systems and campus landscaping; expand parking; install interior and exterior painting and floor covering; demolition; and construction of various forms of storage and support spaces, upgrade classrooms, repair, upgrade and install interior and exterior lighting systems; replace outdated security fences and security systems. The upgrading of technology infrastructure includes, but is not limited to, computers, LCD projectors, portable interface devices, servers, switches, routers, modules, sound projection systems, laser printers, digital white boards, document projectors, upgrade voice-over-IP, call manager and network security/firewall, wireless technology systems and other miscellaneous equipment and software.

The allocation of bond proceeds will be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District will not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. Some projects throughout the District, such as gyms, fields and performing arts facilities, may be undertaken as joint use projects in cooperation with other local public or non-profit agencies.

The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration/acquisition may occur in connection with new construction, renovation or remodeling, or installation or removal of

Exhibit A-3

ATTACHMENT A

relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

SUBJECT:

Board Question - Bond Payment Schedule

This is a follow-up to the Board question regarding District's bond payment schedule. Attached pages from the District's most recent audit report outline the bond payment schedules for Measure "K" and Measure "S" Bonds.

The first two pages explain the history of the issuance and refunding of the Bonds. The third page (Pg. 33) is a summary of the Measure "K" and Measure "S" Bond payment schedule. Measure "K" bonds will be paid off in 2029. The current Measure "S" bonds will be paid off in 2042, but there is still \$38 million to be issued.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2018

NOTE 9: LONG-TERM DEBT - SCHEDULE OF CHANGES

A schedule of changes in long-term debt for the year ended June 30, 2018 is presented herein.

	Balance July 1, 2017	Additions	Reductions	Balance June 30, 2018	Amount Due in One Year
General obligation bonds	\$ 355,860,548	\$ -	\$ 12,235,000	\$ 343,625,548	\$ 12,355,000
Capital appreciation interest	22,239,711	6,492,262		28,731,973	-
Premium on general obligation bonds	16,487,273	23 1/32	1,428,015	15,059,258	
Total general obligation bonds	394,587,532	6,492,262	13,663,015	387,416,779	12,355,000
Clean renewable energy bonds	14,994,483	-	492,927	14,501,556	806,852
City of Glendale loan	1,302,035	-	143,918	1,158,117	169,675
Net pension liability	247,389,742	39,558,166		286,947,908	-
Net OPEB obligation *	71,844,414	4,093,986		75,938,400	*
Early retirement incentive	745,325	(a)	745,325		
Compensated absences	3,214,581	177,316		3,391,897	-
Total	\$ 734,078,112	\$ 50,321,730	\$ 15,045,185	\$ 769,354,657	\$ 13,331,527

^{*} The July 1, 2017 balance has been restated by \$53,236,192 for the cumulative effect of the adoption of Accounting Standards Board Statement 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions. This includes the District's Postemployment Medical Benefits Plan and the Medicare Premium Payment Program. See Note 18.

The City of Glendale loan, net pension liability, early retiree incentive and compensated absences are liquated by the General Fund. The postemployment healthcare benefits are liquidated through the Self-Insurance Fund. The general obligation bonds are liquidated through property tax collections as administered by the county. The clean renewable energy bonds are liquidated by the Special Reserve Fund for Capital Outlay Projects.

NOTE 10: GENERAL OBLIGATION BONDS

On June 3, 1997, the voters approved the issuance of bonds (Measure K), not to exceed \$186,000,000 for the construction, improvement, alteration and rebuilding of education facilities within the District.

Between 1997 and 2004, the District issued bonds, Series A through G, totaling \$186,000,000. In 2009-2010, the District issued two refunding bonds (Refunding Bonds 2009 and 2010) to current refund Series A, B and C and advance refund portions of Series D. In 2011-2012, the District issued two refunding bonds (Refunding Bonds 2011 and 2012) to advance refund portions of Series E, F and G.

On April 5, 2011, the voters approved the issuance of bonds (Measure S), not to exceed \$270,000,000 for the construction, improvement, alteration and rebuilding of education facilities within the District.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2018

NOTE 10: GENERAL OBLIGATION BONDS

On August 4, 2011, the District issued Series A, A-1 and A-2, totaling \$53,999,985. Series A-1 was issued as "New Clean Renewable Energy Bonds" and intends they be "Specified Tax Credit Bonds" which makes the District eligible for a refundable credit from the United States Treasury. On August 26, 2014, the District issued Series Bg totaling \$70,000,000.

