

Students - Attendance

School Attendance Boundaries

The Board of Education shall establish school attendance boundaries in order to maximize the efficient use of district facilities and effective administration of district schools. The Superintendent or designee shall periodically review school attendance boundaries and, as necessary, make recommendations to the Board for boundary adjustments.

The Board of Education shall regularly review school and District enrollments and projected enrollments and will make every effort to ensure that students will be able to attend neighborhood schools. The Board shall hold a public hearing to secure community input before approving any boundary change.

When reviewing school attendance boundaries, the Superintendent or designee shall consider the following factors:

1. School enrollment data, including declining enrollment patterns.
2. Facility capacity and design, including potential commercial and residential developments.
3. School feeder patterns, including maintaining, to the extent practicable, continuity of student attendance.
4. Federal, state, or court mandates.
5. Community input.
6. Student safety.
7. Transportation capacity.
8. Community and neighborhood identity.
9. Geographic features of the district, including traffic patterns.
10. Educational programs, such as magnet schools and charter schools.
11. Consistency between municipal boundaries and high school boundaries.
12. Other factors.

Students - Attendance

School Attendance Boundaries

Students shall attend school in their attendance area unless otherwise authorized by the Superintendent or designee. The Superintendent or designee may place some students in a school outside of their attendance area in order to alleviate overcrowding.

Parents/guardians of students who are attending schools outside of their attendance area shall be notified of the school their child will be attending as soon as possible.

A. Elementary Schools

1. Balboa Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the western boundary of the Glendale Unified School District and the intersection of the Southern Pacific Railway, the line runs southeast on the center line of said railway to the intersection of Thompson Avenue; northeast on the center line of Thompson Avenue to the intersection of Glenwood Road; southeast on the center line of Glenwood Road to the intersection of Western Avenue; northeast on the center line of Western Avenue to the intersection of Kenneth Road; southeast on the center line of Kenneth Road to the intersection of Grandview Avenue; north on the center line of Grandview Avenue and the northern extension of Grandview Avenue; west to meet the western boundary line of the Glendale Unified School District; south following the Glendale Unified School District boundary line to the starting point.

Balboa Elementary School will be considered the home school for students who live within the Benjamin Franklin and Mark Keppel Elementary School attendance boundaries but do not enroll in those magnet school programs.

Policy Adopted: 08/17/1937

Policy Amended: 07/01/1969; 06/21/1977; 04/18/1989; 09/15/2015

2. Cerritos Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the western boundary of the Glendale Unified School District and the extension of Garfield Avenue, the line runs east along the center line of Garfield Avenue to Brand Boulevard; south along the center line of Brand Boulevard to Palmer Avenue; east along the center

Students - Attendance

School Attendance Boundaries

line of Palmer Avenue to Glendale Avenue; south along the center line of Glendale Avenue to the intersection of Cypress Street; east paralleling Cypress Street, excluding both sides of Cypress Street, to the intersection with the southern extension of Boynton Street; south on said extension to the intersection with the southern boundary line of the Glendale Unified School District; west and northwest following said boundary line to its starting point.

Cerritos Elementary School also accepts students who live outside the school's geographical attendance boundaries to participate in the Computer Science Immersion Magnet School.

Cerritos Elementary School will be considered the home school for students who live within the Thomas Edison Elementary School attendance boundaries but do not enroll in the magnet school program.

Policy Adopted: 08/17/1937  
Policy Amended: 05/17/1955; 04/20/1982; 09/15/2015; 12/17/2019

3. Columbus Elementary School

The attendance area of this school is the part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of the Ventura Freeway with the western boundary line of the Glendale Unified School District, the line runs northeast along said freeway to Brand Boulevard; south on the center line of Brand Boulevard to Broadway; west on the center line of Broadway to the intersection of Columbus Avenue; south on the center line of Columbus Avenue to the intersection of Ivy Street; west on the center line of Ivy Street to its intersection with the western boundary of the Glendale Unified School District; northwest along said boundary to the starting point.

Policy Adopted: 08/17/1937  
Policy Amended: 06/21/1977; 04/21/1992

4. Dunsmore Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the northern end of the extension of New York Avenue, the line runs south along the center line of New York Avenue to Foothill Boulevard; northwest along the center line of

Students - Attendance

School Attendance Boundaries

Foothill Boulevard to Dunsmore Avenue; south along the center line of Dunsmore Avenue to its intersection with 5th Avenue; northwest paralleling 5th Avenue including both sides of the street to Boston Avenue; south on the center line of Boston Avenue to the Foothill Freeway; west on the Foothill Freeway to the western limit of the Glendale Unified School District. The western and northern limits of the Dunsmore School shall be those of the Glendale Unified School District.

