

BOARD VACENCY

In the event a board seat is declared vacant by the board, the board will either appoint or call for a special election within 60 days to fill the vacant seat.

1. An appointed member shall fill the vacated seat for the remainder of the seat's term if appointed within the second half of the term. If appointed within the first half of the seat's term, the seat will be open for election at the next regular board election date.
2. If a special election is held, the elected member will fill the vacated seat for the remainder of the term.
