

GRHS Seniors 2024

GRADUATION PARTICIPATION REQUIREMENTS

GRHS Handbook 2023-2024

All Graduation Requirements must be met.

In order for a graduating senior to be able to participate in the actual ceremony the following requirements must be met:

Graduation:

Graduation will be held at the **Hot Springs Convention Center in the Bank of the Ozarks Arena** to provide increased capacity and comfort for families of our students. Graduation practice will be held at the Hot Springs Convention Center Bank of the Ozarks Arena the day of graduation 2 hours before the scheduled graduation. Seniors will be advised of the exact time for practice and graduation well in advance. Failure to attend graduation practice may result in the student not participating in the ceremony. Senior slideshows, awards, honors and scholarships will be included in the graduation ceremony.

Students are to wear the red or white cap and gown that was purchased for the graduation ceremony. Caps may not be decorated. Only the cords, stoles and medallions provided by the school can be worn during the ceremony unless otherwise approved by the administration.

Dress code for graduation practice and the graduation ceremony will include dark slacks/pants or khakis, a white or light button-down collared shirt and clean closed-toed shoes that match the graduation gown (black, brown, white, red) for the guys. Girls need to make sure that what is showing below or under the red or white gown does not clash. Shoes can be sandals, heels or other clean shoes that match the graduation gown. No flip-flops are allowed.

Date Adopted: June 16, 2014; Last amended: June 19, 2023