Dunsmore Elementary School also accepts students who live outside the school's geographical attendance boundaries to participate in the Japanese Dual Immersion Program.

Policy Adopted: 01/4/1949  
Policy Amended: 02/03/1959; 04/05/1960; 04/18/1961; 03/17/1981;  
03/03/1998; 09/15/2015

5. Thomas A. Edison Elementary School

Thomas A. Edison Elementary School is a magnet school. In order to enroll, students shall participate in an annual random student selection process (student lottery). Priorities in the lottery shall be:

- a. Siblings of currently enrolled students.
- b. Students living within .5 miles of the school.
- c. Students living within District attendance boundaries.
- d. Students living outside District attendance boundaries.

Students who live within the following attendance area, but do not secure enrollment at Edison Elementary School through the random student selection process will default to Cerritos Elementary School as their home school.

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of Ivy Street with the western boundary line of the Glendale Unified School District, the line runs east on the center line of Ivy Street to its intersection with Columbus Avenue; north on the center line of Columbus Avenue to its intersection with

School Attendance Boundaries

Broadway; east on the center line of Broadway to its intersection with Brand Boulevard; south on the center line of Brand Boulevard to Garfield Avenue; west on the center line of Garfield Avenue to the western limit of the Glendale Unified School District; northwest along said boundary to the starting point.

Thomas Edison Elementary School also accepts students who live outside the school's geographical attendance boundaries to participate in the Spanish Dual Immersion Program.

Policy Adopted: 08/17/1937

Policy Amended: 05/17/1955; 06/21/1977; 04/20/1982; 04/21/1992;  
09/15/2015

6. Benjamin Franklin Elementary School

Benjamin Franklin Elementary School is a magnet school. In order to enroll, students shall participate in an annual random student selection process (student lottery). Priorities in the selection process shall be:

- a. Siblings of currently enrolled students.
- b. Students living within .5 miles of the school.
- c. Student living within the previously established school attendance boundaries.
- d. Students living within District attendance boundaries.
- e. Students living outside District attendance boundaries.

Students who live within the following attendance area, but do not secure enrollment at Franklin Elementary School through the random student selection process will default to Balboa Elementary School as their home school.

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of the Southern Pacific Railway with the western boundary of the Glendale Unified School District, the line runs southeast along the center line of said railway, including both sides of Air Way, to its intersection with the Ventura Freeway;

Students - Attendance

8. Glenoaks Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of the Ventura Freeway and the eastern boundary of the Glendale Unified School District, the line runs west on the center line of Broadway to its intersection with Verdugo Road; northwest on the center line of Verdugo Road to the intersection of Verdugo Road and Monterey Road; northeast to the intersection of Glenandale Terrace and Glenoaks Boulevard, including both sides of Woodbury Road, to a point directly north and east of Luton Drive, including both sides of Luton Drive; north and west, including both sides of Avonglen Terrace, to a point between Furman Place and Gladys Drive; east to the 2 Freeway; north on the center line of said freeway to Mountain Street; east on Mountain Street, excluding both sides of the street, until it becomes Camino San Rafael; easterly along the south side of Camino San Rafael, excluding both sides of Camino San Rafael, to a point between Chevy Oaks and Calle Amable; south and east on a line paralleling Calle Amable, excluding both sides of Calle Amable and Calle Del Pacifico; north and east on a line just south of Calle La Primavera, excluding both sides of Calle La Primavera, to a point directly south of the cul-de-sac of Calle La Primavera; northeast on a line parallel with Calle Canto, excluding both sides of Calle Canto and Calle La Costa; north along the ridge of the mountains parallel to Camino San Rafael, excluding all of Camino San Rafael, but including Bouquete Street, Belleau Road, and Sheridan Road, to the intersection of Camino San Rafael and Emerald Isle Drive, including Emerald Isle Drive and Dublin Drive; north to the intersection of Camino San Rafael and Flintridge Drive, including all of Flintridge Drive to the intersection with the extension of Pasa Glen Drive; east to the eastern boundary of the Glendale Unified School District; south following the Glendale Unified School District boundary to the starting point.

