SERVICES

The Glen Rose 7-12 GT program is served by Pre-AP classes, Advanced Placement classes, and college concurrent classes online and on campus. Students may also advance a year in math.

Spring 2020 AP students took test remotely via computer. All but 3 GR students took the exam. Sixteen students received qualifying scores in 2020

Glen Rose Jr and Sr quiz bowl participates in invitational and AAA Quiz Bowl. Onsite tournaments will be held virtually if conditions warrant. All invitational tournaments are virtual this year. Students may also participate in chess tournaments. Again, this is pending whether they will be held on site this year due to Covid 19

GOALS

Continue to monitor all options by:

1. Monitoring Pre-AP lesson plans each nine weeks to check for differentiation
2. Continue to evaluate the program and make improvements and adjustments as needed..
3. Help students see connections between grades today and jobs tomorrow and responsibility and how it is tied to adulthood.
