 - Kindergarten- 65
 - 1st Grade- 74
 - 2nd Grade- 58
 - 3rd Grade- 67
 - 4th Grade- 71
 - Total= 335

We are starting our Fun Run Fundraiser today. This will be a two week, character building and fitness opportunity that allows students to receive pledges for laps run. This fundraiser has completely allowed us to purchase all school supplies every year and had been a big hit with our students and parents each year.

Our Elementary has jumped from 190th to 162nd in the state from last year. This is from the school digger rankings that goes off of test scores, and other school information. Our ranking from when I first came six years ago was 285th. Our state standard avg. score this year was 65.81 which is up from 62.68 last year. It is also up from the 44.73 of when I first started at GRES. We are definitely showing improvement each year and I look forward to seeing even bigger jumps in the coming years.