Policy Adopted: 08/17/1937

Policy Amended: 09/19/1989; 02/06/1990; 04/21/1992

9. Thomas Jefferson Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of Grandview Avenue and Kenneth Road, the line runs south on the center line of Grandview Avenue to the intersection of the Southern Pacific Railway; northwest

Students - Attendance

School Attendance Boundaries

on the center line of said railway to the intersection of Thompson Avenue; northeast on the center line of Thompson Avenue to the intersection of Glenwood Road; southeast on the center line of Glenwood Road to the intersection of Western Avenue; northeast on the center line of Western Avenue to the intersection of Kenneth Road; southeast on the center line of Kenneth Road to the intersection of Grandview Avenue.

Thomas Jefferson Elementary School also accepts students who live outside the school's geographical attendance boundaries to participate in the Armenian Dual Immersion Program.

Policy Adopted: 08/17/1937

Policy Amended: 07/01/1969; 06/21/1977; 04/18/1989; 09/15/2015

10. Mark Keppel Elementary School

Mark Keppel Elementary School is a magnet school. In order to enroll, students shall participate in an annual random student selection process (student lottery). Priorities in the lottery shall be:

- a. Siblings of currently enrolled students.
- b. Students living within .5 miles of the school.
- c. Student living within the previously established school attendance boundaries.
- d. Students living within District attendance boundaries.
- e. Students living outside District attendance boundaries.

Students who live within the following attendance area, but do not secure enrollment at Keppel Elementary School through the random student selection process will default to Balboa Elementary School as their home school.

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting in the mountains at the northern extension of Grandview Avenue, the line runs south on said extension and the center line of Grandview Avenue to the Southern Pacific Railway;

Students - Attendance

School Attendance Boundaries

southeast on said Railway to the Ventura Freeway; northeast on said Freeway to Brand Boulevard; north on the center line of Brand Boulevard to the intersection of Kenneth Road; north to the intersection of Hazbeth Lane, excluding Hazbeth Lane, to the intersection of Deermont Road and Rimcrest Drive, excluding Deermont Road, but including Rimcrest Drive; north to the northernmost part of Deermont road; east to the end of Starvale Road, including Rams Horn Court, Woodholly Court, and Starvale Road; north to the mountains.

Mark Keppel Elementary School also accepts students who live outside the school's geographical attendance boundaries to participate in the Korean Dual Immersion Program.

Policy Adopted: 08/17/1937

Policy Amended: 08/20/1963; 06/21/1977; 03/17/1981; 09/15/2015

11. La Crescenta Elementary School

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of Foothill Boulevard and Rosemont Avenue, the line runs south on the center line of Rosemont Avenue to the Foothill Freeway; southeast along the Freeway to Briggs Avenue; south on the center line of Briggs Avenue to Montrose Avenue; northwest on the center line of Montrose Avenue to Rosemont Avenue; south on the center line of Rosemont Avenue to the south side of Sycamore Avenue including both sides of Sycamore Avenue; west to the intersection of Sycamore Avenue and Ramsdell Avenue; south on the east side of Ramsdell Avenue, including both sides of Ramsdell Avenue, to the east end of El Lado Drive northwest along this line, excluding both sides of El Lado Drive, to the southern extension of Cloud Avenue; north paralleling Cloud Avenue excluding both sides of the street to its extension on Montrose Avenue; northwest on Montrose Avenue excluding both side of the 3100 block of Montrose Avenue to the intersection of Pennsylvania Avenue; north along the center line of Pennsylvania Avenue to Foothill Boulevard; southeast on the center line of Foothill Boulevard to the starting point.

Policy Adopted: 08/17/1937

Policy Amended: 08/20/1963; 04/18/1967; 05/01/1979; 03/03/1998

12. Lincoln Elementary School

Students - Attendance

School Attendance Boundaries

The attendance area of this school is that part of the Glendale Unified School District enclosed by the following described line: Starting at the intersection of Foothill Boulevard and Dunsmore Avenue, the line runs southeasterly on the center line of Foothill Boulevard to Pennsylvania Avenue; south along the center line of Pennsylvania Avenue to Montrose Avenue; southeast on Montrose Avenue including both sides of the street to 3100 Montrose Avenue (including this address); south on the extension of Cloud Avenue including both sides of Cloud Avenue to its southern extension; southeasterly, paralleling El Lado Drive, including houses on both sides of El Lado Drive, southwest from the end of El Lado Drive to a point directly south of the extension of Lowell Avenue; west to the western boundary of the Glendale Unified School District; following the Glendale Unified School District boundary line north to the Foothill Freeway; east on the Foothill Freeway to Boston Avenue; north on the center line of Boston Avenue to its intersection with 5th Avenue; southeast paralleling 5th Avenue excluding both sides of the street to Dunsmore Avenue; north on the center line of Dunsmore Avenue to the starting point.
