## SERVICES

The Kindergarten, First grade, and Second grade students are serviced by whole group enrichment 30 minutes per week by a combination of the GT teacher and the regular classroom teacher. The identification process begins at the end of 2nd grade and was just completed this September. Students in grades 3-4 are serviced through pull-out in the Resource Room for a total of 180 minutes per week.

## Goals

Continue to monitor all options by:

1. Monitoring Honors class lesson plans in grades 5-11 to check for differentiation
2. Have stakeholders complete a survey for the GT program and use the data to evaluate the program. This data will guide the Advisory committee to make improvements and adjustments as needed.
3. Help students see connections between grades today, jobs tomorrow, responsibility, and how it is tied to adulthood.

The Glen Rose 7-12 GT program is served by Honors classes, Advanced Placement classes, and college concurrent classes online and on campus. Students may also advance one year in math starting in the 8th grade. AP students take the AP exams each spring to qualify for college credit. As of now, we have 32 11th and 12th graders signed up to take these Exams in the Spring.

Glen Rose Jr and Sr High Quiz Bowl, led by high school teacher Wendy Abernathy, participates in invitational and AAA Quiz Bowl. Tournaments may be held virtually if conditions warrant. All invitational tournaments are subject to be virtual again this year. Students may also participate in Chess Club, led by high school teacher Julie Hathcock. They will also have the opportunity to participate in tournaments.
