

SALARY DEDUCTIONS

Federal and state income tax and social security deductions are mandatory by federal and Oklahoma law. Other deductions may be authorized by the Gore Board of Education upon request and authorization of the employee.

However, the board may required a minimum of five employees to request deductions for anyone specific payee.

REFERENCE: 70 0.8. §390S

Note: 700.8. §390S is permissive. The statute identifies certain specific dductions that may be authorized, but the statute also includes "other procrams authorized by such institutions, accncics, and boards." Therefore, payroll deductions are discretionary with the board of education
