Continuity of Services (Ready for Learning) Plan 2023-2024

The Glen Rose School District will be open for onsite learning for the 2023-2024 school year. Virtual learning will not be offered as an optional educational plan this school year.

FACILITY PREPARATION

Prior to the return of staff and students, CDC Guidance and/or Arkansas Department of Health guidance for Reopening Buildings will be followed to create a safe environment. Our goal is to keep our facilities safe and clean for students and staff.

CLEANING PROTOCOL

Glen Rose Schools and the District's custodial staff, will follow the standard daily, weekly and monthly cleaning specifications as provided by the Arkansas Department of Health and/or the CDC.

The following additional measures will be in place from the first day of school:

- All rooms in each building are cleaned and disinfected daily.
- Availability for each classroom to have access to a spray bottle of virucidal disinfectant, cleaning gloves and cleaning cloths for use by district staff.

LEARNING DELIVERY MODELS

ONSITE LEARNING

Students will report to campus five days a week to learn unless a specific school or the entire district closes due to inclement weather. Inclement weather days will be made up at the end of the school year.

DISTRICT/STATE REQUIRED ASSESSMENTS

All students will participate in Glen Rose's assessment system so student growth can be closely monitored. All state required tests will be taken on campus.
