# Renewal of Technology Tool Licenses Used in Distance Learning to Support Blended Learning

**Information Report No. 2**
**May 4, 2021**

Dr. Kelly King, Assistant Superintendent, Educational Services

Presented by:

Dr. Chris Coulter, Director, Teaching and Learning

# Distance Learning vs. Blended Learning
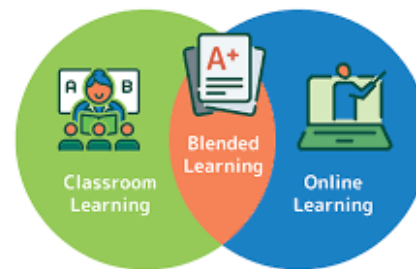

## Distance Learning

- Tech tools used to:
    - Enhance engagement
    - Organize virtual classroom
    - Provide feedback
    - Monitor progress
    - Students learn from home

## Blended Learning

- Tech tools used to:
    - Accelerate learning
    - Differentiate support
    - Provide actionable feedback
    - Facilitate higher order thinking
    - Engage students in collaboration
    - Provide rigorous learning opportunities
    - Students learn partly through online delivery of content and instruction

Blended Learning

Classroom Learning — Blended Learning — Online Learning

# Renewal of Tools Based on Usage

| Organizing Content | Delivery of Lessons |
|---|---|
| **Google Classroom G Suite Enterprise** – includes Google Classroom and Originality Reports | **Nearpod** – Presentation, engagement, and assessment tool |
| **Seesaw** – Digital portfolio and learning management system | **Listenwise** – High quality podcasts on many topics to target listening skills while providing content |
| **Kami** – Annotate on PDF documents | **Screencastify** – Record content on computer screen with narration and spotlight tools |
| | Zoom and Zoom Webinar |

# Questions
