Glendale Community College

Students must apply to GCC or have a GCC student ID number

Jump Start: www.Glendale.edu/jumpstart

- Jump Start classes are a great way to interact with college students in non-COVID times at GCC
- College courses are scheduled after school to earn college credit
- Explore college majors and subjects before you graduate high school
- Get book vouchers per semester to help pay for books

Dual Enrollment: www.Glendale.edu/dual

- Take courses after school to earn college and high school credit
- Fees are waived & textbooks are provided

Early College Academy at Hoover High School: www.Glendale.edu/eca

- ECA is an innovating way for high school students to take college classes during the school day and earn a high school diploma while also working towards completing up to 1.5 years of college between 10th - 12th grade.

Cloud Computing & Computer Science Academy (CCCS) at Glendale High School: www.Glendale.edu/cccs

- CCCS at Glendale High School is designed to prepare students for STEM related fields. Students take college credit courses from 9th -12th grade based on the Amazon Web Services curriculum framework in cloud computing & computer science career pathways as part of their high school schedule leading to industry certifications and a cloud computing certificate while also working towards a high school diploma.

Private schools, like USC, may not accept credits from dual enrollment. Students interested in USC or similar schools would benefit more from Jumpstart classes. Please contact your high school counselor to see which options best fit your academic goals.