On October 14, 2015, the District issued \$17,175,000 of 2015 Refunding Bonds, Series A. The proceeds were used to advance refund a portion of the District's outstanding 2009 Refunding Bonds through the deposit of the proceeds, including a premium of \$3,098,958 to an escrow fund. The principal balance of \$17,175,000 will be redeemed in full on September 1, 2019, by the refunding escrow agent.

On October 14, 2015, the District issued \$84,830,563 of 2015 Refunding Bonds, Series B (2021 Crossover). The District intends to apply the net proceeds of the sale of the bonds on the crossover date, 9/1/2021, at a redemption price equal to the outstanding principal thereof, plus accreted interest to the 2011 Bonds, Series A (2011 Refunding Bonds). Until the crossover date, the net proceeds of the 2021 Crossover Bonds will be held with a fiscal agent and invested in certain federal securities that will provide for the payment of interest on the bonds through the crossover date. On the crossover date, funds on deposit with the fiscal agent will be applied to the redemption of the 2011 Refunded Bonds.

On August 18, 2016, the District sold \$70 million of General Obligation Bonds (Measure S), Series C. The bonds were sold with an interest rate of 2.0% to 4.0% and have a final maturity in September 2039.

The balance of all of the bonds refunded was \$9,260,500 less than the amount paid into the escrow account. This amount is recorded as a deferred charge on the statement of net position and amortized to interest expense over the life of the new debt. Amortization of \$611,829 was recognized during 2017-2018.

NOTES TO THE FINANCIAL STATEMENTS For the Fiscal Year Ended June 30, 2018

NOTE 10: GENERAL OBLIGATION BONDS

The outstanding general obligation bonded debt of the District at June 30, 2018 is as follows:

	Date of	Date of	Interest	Amount of	Outstanding	
General Obligation Bonds	Issue	Maturity	Rate %	Original Issue	June 30, 2018

4.0 Summary of Costs

Cost Overview

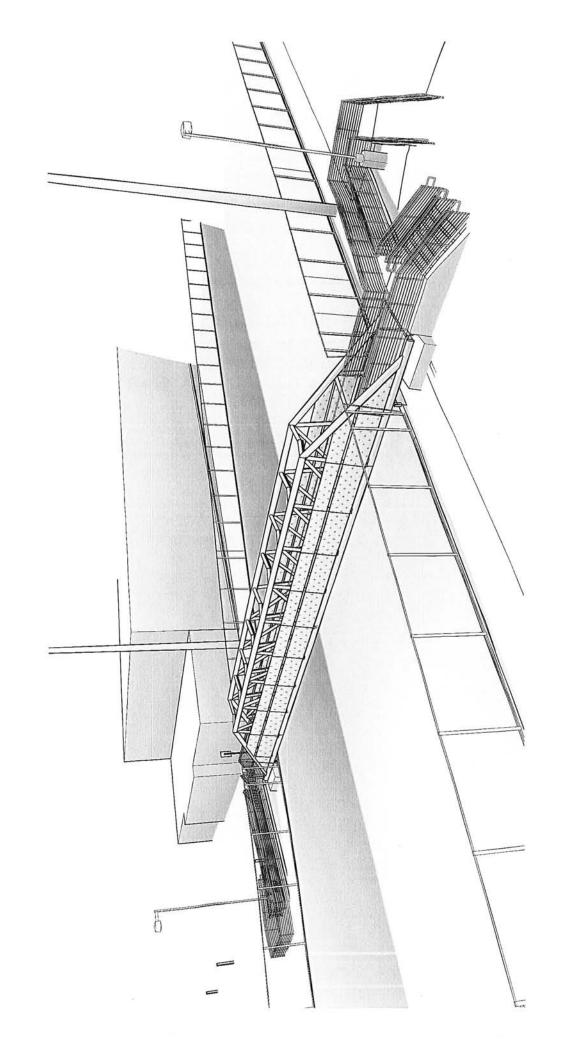

A cost analysis was performed on the listing of identified project needs by Cumming, a firm that provides management and project cost estimation services. This estimate was done on a very broad scale, and once specific projects are chosen, a detailed review and cost estimation will be performed. As projects are developed, cost projections will change several times. This will occur at the various phases: schematic, design development, and construction document. The final cost will be determined based upon actual construction costs, inclusive of change orders.

Soft Cost Allocation

Once scope is identified, project costs are updated factoring the Total Project costs associated with the improvements, including soft costs comprised of - cost escalations (factoring when the projects are planned to be built), construction and program contingencies, interim housing, as well as furnishings and technology, fees, and other associated soft costs. A 2% Program Contingency is reserved for unanticipated needs over the life of the program. Only highest priority projects will be selected for the initial 3-year period.

Soft Cost Percentages
